TAKE APPROPRIATE ACTION

Mr. Duhon read the following items:

A. Approval of Resolution to Oppose State Centralized Collection of Local Sales Tax

A RESOLUTION In Regard To State Centralized Collection of Sales Tax

June 14, 2016

WHEREAS, the Constitution of the State of Louisiana grants local governments the right to levy and collect local sales and use taxes; and

WHEREAS, there are several constitutional amendments and bills introduced each Legislative Session that would transfer collection responsibility of local sales and use tax levies to the state Department of Revenue; and

WHEREAS, local taxing authorities possess the best knowledge and experience to properly collect its own taxes and have a proven record of proactive advancements in the areas of enforcement, audit coverage, dispute resolution, reporting technology and successful litigation; and

WHEREAS, the state of Louisiana's budget issues do not offer prospects for the Department of Revenue to have sufficient resources to provide the necessary taxpayer assistance, enforcement programs, and training of its employees on the specific application of local sales and use tax ordinances without significant cost contributions from local governments, thereby resulting in the direct and indirect loss of local tax receipts; and

WHEREAS, many local taxing authorities have issued bonded indebtedness guaranteed by the passage of locally adopted sales and use tax levies, collection of said levies the direct responsibility of local governments, and which transfer of that responsibility to a state agency may generate legal challenges and jeopardize future bond issuances; and

WHEREAS, the central local collector in each parish is directly responsible to the local taxing authorities and their elected officials for the performance of local tax administration, and the Secretary of Revenue being an appointee of the Governor of the State, uncertainty exists as to who in the Department of Revenue will be accountable to local taxing authorities for the performance of such critical local tax administration,

NOW, THEREFORE BE IT RESOLVED by the Calcasieu Parish School Board, as a local taxing authority and/or governing body, that each member of the legislative delegation for the parish of Calcasieu is urged to vigorously oppose any and all proposed legislation that transfers the administration and collection of local sales and use taxes to the Louisiana Department of Revenue; and

BE IT FURTHER RESOLVED that a copy of this resolution be sent forthwith to said legislators so that they will be made aware of our position on this matter.

ITEM 6. A

MINUTES A & P COMMITTEE MEETING JUNE 28, 2016

The Calcasieu Parish School Board A&P Committee met at 5:00 p.m., Tuesday, June 28, 2016 in the Board Room, 3310 Broad Street, Lake Charles, Louisiana. The prayer was led by Mr. Smith and the pledge was led by Ms. Ballard. A quorum was present.

Present Committee Members: Eric Tarver, Chair, Alvin Smith, Aaron Natali, Damon Hardesty, Annette Ballard, Glenda Gay, Chad Guidry, Wayne Williams, Ron Hayes, and Shannon LaFargue. Other Non-Committee members present were John Duhon and Mack Dellafosse.

Absent Committee Members: Fred Hardy, Chuck Hansen, and Dean Roberts.

Dr. LaFargue introduced the first item on the agenda, the Calcasieu Association of Principals (CAP) request for salary change, then turned the discussion over to Mr. Tarver. The CAP organization contacted board members and staff about a potential salary increase to make Calcasieu principal salaries comparable in State rankings to teachers and assistant principals which rank in the range of 10th-15th. An average increase of \$5,000, would move the Calcasieu principals to near the top 15 ranking in the state.

5:08 p.m. Chuck Hansen entered the meeting.

Those speaking on a blue card were: Max Caldarera, Jr., Principal of S.P. Arnett Middle School; Sandy Matthews, Principal of St. John Elementary; and Jason VanMeter, Principal of Westlake High School.

On motion by Mr. Dellafosse, seconded by Mr. Natali, it was recommended that Dr. LaFargue and a committee meet with staff and principals to discuss a potential increase in principal salary, how much it would be, and how many more days they would have to work. The motion passed.

Next, Mr. Bourne presented a request by the Director of the Sales Tax Office, Kimberly Tyree, for an additional Sales Tax Compliance Deputy. Currently the compliance division has two deputies to collect and audit delinquent taxpayer accounts which includes working after hours and weekends for events throughout the parish. Many new taxpayers have been added to the Calcasieu Parish Sales tax rolls and with this increase comes an increase in delinquent accounts. This is a revenue generating position.

