#### Eligibility Codes

Description: Eligible means a student that has been identified as a student with a disability as defined in IDEA. All eligible students must fall in one of these three categories.

- Codes:
- 1 = Eligible student with a disability served in a public school or placed in a nonpublic school by the public agency to receive FAPE.
  - 2 = Eligible parentally placed private school student with a disability receiving special education and/or related service through a service plan from the public agency.
  - 3 = Eligible parentally placed private school student with a disability NOT receiving service from the public agency.
  - 4 = Eligible public school student with a disability not receiving services due to parent refusal to initiate special education and related services.
  - 5 = Student is found not eligible for Part B services.
  - 6 = Student is eligible for Part B but receives services through an extended IFSP.
