## SUPERINTENDENT'S REPORT

Mr. Bruchhaus gave the following report:

1. All Board Members have received the June, 2019, Head Start Report.

2019-2020 Head Start applications were accepted in the Early Childhood Department.  
270 Head Start students have been approved for the 2019-2020 school year.

Policy Council meeting was held on June 24, 2019. The following items were approved:

- ✓ May's Policy Council Minutes
- ✓ May's Director's Report
- ✓ May's Financial Report
- ✓ 2019 Staffing

Head Start students will report to school on August 15, 2019.

2. I would like to report our current sales tax numbers for our general fund which show June, 2019, collections at \$1,550,910 or 12.8% above budget for the 12th month of the 2018-2019 school year.

Collections are \$501,864 or 3.6% below collections for the same month last year.

Collections for the 2018-2019 year after 12 months are \$19,153,896 or 12.3% over budget and \$25,717,369 or 12.8% under the same time period last year.

3. Early in the school year, we plan to survey all teachers with two questions:

- What one task could be reasonably removed from the things you do without a negative impact on the job you do for your students?

# July 9, 2019

- What one thing could the school district reasonably provide for you that would make the job you do for students more simple?

4. The Calcasieu Parish School Board R3 Zone in coordination with many of our partners and sponsors will host the first “Back to School Bash” on Saturday, July 20 from 10 a.m. to 2 p.m. at the Lake Charles Civic Center. The event will feature musical presentations from our schools and local performers. Several hours of positive motivation will provide the opportunity for our zone schools to start the school year with high expectations and super attitudes. While Federal Programs are certainly partnering on the project from a parenting perspective, they are not providing funding for the event.

5. We have received our raw LEAP test scores for ELA, Math and Social Studies. The official release from LDOE will be July 11th. We are still waiting on growth and VAM data along with Science results. Preliminary results for our students are very promising.

## B. Adoption of 2019-2020 Budgets

This item is available for viewing at 3310 Broad Street and as a portion of these Minutes posted on the CPSB web site.

Mr. Bruchhaus read the following: This is the year of our anticipated MFP reduction that we have been talking about since our sales tax revenues increased from our industrial expansion projects. We strive to maintain our great programs in our schools while running an operating deficit for 2019-2020. While certainly a deficit is not our norm and something we are comfortable with, the goal is to take steps to mediate the situation by:

- Holding firm on our current employees counts and eliminating positions where possible over the 2019-2020 school year
- Assessing monthly sales tax collections for several months in the new year before spending budget dollars on one-time expenditures and major purchases
- Continue to maximize grant funding and opportunities
- Continue to search out methods of accomplishing tasks using technology and more efficient practices

(C) *Partial Redemption.* In the event a Bond to be redeemed is of a denomination larger than Five Thousand Dollars (\$5,000), a portion of such Bond (\$5,000 or any multiple thereof) may

be redeemed. If less than all of the Bonds of a particular maturity are called for redemption, the Bonds within such maturity to be redeemed will be selected by DTC or any successor security depository pursuant to its rules or procedures or, if the book entry system is discontinued, will be selected by the Paying Agent by lot in such manner as the Paying Agent in its discretion may determine. Any Bond which is to be redeemed only in part shall be surrendered at the principal corporate office of the Paying Agent; and there shall be delivered to the Owner of such Bond a new Bond or Bonds of the same maturity and of any authorized denomination or denominations as requested by such Owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