On motion by Mr. Dellafosse, and seconded by Mr. Duhon, it was recommended and approved to add a position of Sales Tax Compliance Deputy.

The next item was a request to rename the Westlake Ram Stadium. Damon Hardesty, board member, requested that the Westlake Ram Stadium be renamed **Max Caldarera Memorial Stadium**. Coach Caldarera served the Calcasieu Parish School Board as a teacher and coach for 38 years, and was an active board member for 2 years.

On motion by Mr. Hardesty, and seconded by Mr. Hardy, and approved, it was recommended to rename the Westlake Ram Stadium the **Max Caldarera Memorial Stadium**.

Dr. LaFargue then presented the next item on the agenda, permission to advertise for uniform services for custodians and cafeteria workers. Many support personnel currently wear CPSB issued uniforms. Adding custodians and cafeteria workers allows the district to stress professionalism and instill pride in working for the school board. In addition, support personnel in uniforms will assist in minimizing the safety risks associated with overall campus safety. Quotes will be obtained to order t-shirts rather than uniform shirts for our bus drivers for overall comfort on the bus.

On motion by Mr. Hayes, and seconded by Mr. Natali, permission to advertise for uniform services for our custodians and cafeteria workers was approved.

Then, Dr. LaFargue discussed the developing and revising of the Standard Operating Procedure manuals for the Transportation Department and School Food Services. He stated that they hope to have them completed before the start of school. The Warehouse Director is also in the process of developing a Custodial Operating Procedure Manual. This was for informational purposes only and did not require a motion.

The last item, presented by Mr. Bourne, was the request for approval of the 2016-2017 Salary Schedules. Mr. Bourne went over each proposed change which were mostly verbiage and with few numerical changes. There was much discussion about changing the Nursing Coordinator position (10 month) to a Nursing Supervisor position (12 month).

A motion was made by Mr. Dellafosse, and seconded by Mr. Smith, to approve the 2016-2017 Salary Schedule.

Mr. Hansen amended the motion, seconded by Mr. Duhon, to leave the existing Nursing Coordinator schedule unchanged. The motion was voted on and passed.

Then, the original amended motion was voted on and passed unanimously.

There being no further business to discuss, on motion by Mr. Dellafosse and seconded Mr. Williams the committee adjourned the meeting at 6:16 p.m.

Secretary

Interest on the Bonds is payable by check mailed on or before the Interest Payment Date by the Paying Agent to the Owner (determined as of the Record Date) at the address of such Owner as it appears on the registration books of the Paying Agent maintained for such purpose. Except as otherwise provided in this Section, Bonds shall bear interest from the date thereof or from the most recent Interest Payment Date to which interest has been paid or duly provided for, as the case may be, provided, however, that if and to the extent that the District shall default in payment of interest on any Bonds due on any Interest Payment Date, then all such Bonds shall bear interest at their stated rate from the most recent Interest Payment Date to which interest has been paid on the Bonds, or if no interest has been paid on the Bonds, from their dated date. The person in whose name any Bond is registered at the close of business on the Record Date with respect to an Interest Payment Date shall in all cases be entitled to receive the interest payable on such Interest Payment Date (unless such Bond has been called for redemption on a redemption date which is prior to such Interest Payment Date) notwithstanding cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date.

ARTICLE III

GENERAL TERMS AND PROVISIONS OF THE BONDS

SECTION 3.1. Exchange of Bonds; Persons Treated as Owners. The District shall cause books for the registration and for the registration of transfer of the Bonds as provided in this Bond Resolution to be kept by the Paying Agent at its principal corporate trust office, and the Paying Agent is hereby constituted and appointed the registrar for the Bonds. At reasonable times and under reasonable regulations established by the Paying Agent said list may be inspected and copied by the District, BAM or by the Owners (or a designated representative thereof) of 15% of the outstanding principal amount of the Bonds. Upon the occurrence and continuance of an Event of Default, as defined in Section 9.1, which would require BAM to make payments under the Policy, BAM and its designated agent shall be provided with access to inspect and copy the registration books of the District for the Bonds.

