RE: Educational Facilities Master Plan (2023)

Dear Ms. Howe,

As previously indicated, my office has completed its review of the Educational Facilities Master Plan (2023) approved by the St. Mary's County Board of Education on June 7, 2023.

Please accept this correspondence as written confirmation that the Educational Facilities Master Plan (2023) conforms to the St. Mary's County Comprehensive Plan and the growth management strategies contained therein, as required by COMAR 14.39.02.02.A(2).

As requested in your letter, our offices will coordinate the Planning Commission's annual review of the Educational Facilities Master Plan. At present, the Planning Commission is scheduled to conduct meetings on July 10 (already full agenda), July 24, August 14, and August 28. A member of my staff will reach out to follow-up with you as to a preferred meeting date.

In the meantime, please do not hesitate to reach out to me with any questions or concerns you might have.

Sincerely,

Jessica S.B. Andritz, Esq.
Director