The Bonds may be transferred, registered and assigned, at the expense of the Issuer, only upon the Bond Register upon surrender thereof at the principal office of the Paying Agent and by execution of the assignment form on the Bonds or by other instrument of transfer and assignment in such form as shall be satisfactory to the Paying Agent. A new Bond or Bonds will be delivered by the Paying Agent to the last assignee (the new registered owner) in exchange for such transferred and assigned Bonds within three (3) business days after receipt of the Bonds to be transferred in proper form. Neither the Issuer nor the Paying Agent will be required to issue, register the transfer of or exchange any Bond during a period beginning (i) at the

opening of business on the Record Date, or (ii) with respect to any Bond called for redemption prior to maturity during a period beginning at the opening of business fifteen (15) days before the date of mailing of a notice of redemption of such Bond and ending on the date of such redemption. The execution by the Issuer of any fully registered Bond shall constitute full and due authorization of such Bond and the Paying Agent shall thereby be authorized to authenticate, date and deliver such Bond; provided, however, that the principal amount of outstanding Bonds of each maturity authenticated by the Paying Agent shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements, subject to the provisions of Section 19 hereof. **SECTION 9.** DTC Book-Entry Only System. The description that follows of the procedures and record keeping with respect to beneficial ownership interests in the Series 2019 Bonds, payments of principal of and premium, if any, and interest on the Bonds to DTC (as defined below), its nominee, Direct and Indirect Participants (as defined below) or Beneficial Owners (as defined below), confirmation and transfer of beneficial ownership interests in the Bonds and other bond-related transactions by and between DTC, Direct and Indirect Participants and Beneficial Owners is based solely on information furnished by DTC. **Neither the Issuer, the Paying Agent nor the Underwriter assume any responsibility for the accuracy or adequacy of the information included in such description.**

The Depository Trust Company (“*DTC*”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (*DTC*’s

partnership nominee) or such other name as maybe requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Series 2019 Bonds, as set forth on the inside front cover of this Official Statement, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("**Direct Participants**") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("**DTCC**"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**"). DTC has a S&P Global Ratings' rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2019 Bond ("**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on

behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Bond Trustee and request that copies of notices be provided directly to them. Redemption notices shall be sent to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in the Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal, interest, and redemption prices on the Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Issuer or the Bond Trustee, on a payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participants and not of DTC, its nominee, the Bond Trustee or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, premium and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Bond Trustee. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates related to the Issuer's Bonds will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC, and the Issuer takes no responsibility for the accuracy thereof.

THE ISSUER, THE UNDERWRITER AND THE PAYING AGENT CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (A) PAYMENTS OF PRINCIPAL OF OR INTEREST AND PREMIUM, IF ANY, ON THE BONDS, (B) ANY DOCUMENT REPRESENTING OR CONFIRMING BENEFICIAL OWNERSHIP INTERESTS IN BONDS, OR (C) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNER OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT

PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT “RULES” APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT “PROCEDURES” OF DTC TO BE FOLLOWED IN DEALING WITH THE PARTICIPANTS ARE ON FILE WITH DTC.

**SECTION 10. Pledge of Full Faith and Credit; Tax Levy.** The Bonds shall constitute general obligations of the Issuer, and the full faith and credit of the Issuer is hereby pledged to the punctual payment of the Bonds in accordance with the authority of the Act. The Issuer obligates itself and is bound under the terms and provisions of law and the election authorizing the Bonds to impose and collect annually in excess of all other taxes an ad valorem tax on all property subject to taxation within the territorial limits of the Issuer sufficient to pay principal of and interest on the Bonds falling due in each year, said tax to be levied and collected by the same officers, in the same manner and at the same time as other taxes are levied and collected within the territorial limits of the Issuer. The proceeds of such tax shall be devoted and applied to the payment of said interest and principal as such shall become due, and without further action on the part of the Governing Authority, the proper officer or officers are hereby authorized and directed, for the year 2019 and each year thereafter, to include in the annual levy of taxes upon, and to extend upon the assessment rolls against, all taxable property situated within the territorial limits of the Issuer, a sum sufficient to pay the principal of, premium, if any, and interest on the Bonds becoming due the ensuing year. The Issuer shall deposit the avails of said tax in the “Debt Service Fund” herein provided for. Principal or interest falling due at any time when the proceeds of said tax levy may not be available shall be paid from other funds of the Governing Authority, and such funds shall be reimbursed from the proceeds of said taxes when said taxes shall have been collected. The Issuer covenants and agrees with the Purchaser and the Owner of the Bonds that so long as any of the Bonds remain outstanding, the Issuer will take no action or fail to take any action which in any way would adversely affect the ability of the Issuer to levy and collect the foregoing tax levy, and the Issuer and its officers will comply with all present and future applicable laws in order to assure that the foregoing taxes will be levied, extended and collected as provided herein and deposited in the Debt Service Fund established in Section 11 to pay the principal of and interest on the Bonds.