Upon surrender for registration of transfer of any Bond, the Paying Agent shall register and deliver in the name of the transferee or transferees one or more new fully registered Bonds of authorized denomination of the same maturity and like aggregate principal amount. At the option of the Owner, Bonds may be exchanged for other Bonds of authorized denominations of the same maturity and like aggregate principal amount, upon surrender of the Bonds to be exchanged at the principal corporate trust office of the Paying Agent. Whenever any Bonds are so surrendered for exchange, the Paying Agent shall register and deliver in exchange therefor the Bond or Bonds which the Bondholder making the exchange shall be entitled to receive. All Bonds presented for registration of transfer or exchange shall be accompanied by a written instrument or instruments of transfer in form and with a guaranty of signature satisfactory to the Paying Agent, duly executed by the Owner or his attorney duly authorized in writing.

No service charge to the Owners shall be made by the Paying Agent for any exchange or registration of transfer of Bonds. The Paying Agent may require payment by the person requesting an exchange or registration of transfer of Bonds of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto. The District and the Paying Agent shall not be required (a) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business on the 1st calendar day of the month in which an Interest Payment is due, or any date of selection of Bonds to be redeemed and ending at the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given or (b) to register the transfer of or exchange any Bond so selected for redemption in whole or in part.

All Bonds delivered upon any registration of transfer or exchange of Bonds shall be valid obligations of the District, evidencing the same debt and entitled to the same benefits under this Bond Resolution as the Bonds surrendered. Prior to due presentment for registration of transfer of any Bond, the District, BAM and the Paying Agent, and any agent of the District, BAM or the Paying Agent may deem and treat the person in whose name any Bond is registered as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and

shall not be bound by any notice to the contrary.

SECTION 3.2. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be improperly canceled, or be destroyed, stolen or lost, the Governing Authority may in its discretion adopt a resolution and thereby authorize issuance and delivery of a new Bond in exchange for and substitution for such mutilated or improperly canceled Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, upon the Owner (i) furnishing the District, BAM and the Paying Agent proof of his ownership thereof and proof of such mutilation, improper cancellation, destruction, theft or loss satisfactory to the District, BAM and the Paying Agent, (ii) giving to the District, BAM and the Paying Agent an indemnity bond in favor of the District and the Paying Agent in such amount as the District and BAM may reasonably require, (iii) compliance with such other reasonable regulations and conditions as the District and BAM may prescribe and (iv) paying such expenses as the District, BAM and the Paying Agent may incur. All Bonds so surrendered shall be delivered to the Paying Agent for cancellation pursuant to Section 3.4 hereof. If any Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the District may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof any such duplicate Bond issued pursuant to this Section shall constitute an original, additional, contractual obligation on the part of the District, whether or not the lost, stolen or destroyed Bond be at any time found by anyone. Such duplicate Bond shall be in all respects identical with those replaced except that it shall bear on its face the following additional clause: "This Bond is issued to replace a lost, canceled or destroyed Bond under the authority of La. R.S. 39:971 through 39:974."

Such duplicate Bond may be signed by the facsimile signatures of the same officers who signed the original Bonds, provided, however, that in the event the officers who executed the original Bonds are no longer in office, then the new Bonds may be signed by the officers then in office. Such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source and security for payment as provided herein with respect to all other Bonds hereunder, the obligation of the District upon the duplicate Bonds being identical to their obligations upon the original Bonds and the rights of the Owner of the duplicate Bonds being the same as those conferred by the original Bonds.

SECTION 3.3. Preparation of Definitive Bonds, Temporary Bonds. Until the definitive Bonds are prepared, the District may execute, in the same manner as is provided in Section 3.5, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds except as to the denominations, one or more temporary typewritten Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in authorized denominations, and with such omissions, insertions and variations as may be appropriate to temporary Bonds.

SECTION 3.4. Cancellation of Bonds. All Bonds paid or redeemed either at or before maturity, together with all Bonds purchased by the District, shall thereupon be promptly cancelled by the Paying Agent. The Paying Agent shall thereupon promptly furnish to the Executive Officers an appropriate certificate of cancellation.

