## 2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

Southgate Elementary School serves about 626 students in 28 classrooms and is located in a highly diverse, working-class suburban neighborhood in Hayward, California. Many of our students are immigrants or the children of immigrants in a mid-sized American city that is nestled between the San Francisco Bay and the East Bay hills. At least fifteen languages are spoken by our families with many of our most recent immigrants coming from Latin America and the Middle East. Our largest ethnic groups are Hispanic (45%), Asian (17%), and Filipino (12%) and nearly one-quarter of our students are English Learners. About half of Southgate students are eligible for free/reduced-priced meals and close to 15% of our students have Individualized Education Programs (IEP). This highly dynamic student population may change from year to year, but one singular aspect remains constant – Southgate Elementary supports a highly-rigorous educational program that produces great results.

The climate of our school is one of respect and safety. The diversity of our population is a valuable asset to our school. We will promote the acceptance of all people regardless of their actual or perceived race, color, religion, ancestry, national origin, disability, gender or sexual orientation. Our goal is to help guide students and parents through these exciting and challenging years. Elementary school is a special time when students learn more about themselves, their relationships with others, and ways to deal with their feelings and emotions.

### MISSION STATEMENT

"In a caring culture of success the Southgate community motivates, inspires, develops skills, and builds confidence to awaken the highest potential in every member."

Southgate Elementary School has a philosophy and program purposefully designed to meet the needs of students transitioning into adolescence. We believe that all students should be exposed to comprehensive academic curriculum, guided by state and district standards. All students participate in a rigorous academic program which maintains, reinforces and expands academic skills so all students can become productive, responsible, and compassionate citizens in our ever-changing community.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Southgate Elementary School greatly benefits from its supportive parents who participate on the School Site Council (SSC), Parent Teacher Association (PTA), African American Student Achievement Initiative (AASAI) and the English Language Advisory Committee (ELAC).

There are several ways Southgate involves and communicates with its parent community: Along with the items listed below, Southgate has a fulltime Family Engagement Specialist who works closely with families and supports family in a variety of ways as well as holding and participating in educational events designed for families.

- \* Continual updates of school website
- \* Provide Parent Newsletters monthly
- \* Promote Parent Meetings (SSC, PTA, SBDM, ELAC, AASAI)
- \* Provide workshops and training opportunities during Parent Meetings
- \* Provide Parent Workshops (Learning Strategies, Parenting Classes, Community Resources, etc.)
- \* Provide weekly messaging to parents regarding upcoming events
- \* Partner with local agencies like the Hayward Adult School, Eden Area ROP, UC Berkeley, and Hayward Public Library for family resources

### C. Engagement

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

| Subject     | School 2019-20 | District 2019-20 | State 2019-20 |
|-------------|----------------|------------------|---------------|
| Suspensions | 0.29           | 3.48             | 2.45          |
| Expulsions  | 0.00           | 0.05             | 0.05          |

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## 2022-23 School Safety Plan

At the time of the latest review of the School Site Safety Plan, all revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, earthquake, and lockdown drills are conducted on a regular basis throughout the school year.

Students are supervised throughout the day by teachers, administrators, and yard duty supervisors. There is a designated area for student drop off and pick up. Visitors need to check in the front office and receive a badge.

Students at Southgate Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. Our character education program (Heart, Head, and Hands) helps students develop appropriate social behaviors. Teachers are firm in class but strive to create warm and compassionate learning environments.

Parents and students are informed of school rules and discipline policies through the Student Handbook which is sent out at the beginning of the year. The discipline policy is available on the district and school website for students and families.

Southgate Elementary School is comprised of 28 classrooms, a multipurpose room/cafeteria, a library, staff lounge, and two playgrounds.

Safety of students and staff is a primary concern of Southgate Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated annually in the fall. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year.

### Cleaning Process

The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Our school has an active School Safety Committee that includes administrators, teachers, maintenance, school supervisors, and other staff members. The committee works together in forming and revising the school safety plan as well as responding to day-to-day safety issues. At the time of the latest review of the School Site Safety Plan, all revisions were communicated to both the classified and certificated staff. The School Safety Committee meets monthly to discuss safety practices and drill reports.

## 2021-22 Types of Services Funded

The Local Control Formula Funds are used to ensure all students graduate college and/or career ready. Our district ensures that all students have access to and success in a broad curriculum. In addition, that students master Common Core State Standards. We do this by expanding College and Career support programs, expanding Career Pathways as well as implementing reading intervention systems. In addition, we have updated and expanded the district's technological infrastructure and obtained more computer software and personnel to maintain it. Southgate uses LCFF funding to meet the needs of our diverse learning community by allocating funding for: Onsite Intervention Teacher for ELA and Math, on site counselor, Upgraded Technolgy, Socio Emotional Learning supports, Anti-Racist/Anit-Bias education and professional development, and additional learomg materials and supplies for classrooms.

The intervetnion teachers at Southgate are used as Tier 2 and Tier 3 academic supports. Students that are recieveing samll group support form our intervention teachers will typically meet for 6-8 weeks in small groups for targeted instruction. we also offer Tier 2 and Tler 3 socio-emotional support with our on-site counselor. The Southgate counselor offers targeted students individual or small group check-in as well as classroom lesons centered around socio-emotional learing and strategies to support students with social-emtional behaviors.

## Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district typically offers three staff development days throughout the year. In addition to three full days, Hayward Unified School District is also coordinating minimum days to provide ongoing support to build stronger equity practices. Southgate's professional development focus has been centered on Culturally Responsive Teaching and Deeper Learning. We utilize these opportunities to build stronger practices in building curiosity, increasing student-to-student dialogue, refining teacher-student dialogue, and addressing common misconceptions.

Recent initiatives include professional development focused on technology competency, relationship-building, and Anti-Racist/Anti-Bias .education.

The district has a continued focus on Deeper Learning and ensuring equitable supports for all students. As a district we are also continuing our work as we strive to strengthen our culturally and linguistically responsive practices for students and families.

Southgate staff is focusing on learning how to Disrupt and Dismantle the White Supremacy Culture that is found within our school setting and curriculum.

This table displays the number of school days dedicated to staff development and continuous improvement.