**SECTION 11. Debt Service Fund.** For the payment of the principal of and the interest on the Bonds, the Issuer will establish a special fund, to be held by the regularly designated fiscal agent of the Issuer (the “Debt Service Fund”), into which the Issuer will deposit the proceeds of the aforesaid special tax and accrued interest on the Bonds. The depository for the Debt Service Fund shall transfer from the Debt Service Fund to the Paying Agent at least three (3) business days in advance of

each Interest Payment Date, funds fully sufficient to pay promptly the principal and interest falling due on such date.

All moneys deposited with the regularly designated fiscal agent bank or banks of the Issuer or the Paying Agent under the terms of this Resolution shall constitute secured funds for the benefit of the Owners of the Bonds, and shall be secured by said fiduciaries at all times to the full extent thereof in the manner required by law for the securing of deposits of public funds.

At the written request of the Issuer, all or any part of the moneys in the Debt Service Fund shall be invested in accordance with the provisions of the laws of the State of Louisiana, in which event all income derived from such investments shall be added only to the Debt Service Fund.

Immediately upon issuance of the Bonds, moneys paid to the Issuer by the Purchaser as accrued interest, if any, shall be deposited by the Issuer into the Debt Service Fund and utilized to pay interest on the Bonds on the Interest Payment Date next due.

**SECTION 12.** Application of Proceeds; 2019 Project Fund. The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Resolution. The proceeds derived from the sale of the Bonds, shall be deposited into a fund separate and apart from the general funds of the Governing Authority, namely, the “School District No. 23 Project Fund” (the “2019 Project Fund”) hereby created, and disbursements shall be made from the 2019 Project Fund solely and only for the purposes for which the Bonds are being issued and for which the principal proceeds are hereby appropriated.

Earnings, if any, upon the invested proceeds of the Bonds within the 2019 Project Fund shall be maintained within the 2019 Project Fund and utilized solely and only for (i) the purposes for which the Bonds are being issued and/or (ii) payment of any required rebate of excess arbitrage profits to the United States Treasury.

**SECTION 13.** Bonds Legal Obligations. The Bonds shall constitute legal, binding and valid obligations of the Issuer, and shall be the only representations of the indebtedness as herein authorized and created.

**SECTION 14. Resolution a Contract.** The provisions of this Resolution and the Bonds shall constitute a contract between the Issuer, or its successor, and the Owner or Owners from time to time of the Bonds and any such Owner or Owners may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority or the Issuer as a result of issuing the Bonds.

No material modification or amendment of this Resolution, or of any resolution amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity or redemption provisions of the Bonds, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and the interest on the Bonds as the same shall come due from the taxes pledged and dedicated to the payment thereof by this Resolution or reduce the percentage of the Owners required to consent to any material modification or amendment of this Resolution, without the consent of all of the Owners of the Bonds then outstanding.

**SECTION 15. Recital of Regularity.** This Governing Authority having investigated the regularity of the proceedings had in connection with issuance of the Bonds herein authorized and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

“It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana.”