SECTION 3.5. Execution. The Bonds shall be executed in the name and on

behalf of the District by the manual or facsimile signatures of the President and Secretary of the Calcasieu Parish School Board, and the corporate seal of the Calcasieu Parish School Board (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced thereon. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Said officers shall, by the execution of the Bonds, adopt as and for their own proper signatures their respective facsimile signatures appearing on the Bonds or any legal opinion certificate thereon, and the District may adopt and use for that purpose the facsimile signature of any person or persons who shall have been such officer at any time on or after the date of such Bond, notwithstanding that at the date of such Bond such person may not have held such office or that at the time when such Bond shall be delivered such person may have ceased to hold such office.

SECTION 3.6. Book Entry Registration of Bonds. The Bonds shall be initially issued in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), as registered owner of the Bonds, and held in the custody of DTC. The Secretary of the Issuer or any other officer of the Issuer is authorized to execute of the Bonds in "book-entry only" format. The Paying Agent is hereby directed to execute said Letter of Representation. The terms and provisions of said Letter of Representation shall govern in the event of any inconsistency between the provisions of this Bond Resolution and said Letter of Representation. Initially, a single certificate will be issued and delivered to DTC for each maturity of the Bonds. The beneficial Owners will not receive physical delivery of Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Bond acquired. For so long as DTC shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Bonds is to receive, hold or deliver any Bond certificate.

Notwithstanding anything to the contrary herein, while the Bonds are issued in book-entry-only form, the payment of principal of, premium, if any, and interest on the Bonds may be payable by the Paying Agent by wire transfer to DTC in accordance with the Letter of Representation.

For every transfer and exchange of the Bonds, the beneficial Owner may be charged a sum sufficient to cover such beneficial Owner's allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

Bond certificates are required to be delivered to and registered in the name of the beneficial Owner under the following circumstances:

- (a) DTC determines to discontinue providing its service with respect to the Bonds. Such a determination may be made at any time by giving 30 days' notice to the Issuer and the Paying Agent and discharging its responsibilities with respect thereto under applicable law; or

- (b) The Issuer determines that continuation of the system of book-entry transfer through DTC (or a successor securities depository) is not in the best interests of the Issuer and/or the beneficial Owners.

The Issuer and the Paying Agent will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

Neither the Issuer or the Paying Agent are responsible for the performance by DTC of any of its obligations including, without limitation, the payment of moneys received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy *in lieu* of consent.

Whenever during the term of the Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Bond Resolution of holding, delivering or transferring the Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

If at any time DTC ceases to hold the Bonds, all references herein to DTC shall be of no further force or effect.

SECTION 3.7. Regularity of Proceedings. The District, having investigated the regularity of the proceedings had in connection with issuance of the Bonds, and having determined the same to be regular, each of the Bonds shall contain the following recital, to-wit:

"It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana."

ARTICLE IV

PAYMENT OF BONDS; DISPOSITION OF FUNDS

SECTION 4.1. Deposit of Funds With Paying Agent. The District covenants that it will deposit or cause to be deposited with the Paying Agent from the moneys derived from collection of the Pledged Tax Revenues or other funds available for such purpose, at least one (1) Business Day in advance of the date on which payment of principal, premium, if any, and/or interest falls due on the Bonds, funds fully sufficient to pay promptly the principal, premium, if any, and interest so falling due on such date.

SECTION 4.2. District Obligated to Collect Tax. In compliance with the laws of the State, the District, through the Governing Authority, by proper resolutions and/or ordinances is obligated to cause the ad valorem taxes to continue to be assessed, levied and collected for the full period of their authorization or until all of the Bonds have been retired as to both principal and interest, or provision therefor has been made in accordance with the provisions of Section 11.1 hereof, and further the District shall not discontinue or terminate or permit to be discontinued or terminated the ad valorem taxes in anticipation of the collection of which the Bonds have been issued, nor in any way make any change which would adversely effect the amount of the Pledged Tax Revenues to be received by the District until all of the Bonds have been retired as to both principal and interest, or provision therefor has been made in accordance with the provisions of Section 11.1 hereto.

