2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

TYRRELL VISION

Tyrrell students will be prepared, challenged, and motivated in a 21st Century learning environment that produces life-long learners who are college bound and career ready.

TYRRELL MISSION STATEMENT

Tyrrell is a learning community that develops, prepares, and inspires the whole child to become a lifelong learner, who realizes his/her potential as a socially responsible citizen.

The Tyrrell staff is dedicated and committed to HUSD's vision that students will be prepared, challenged, and motivated in a 21st Century learning environment that develops the physical, intellectual and emotional success of all learners. At Tyrrell Elementary School, we place priority on student safety and student achievement. Our school is a learning community that develops and prepares the whole child to become a lifelong learner, who realizes his/her potential as a socially responsible citizen. To increase student achievement, we place a consistent focus on student engagement, best instructional practices, and transparency of the Common Core standards. Our staff works collaboratively to address the needs of all members of the Tyrrell community.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	27	N/A	36	N/A	47
Mathematics (grades 3-8 and 11)	N/A	15	N/A	19	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Tyrrell Elementary School benefits from its supportive parents who participate on the School Site Council (SSC), English Language Advisory Committee (ELAC), the African American Student Achievement Initiative (AASAI), the Principal's Coffee, and the Parent Teacher Committee (PTC). We also have two (2) Parent Ambassadors that serve to lead Tyrrell parents in partnership with our school. There is a parent center on campus that conducts informational meetings and parent education workshops. The Parent Center is maintained by Tyrrell's Family Engagement Specialist (FES). Parents may contact the parent center to learn more about nutrition, fitness and receive additional resources to support families. We appreciate the opportunity to partner with Tyrrell parents in the education of our students.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Suspensions	1.58	3.48	2.45
Expulsions	0.00	0.05	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

Our school has an active School Safety Committee that includes the principal and teachers. The committee works together in forming and revising the school safety plan as well as responding to day-to-day safety issues. At the time of the latest review of the School Site Safety Plan, all revisions were communicated to both the classified and certificated staff. During the 2021-22 school year, this included all of the necessary safety, health and sanitizing protocols to ensure that staff and visitors to campus remain as safe as possible during the COVID-19 Shelter in Place status of our school.

At the time of the latest review of the School Site Safety Plan, in December of 2021, all revisions were communicated to the school staff through the Site Based Decision Making (SBDM) team and the School Site Council. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, earthquake, shelter-in-place, and lockout and lockdown drills are conducted on a regular basis throughout the school year.

Tyrrell maintains a site safety team, made up of teachers and the principal.

The site safety team meets monthly to review and plan for ongoing safety needs. In addition, the principal serves as a co-chair on the District Safety Committee, while one of our safety team teachers serves as a liaison to the District Safety Committee.

Tyrrell Elementary School is comprised of 26 classrooms, a multipurpose room/cafeteria, library, staff lounge, a computer lab, parent center, music room, and a large playground. The entire school was previously rebuilt and/or remodeled through Measure I. The project included brand new classrooms complete with SmartBoards, document cameras, and laptop stations. In addition, a new library, computer lab, and multipurpose room was added to the campus. A new field complete with artificial turf to house soccer and softball was added prior to the 2011-2012 school year. At the conclusion of the construction, new landscaping and parking was added to the renovation. Final completion was achieved in June, 2013.

Safety of students and staff is a priority at Tyrrell Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed by the Site Safety Team in December of 2021, and is updated annually. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, earthquake, shelter-in-place, and lockout/lockdown drills are conducted on a regular basis throughout the school year.

Students are supervised throughout the day by teachers, administrators, and yard duty supervisors. There is a designated area for student drop off and pick up. Visitors are required to check in the front office and wear a visitor's badge to participate in workshops, visit classrooms to volunteer support and/or attend parent trainings/meetings. During the 2020-2021 and 2021-2022 school years, the volunteer program was suspended due to COVID 19.

Safety is a high priority because it is necessary to ensure a successful and healthy educational environment. Students are supervised throughout the day by teachers, administrators, and other campus supervisors during in-person learning.

Emergency drills are conducted on a regular basis throughout the school year so that all staff and students are familiar with what steps to take in an event of an emergency. The school is using an online application called Share911 to communicate with staff during emergencies, in addition to our traditional communication tools (loud speaker, bells, and fire alarm). This online safety app is also used to coordinate safety/disaster drills.

2021-22 Types of Services Funded

During the 2021 - 2022 school year, students in grades K - 6 received instruction in-person. Instruction is provided by way of print materials that incorporate assignments that are the subject of written and oral feedback from highly qualified teachers who possess either a CLAD, or BCLAD certificate. The school site provides every student with a chromebook to facilitate access to online learning and intervention programs. Students who exhibit academic or emotional challenges, and/or have special accommodations in place that need to be met receive additional services as indicated in Individual Education Programs (IEP's) and/or 504 plans. Various staff, that include specialists in the areas of speech, behavior, counseling, resource, bilingual professionals, and English language development, as well as assistance from the HUSD Teacher on Special Assignment (TOSA), Coordination of Services Team (COST), and Family Engagement Specialist (FES) are available to offer additional support .

Daily instruction includes instruction aligned with the Common Core Standards and adopted curriculum in HUSD. The staff communicates learning objectives and expectations, utilizes strategies to engage students and promote curiosity, models culturally responsive teaching, and utilizes the Gradual Release of Responsibility to check for understanding. Students requiring additional support receive small group intervention during the school day and/or before/after school as needed, taught by classroom teachers and paraprofessionals. All students receive targeted instruction either in English Language Development (ELD) or Academic Language Development (ALD). In addition, an intentional focus is placed on newcomer students during daily small group intervention with our English Language Specialist and Bilingual paraprofessional.

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district schedules three staff development days per school year, and our site schedules minimum days to allow for additional professional growth opportunities. Our academic professional growth topics included English Language Development (ELD), Mathematics, and Science. Additionally, we offer staff learning opportunities to support the implementation of Anti-Bias, Anti-Racist (ABAR) policies, Student Academic Engagement, and implementation of the Literacy Universal Screener.

Teachers are supported through regular classroom visits and ongoing feedback. In addition, grade level teams participate in weekly collaboration meetings. During this time, data analysis of student achievement, instructional planning, and review of best instructional strategies takes place.

Professional development is delivered by the principal, vice principal, English Learner Specialist, and the Instructional Leadership Team (ILT).

This table displays the number of school days dedicated to staff development and continuous improvement.