**SECTION 16. Effect of Registration.** The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal (and redemption price) of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

**SECTION 17. Notices to Owners.** Wherever this Resolution provides for notice to Owners of Bonds of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond Register. In any case where notice to Owners of Bonds

is given by mail, neither the failure to mail such notice to any particular Owner of Bonds, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Resolution provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

**SECTION 18. Cancellation of Bonds.** All Bonds surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly cancelled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already cancelled, shall be promptly cancelled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent. All cancelled Bonds held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

**SECTION 19. Mutilated, Destroyed, Lost or Stolen Bonds.** If (1) any mutilated Bond is surrendered to the Paying Agent, or the Issuer and the Paying Agent receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (2) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the Issuer shall, under the authority of Subpart A, Part II of Chapter 4 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, execute, and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Bond, pay such Bond. Upon issuance of any new Bond under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Bond shall be at any time enforceable by anyone and shall be entitled

to all the benefits of this Resolution equally and ratably with all other outstanding Bonds. Any additional procedures set forth in this Resolution, shall also be available with respect to mutilated, destroyed, lost or stolen Bonds. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

**SECTION 20.** Discharge of Resolution; Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal of and interest on the Bonds, at the times and in the manner stipulated in this Resolution, then the pledge of the money, securities, and funds pledged under this Resolution and all covenants, agreements, and other obligations of the Issuer to the Owners of the Bonds shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Resolution to the Issuer.

Principal or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section. Bonds shall be deemed to have been paid, prior to their maturity, within the meaning and with the effect expressed above in this Section if they have been defeased pursuant to Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, or any successor provisions thereto.

**SECTION 21.** Paying Agent; Paying Agent Agreement. The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Bonds. The designation of the initial Paying Agent in this Resolution is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a resolution or Resolution giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Every Paying Agent appointed hereunder shall at all times be a bank organized and doing business under the laws of the United States of America or of any state, authorized under such laws to serve as Paying Agent, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of such officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder. The Paying Agent is specially authorized to pay costs of issuance of the

Bonds from proceeds of the Bonds deposited with the Paying Agent upon delivery and closing of sale of the Bonds.

**SECTION 22.** Non-Arbitrage Representations, Warranties and Covenants. The Governing Authority of the Issuer certifies and covenants that so long as the Bonds remain outstanding, moneys on deposit in any fund in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, will not be used in a manner which will cause such Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code or ruling or regulations promulgated thereunder.

The Governing Authority hereby authorizes the Executive Officers of the Issuer to be responsible for issuing the Bonds to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be excludable from gross income for purposes of federal income taxation. In connection therewith, the Issuer and the Governing Authority further agree:

(a) through the Executive Officers to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by the Executive Officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Issuer in such compliance.

**SECTION 23.** Printing and Delivery of Bonds. The Executive Officers of the Issuer are hereby empowered, authorized and directed to cause the necessary Bonds to be printed or lithographed, and they are hereby further empowered, authorized and directed to sign, execute and seal all of the Bonds as herein provided, all in accordance with the provisions of law and this Resolution.

**SECTION 24.** Preliminary Official Statement. The dissemination and distribution of and the disclosure material in the Preliminary Official Statement and the Official Statement by the Underwriter in connection with the sale of the Bonds are hereby ratified and confirmed in all respects by this Governing Authority, and the Issuer and the Governing Authority hereby certify that such disclosure

material is deemed final by the Issuer and Governing Authority as of its date for purposes of Rule 15c2-12 of the Securities Exchange Act of 1934. The Issuer further authorizes, directs, and ratifies the execution by the Executive Officers and delivery of such final Official Statement to the Underwriter.

**SECTION 25.** Execution of Documents. The Executive Officers of the Issuer are hereby authorized and directed to accept, receive, execute, seal, attest and deliver the Preliminary Official Statement, the Official Statement, the Tax Certificate, the Agreement, the Continuing Disclosure Certificate, the Bond Purchase Agreement, by and between the Issuer and the Underwriter, and any and all such documents, certificates, and other instruments as are required in connection with the authorization, issuance, and delivery of the Bonds, in such forms as are acceptable to Bond Counsel, or to take such further action as may be appropriate or required by law in connection with the authorization, issuance, and delivery of the Bonds. The acceptance, receipt, execution, seal, attestation, and deliverance of the Bond Purchase Agreement by the Executive Officers of the Issuer is hereby ratified in all respects.