SECTION 4.3. Funds and Accounts. In order that principal of and interest on the Bonds will be paid in accordance with their terms and for the other objects and purposes hereinafter provided, the District further covenants as follows: All avails or proceeds of the ad valorem taxes constituting Pledged Tax Revenues shall be deposited as the same may be collected to the credit of the District, in separate and special bank accounts established and maintained with the regularly designated fiscal agent of the Calcasieu Parish School Board and designated "School District No. 30 2016A General Obligation Refunding Bond Sinking Fund" (the "Series 2016A Sinking Fund"), and "School District No. 30 2016B General Obligation Refunding Bond Sinking Fund" (the "Series 2016B Sinking Fund" and, together with the Series 2016A Sinking Fund, the "Sinking Fund."). Funds on deposit in the Sinking Fund shall constitute dedicated funds of the District, from which appropriations and expenditures by the District shall be made solely for the purposes of paying the principal of, interest on, and redemption premium, if any, of the Bonds. Said fiscal agent shall transfer from said Sinking Fund to the paying agent bank or banks for all Bonds payable from said fund, at least one (1) Business Day in advance of each Interest Payment Date, funds fully sufficient to pay promptly the principal and interest so falling due on such date.

All or any part of the moneys in the Sinking Fund shall, at the written request of the District, be invested in Qualified Investments, provided that Bond proceeds representing accrued interest, if any, shall be invested in Government Securities, maturing prior to the first interest payment date of the respective issues of bonds as herein provided. All income derived from such investments shall be added to the applicable Sinking Fund, and such investments shall, to the extent at any time necessary, be liquidated and the proceeds thereof applied to the

purposes for which the Sinking Fund is herein created.

SECTION 4.4. Funds to Constitute Trust Funds. The Sinking Fund provided for in Section 4.3 hereof shall be and constitute a trust fund for the purposes provided in this Bond Resolution, and the Owners of Bonds issued pursuant to this Bond Resolution are hereby granted a lien on all such funds until applied in the manner provided herein. The moneys in such fund shall at all times be secured to the full extent thereof by the bank or trust company holding such funds in the manner required by the laws of the State.

SECTION 4.5. Method of Valuation and Frequency of Valuation. In computing the amount in any fund provided for in Section 4.3, investments shall be valued at the lower of cost or market price, exclusive of accrued interest. With respect to the Sinking Fund valuation shall occur annually. If any investment in the Sinking Fund ceases to be a Qualified Investment, then such non-conforming investment shall be sold or liquidated (unless otherwise approved by BAM) and the proceeds thereof invested in Qualified Investments.

February 15, 2033	545,000
February 15, 2034 [†]	560,000

[†]Maturity Date

SECTION 5.2. Optional Redemption. (a) Those Series 2016A Bonds maturing July 15, 2027 and thereafter, shall be callable for redemption at the option of the District prior to their stated maturities, in full or in part at any time on or after July 15, 2026, at a redemption price of 100% of the principal amount of each Bond redeemed, together with accrued interest to the date fixed for redemption.

(b) Those Series 2016B Bonds maturing February 15, 2027 and thereafter, shall be callable for redemption at the option of the District prior to their stated maturities, in full or in part at any time on or after February 15, 2026, at a redemption price of 100% of the principal amount of each Bond redeemed, together with accrued interest to the date fixed for redemption.

In the event a Bond to be redeemed is of a denomination larger than \$5,000, a portion of such Bond (\$5,000 or any multiple thereof) may be redeemed. Any Bond which is to

be redeemed only in part shall be surrendered at the principal corporate trust office of the Paying Agent and there shall be delivered to the Owner of such Bond, a Bond or Bonds of the same maturity and of any authorized denomination or denominations as requested by such Owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

SECTION 5.3. Notice to Paying Agent. In the case of any optional redemption of Bonds, the District shall give written notice to the Paying Agent and to BAM of the election so to redeem and the redemption date, and of the principal amounts and numbers of the Bonds or portions of Bonds of each maturity to be redeemed. Such notice shall be given at least forty-five (45) days prior to the redemption date.

