Dignity for All Students Act (DASA)

No student should feel that it is not safe to come to school and participate in all school activities. No student should ever be prevented from concentrating on schoolwork because another student or a school staff member is teasing you, making fun of you, or threatening you in some way, because of your actual or perceived race, color, weight, national origin (where your family comes from), ethnic group, religion, religious practice, disability, sexual orientation, gender (including gender identity or expression), or sex, or for any other reason.

No student may act toward another student in a way that might reasonably make them feel threatened or unsafe, or that might reasonably make them unable to concentrate on their schoolwork because of what you might think about their race, color, weight, national origin (where their family comes from), ethnic group, religion, religious practice, disability, sexual orientation, gender (including gender identity or expression), or sex, or for any other reason. It is against school rules for any student or staff member to do this by physical actions or by verbal statements, including electronic messages. This kind of behavior is prohibited on school property, on school buses, and at all school-sponsored events.

You should report acts of bullying, discrimination, harassment and other inappropriate actions that harm others to your Dignity Act Coordinator. Contact information for your Dignity Act Coordinators are:

Elementary School: Mr. Edward Waskiewicz, Principal
315-557-2256
Middle School: Dr. Shaun Carney, Principal

Use of Pesticides

The District recognizes that pests can pose a significant risk to health and property, and that significant risks exist in using chemical pesticides in the school environment. In accordance with CCS Policy 8115, pesticides will not be used on District playgrounds, turf, athletic or playing fields unless an emergency occurs, which will be handled in accordance with applicable law and regulation.

In the event that this becomes necessary, all District staff and parent guardians will be notified.

Asbestos Hazard Emergency Response Act

In accordance with the Asbestos Hazard Emergency Act of 1987 (AHERA), and CCS Policy #7100, a copy of building inspection reports are available for review by appointment. CCS Policy #7365 ensures that all areas disturbed through renovation or demolition are tested for lead and asbestos.

Please contact Mr. Glenn Kulinski at 557-2390 with any questions.

Access to Teacher's APPR Scores

Regulation 9420-R.1 of the District Policy Manual explains procedures enabling for parents to request information regarding the APPR scores for their child's teacher using Exhibits 9420-E.1 and 9420-E.2.

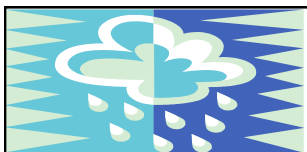

The District Policy Manual can be found on the website, www.ccs.edu, under the District tab, then under Board of Education.

No person in the Clinton Central School District will be unlawfully excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity, on the basis of a disability or any other status protected by law. The Clinton Central School District's Section 504 Coordinator is the Chairperson of the Committee on Special Education, available at 557-2229 for any complaints or questions involving this policy.

SNOW DAYS OR EMERGENCIES

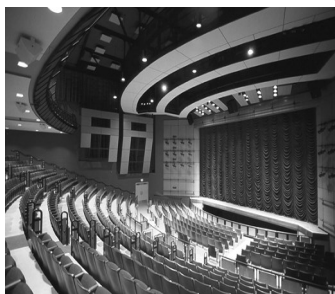

The decision to close schools because of adverse weather conditions is not made lightly or easily. The road conditions in the district are reviewed personally by district and town staff. The final decision is made by the Superintendent after consulting with those who have checked the conditions.

A call and/or text will go out to the phone number provided to the building offices alerting parents of closings or delays. The news media are informed and information is **posted on the website** at **www.ccs.edu**.

Some of the projects that were funded include the athletic fields, renovations to the theater, fitness center and playground equipment, computers, musical instruments, and media equipment. This year, with added support from the Hamilton College Town-Gown Fund, the Foundation provided funding for the Rise and Shine Summer Program for students in grades K-6. A complete list of the Foundation's donations can be found on the website: <https://www.ccs.edu/Page/1913>.

The Foundation has also distributed over \$750,000 additional funds for scholarships due to the generosity of the Kilby Family and other community members. Annual fundraising programs include a July golf tournament and a giving appeal in the fall that reaches over 6800 alumni, parents, district associates and friends. The CCSDF also sponsors the Hall of Distinction, which honors inductees with a ceremony and a plaque that hangs in the Performing Arts Center, and the Memorial Brick Garden which is located on the school campus.