**SECTION 26.** Savings Clause. In case any one or more of the provisions of this Resolution or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Resolution or of the Bonds, but the Resolution and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provision enacted after the date or dates of this Resolution and of the Bonds which validates or makes legal any provision of this Resolution or the Bonds which would not otherwise be valid or legal, shall be decreed to apply to this Resolution and to the Bonds.

**SECTION 27.** Reserved.

**SECTION 28.** Additional Parity Bonds. The Issuer hereby expressly reserves the right to issue from time to time additional bonds payable from and secured by ad valorem taxation on a parity with the Bonds.

**SECTION 29.** Continuing Disclosure Certificate. The Issuer has authorized the execution and delivery of a Continuing Disclosure Certificate pursuant to Section (d)(2) of the Securities and Exchange Commission Rule 15c2-12 (the “Continuing Disclosure Certificate”). The Continuing Disclosure Certificate executed and delivered by the Chief Financial Officer of the Governing Authority

as heretofore authorized by resolution providing for the sale and delivery of the Bonds to the Purchaser is ratified, approved and confirmed. The Issuer, acting through the Governing Authority, hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Resolution, failure of the Issuer or the Governing Authority to comply with the Continuing Disclosure Certificate shall not be considered a default hereunder. However, any Participating Underwriter, as defined in the Continuing Disclosure Certificate, or any Bond Owner may take such actions under Louisiana law as may be necessary and appropriate, including seeking a mandatory injunction, writ of mandamus or other order or judgment for specific performance by court order to cause the Issuer and/or the Governing Authority to comply with its obligations under the Continuing Disclosure Certificate and this Section and the provisions of this Resolution heretofore adopted authorizing the Continuing Disclosure Certificate.

**SECTION 30. Further Acts.** All acts and doings of the Executive Officers of the Issuer which are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved and confirmed.

**SECTION 31. Application of Bond Proceeds.** In accordance with and pursuant to the provisions of Subpart A of Part II of Chapter 4 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, the Governing Authority of the Issuer is hereby confirmed as administrator of the funds of the Issuer, and is further charged with the responsibilities of investing the proceeds of the Bonds in accordance with the terms of this Resolution and the Letter of Investment Instructions which is annexed hereto as **Exhibit A**. The Superintendent of Public Schools for the Parish of Calcasieu, Louisiana, and Ex-officio Secretary of the Governing Authority shall signify his acceptance of the responsibilities set forth herein and within the Letter of Investment Instructions by his execution of the Letter of Investment Instructions.

**SECTION 32. Beneficiaries of the Resolution.** The provisions of this Resolution are for the sole benefit of the Owners of the Bonds and beneficial owners of the Bonds, and nothing contained herein, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Resolution, and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer's financial results, condition, or prospects or hereby

undertake to update any information provided in accordance with this Resolution or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell the Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO OWNERS OF THE BONDS OR BENEFICIAL OWNERS OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS RESOLUTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the Issuer in observing or performing its obligations under Section 29 hereof shall constitute a breach of or default under this Resolution.

**SECTION 33. Provisions Applicable to the Bond Insurer.**

(1) Notice and Other Information to be Given to BAM. The Issuer will provide BAM with all notices and other information it is obligated to provide (i) under its Continuing Disclosure Agreement and (ii) to the holders of the Insured Obligations or the Paying Agent under the Security Documents.

The notice address of BAM is:

(2) Amendments, Supplements and Consents.

- (a) *Amendments.* Wherever any Security Document requires the consent of Bondholders, BAM's consent shall also be required. In addition, any amendment, supplement or modification to the Security Documents that adversely affect the rights or interests of BAM shall be subject to the prior written consent of BAM.
  
- (b) *Consent of BAM Upon Default.* Anything in any Security Document to the contrary notwithstanding, upon the occurrence and continuance of a default or an event of default, BAM shall be deemed to be the sole holder of the Bonds for all purposes and shall be entitled to control and direct the enforcement of all rights and remedies granted to the holders of the Bonds or the trustee, paying agent, registrar, or similar agent (the "Trustee") for the benefit of such holders under any Security Document. The Trustee may not waive any default or event of default or accelerate the Insured Obligations without BAM's written consent.

(3) BAM As Third Party Beneficiary. BAM is recognized as and shall be deemed to be a third party beneficiary of the Security Documents and may enforce any right, remedy or claim conferred, given or granted therein or thereunder.

(4) Policy Payments .

- (a) In the event that principal and/or interest due on the Bonds shall be paid by BAM pursuant to the Policy, the Bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run, to the benefit of BAM, and BAM shall be subrogated to the rights of such registered owners, including, without limitation, any rights that such registered owners may have in respect of securities law violations arising from the offer and sale of the Bonds.

- (b) Irrespective of whether any such assignment is executed and delivered, the Issuer and the Trustee shall agree for the benefit of BAM that:
- (i) They recognize that to the extent BAM makes payments directly or indirectly (e.g., by paying through the Paying Agent), on account of principal of or interest on the Bonds, BAM will be subrogated to the rights of such holders to receive the amount of such principal and interest from the Issuer, with interest thereon, as provided and solely from the sources stated in the Security Documents and the Bonds; and
  - (ii) They will accordingly pay to BAM the amount of such principal and interest, with interest thereon, but only from the sources and in the manner provided in the Security Documents and the Bonds for the payment of principal of and interest on the Bonds to holders, and will otherwise treat BAM as the owner of such rights to the amount of such principal and interest.
- (c) Special Provisions for Insurer Default: If an Insurer Default shall occur and be continuing, then, notwithstanding anything in paragraph B above to the contrary, (1) if at any time prior to or following an Insurer Default, BAM has made payment under the Policy, to the extent of such payment BAM shall be treated like any other holder of the Bonds for all purposes, including giving of consents, and (2) if BAM has not made any payment under the Policy, BAM shall have no further consent rights until the particular Insurer Default is no longer continuing or BAM makes a payment under the Policy, in which event, the foregoing clause (1) shall control. For purposes of this paragraph (3), “Insurer Default” means: (A) BAM has failed to make any payment under the Policy when due and owing in accordance with its terms; or (B) BAM shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or

similar law, (ii) consent to the institution of or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, or (vi) take action for the purpose of effecting any of the foregoing; or (C) any state or federal agency or instrumentality shall order the suspension of payments on the Policy or shall obtain an order or grant approval for the rehabilitation, liquidation, conservation or dissolution of BAM (including without limitation under the New York Insurance Law).

**SECTION 34.** Section Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

**SECTION 35.** Repealer. All resolutions or Resolutions or parts thereof in conflict herewith are, to the extent of such conflict, hereby repealed, and this Resolution shall be in effect from and after its passage.

**SECTION 36.** Effective Date of Resolution. This Resolution shall become effective immediately upon its adoption.

General Obligation Public School Improvement Bonds  
of School District No. 23 of Calcasieu Parish, Louisiana  
Series 2019

Gentlemen:

This letter sets forth instructions regarding investment and disposition of moneys deposited pursuant to the terms of a resolution by the Calcasieu Parish School Board dated August 13, 2019 (the "Bond Resolution") authorizing issuance by School District No. 23 of Calcasieu Parish, Louisiana (the "Issuer") of \$ \_\_\_\_\_ of its General Obligation Public School Improvement Bonds, Series 2019, dated September 12, 2019 (the "Bonds").

The purpose of these instructions is to assure that investment of moneys held in escrow and described herein will comply with Income Tax regulations (the "Arbitrage Regulations") promulgated and effective on February 1, 1993 under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). To the extent any moneys are subject to yield restrictions, you may invest only in obligations bearing a yield equal to or less than the yield on the Bonds or in obligations described in Section 103(a) of the Code. These instructions implement the Arbitrage Certificate executed by the Issuer on the date of issue of the Bonds.

1. Computation of Yield.

The term "yield" shall have the meaning set forth in Section 1.148-4(b) of the Arbitrage Regulations. The "yield" on a fixed yield issue is the discount rate that, when used in computing the present value as of the issue date of all the unconditionally payable payments of principal, interest, and fees for qualified guarantees on the issue and amounts reasonably expected to be paid as fees for qualified guarantees on the issue, produces an amount equal to the present value, using the same discount rate, of the aggregate issue price of bonds of the issue as of the issue date. Yield on a fixed yield issue is computed as of the issue date and is not affected by subsequent unexpected events, except to the extent provided in the Arbitrage Regulations.

The Arbitrage Regulations further provide that the yield on a fixed yield issue which is subject to optional early redemption must be determined by assuming the bonds will be redeemed on the

redemption date that would produce the lowest yield on the issue (“yield-to-call” rule), if any one of the following circumstances is present:

- a) the bonds are subject to optional redemption within 5 years of the issue date, but only if the yield on the issue computed by assuming all bonds in the issue are redeemed at maturity is more than one-eighth of one percentage point (.125%) higher than the yield on the issue computed by assuming all bonds of the issue are redeemed at the earliest redemption date;
- a) the issue price exceeds the stated redemption price at maturity by more than one-fourth of one percent (.25%) multiplied by the product of the stated redemption price at maturity and the number of complete years to the first optional redemption date for the bonds; or
- b) the bonds bear interest at increasing interest rates (“stepped coupons”).

Payment of the principal of and interest on the Bonds when due is insured by a financial guaranty insurance policy issued by \_\_\_\_\_, New York, New York, issued simultaneously with the delivery of the Bonds. The financial guaranty insurance premium is \$ \_\_\_\_\_.

In accordance with Treasury Regulation §1.148-4(b)(3), the yield of the issue to the earliest call date of March 1, 20\_\_\_\_, has been computed to be not less than \_\_\_\_\_%, taking into account the financial guaranty insurance premium.

2. Debt Service.

The Bond Resolution provides that principal of and interest on the Bonds will be paid with moneys derived from collection of ad valorem taxes levied for such purpose.

Any moneys derived from levy and collection of ad valorem taxes which are designated and used primarily to achieve a proper matching of revenues with principal and interest payments on the Bonds, and any amount received from investment of such moneys, will be depleted at least once each bond year, except for a reasonable carry-over amount not to exceed the greater of the earnings on such moneys for the immediately preceding bond year, or one-twelfth (1/12) of the principal and interest payments on the issue for the immediately preceding bond year. Such moneys may be invested without regard to yield limitation.

For purposes of these instructions, “bond year” shall mean each 1-year period beginning on September 2 of each calendar year and ending on September 1 in each year, except that the first bond year shall be the period beginning September 12, 2019, the date of issuance, and ending on September 1, 2020.

3. 2019 Project Fund.

The Bond Resolution establishes a 2019 Project Fund. For a temporary period until such time as the proceeds are used for the purpose for which the Bonds were issued, all or a portion of the amounts deposited in the 2019 Project Fund will be invested in nonpurpose investments which may produce a yield which is materially higher than the yield on the Bonds.

Moneys on deposit in the 2019 Project Fund, and investment earnings thereon, allocated to expenditures for capital projects, shall have a temporary period of 3 years from September 12, 2019, as set forth in Section 1.148-2(3) of the Arbitrage Regulations. Such moneys may be invested without regard to yield limitation.

4. Rebate Requirement.

Pursuant to Section 148(f)(4)(D)(vii) of the Code, and the Arbitrage Regulations, the Bonds are subject to rebate requirements of the Code.

5. Miscellaneous.

Proceeds of the Bonds representing accrued interest, if any, may be invested at a yield that exceeds the yield on the Bonds for a 31-day period beginning on September 12, 2019, and thereafter at a yield which does not exceed the yield on the Bonds or in tax-exempt investments which are not private activity bonds.

**Specific Innovation (Launch Mission):**

I would like to implement a project based learning (PBL) model in enrichment classes and vertically align selected projects to lessons studied in ELA, science, and social studies. We would start small by implementing in select classes where teachers chose to opt in. Two are excited and eager to get started.

**Rationale for Implementation:**

The way we are currently educating students is not preparing them to be 21<sup>st</sup> century citizens. Eric Sheninger (2019) posed the following question: *Are schools preparing learners for their future or for a world that no longer exist?* I believe we know the answer to this question because Calcasieu district level leaders are transitioning to creating a culture of creativity and innovation (Bring Your Own Device (BYOD) Initiative).

The students of today are growing up in a world that is far from the world we grew up in. Students today are growing up in a digital world and we are not preparing them for the technology rich world in which they live. I must say that at Molo we are technology rich, but implementation poor. Sound technology implementation to improve student achievement is more than students simply creating PowerPoints, using Promethean Boards as projection boards, or using word processing programs. *(There is actually a framework for implementing technology in a manner that is consistent with creating high levels of student thinking, but I don't want to give you too much info at once.)* Instead of rambling on with research, I am attaching two peer reviewed research pieces for you to read in order to gain insight on one of the theoretical frameworks of PBL.

**Current Restrictions (if any):**

1. We would need professional development in the area of project based learning, but we are willing to use Title I funds. We would like to seek PD from Buck Institute for Education- PBL Works. There is research from schools in Texas using PD from this group and they've had solid results.
2. Due to curriculum mandates in core subject areas, we would be restricted to using PBL in enrichment classes only, but the PBL topics could be extended to other content areas in various ways.

**Benefit to the Students:**

If we could get our classrooms to mirror real life, then we stand a chance of drastically reducing discipline numbers, decreasing student apathy (A major complaint of my teachers), positively impact teacher and student efficacy and increasing student achievement. In addition to this, we could increase parental involvement and collaboration with community members from local industry. I am including a few video links for you to watch in order to gain a better

understanding of what I am proposing. The PBL model has been shown to help students learn how to effectively collaborate with their peers and use technology for learning. It also develops student problem solving skills and promotes critical thinking (Sheninger, 2019). These two skills are critical components of Louisiana State Standards across many disciplines. I've met with two teachers and they are excited! See site links below and picture classes in Calcasieu evolving to this! The videos are short.

**DATE: August 13, 2019**

Many of you have been approached about the possible implementation of a program that makes financial records available for public viewing. The open checkbook format has been cited as an option to complete the task. It appears that several governmental entities around the state have started this process. Below are a few bullet points about the process that staff has obtained so far:

- There is no law requiring the implementation of the program.
- Lafayette Parish School Board is the only school system currently implementing, using a company called OpenGov. The Lafayette process required about 3 months of preparation to begin operation.
- Based on web research, there are many different approaches and formats that can be specified by each entity.
- OpenGov services for basic viewing appear to be about \$35,000 to \$45,000 per year.
- The data is not live, but is the result of a nightly transfer.
- The Calcasieu Parish School Board has been awarded Certificates of Excellence in Financial Reporting from the Government Finance Officers Association (GFOA) for 30 years and the Association of School Business Officials (ASBO) for 35 years.

Staff recommendation: Allow staff to gather additional information, feedback, and research on possible vendors, formats, costs, and implementation timelines for a report to the September 24, 2019, Budget/Financial Management Committee.

Iowa High School Gym Restroom Upgrades

Dear David,

The permit for this project was applied for on 3-1-19 and for some reason, we were not able to secure the permit until 4-19-19. This is a period of 7 weeks to get a permit which should have taken no longer than 2 weeks at most. With this in mind, we request an extension to the contract of 4 weeks (28 days)

If you have any questions, please feel free to contact me.

Sincerely,

John D. Myers