SECTION 5.4. Notice of Redemption. Notice of any such optional redemption shall be given by the Paying Agent by mailing a copy of the redemption notice by first class mail postage prepaid, not less than thirty (30) days prior to the date fixed for redemption, to BAM and to the Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books maintained by the Paying Agent. In no event shall any notice of redemption be given to the Owners, other than with respect to the Bonds that are the subject of a refunding unless the District shall have theretofore deposited moneys available therefore with the Paying Agent in an amount which, in addition to other amounts, if any, available therefor held by the Paying Agent, will be sufficient to redeem on the redemption date, at the redemption price thereof together with accrued interest to the redemption date, all of the Bonds to be redeemed. Failure to give such notice by mailing to BAM or to any Owner, or any defect therein, shall not affect the validity of any proceedings for the redemption of other Bonds.

All notices of redemption shall state (i) the redemption date; (ii) the redemption price; (iii) if less than all the Bonds are to be redeemed, the identifying number (and in the case of partial redemption, the respective principal amounts) and CUSIP number of the Bonds to be redeemed; (iv) that on the redemption date the redemption price will become due and payable on each such Bond and interest thereon will cease to accrue thereon from and after said date; and (v) the place where such Bonds are to be surrendered for payment. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of such Bonds receives the notice. On or before any redemption date the Paying Agent shall segregate and hold in trust funds furnished by the District for payment of the Bonds or portions thereof called, together with accrued interest thereon and premium, if any, to the redemption date. Upon the giving of notice and deposit of funds for redemption, interest on such Bonds or portions thereof thus called shall no longer accrue after the date fixed for redemption. If said moneys shall not be so available on the redemption date, such Bonds shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption. No payment shall be made by the Paying Agent upon any Bond or portion thereof called for redemption until such Bond or portion thereof shall have been delivered for payment or cancellation or the Paying Agent shall have received the items required by Section 3.2 with respect to any mutilated, lost, stolen or destroyed Bond. Upon surrender of any Bond for redemption in part only, the Paying Agent shall register and deliver to the Owner thereof a new Bond or Bonds of authorized denominations of maturity and interest rate in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

SECTION 5.5. Payment of Redeemed Bonds. Notice having been given in the

manner provided in Section 5.4, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the redemption price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office specified in such notice, such Bonds or portions thereof shall be paid at the redemption price plus interest accrued and unpaid to the redemption date.

SECTION 5.6. Purchase of Bonds. The Paying Agent shall endeavor to apply any moneys furnished by the District for the redemption of Bonds (but not committed to the redemption of Bonds as to which notice of redemption has been given) to the purchase of appropriate outstanding Bonds. In accordance with Section 3.4, any Bonds so purchased shall be canceled. Subject to the above limitations, the Paying Agent, at the direction of the District, shall purchase Bonds at such times, for such prices, in such amounts and in such manner (whether after advertisement for tenders or otherwise) with monies made available by the District for such purpose, provided, however, that the Paying Agent shall not expend amounts for the purchase of Bonds of a particular maturity (excluding accrued interest, but including any brokerage or other charges) in excess of the amount that would otherwise be expended for the redemption of Bonds of such maturity, plus accrued interest, and, provided further, that the District may, in its discretion, direct the Paying Agent to advertise for tenders for the purchase of Bonds not less than sixty (60) days prior to any date for redemption of Bonds.

ARTICLE VI

PARTICULAR COVENANTS, ADDITIONAL BONDS

SECTION 6.1. Obligation of the District in Connection with Issuance of the Bonds. (a) As a condition of the issuance of the Series 2016A Bonds, the District hereby binds and obligates itself to: (i) deposit irrevocably in trust with the Escrow Agent under the terms and conditions of the Escrow Agreement, as hereinafter provided, an amount of the proceeds derived from issuance and sale of the Series 2016A Bonds as will enable the Escrow Agent to pay in full on July 15, 2018, the principal of and interest on the Refunded 2013 Bonds; (b) deposit in trust with the Escrow Agent such amount of the proceeds of the Series 2016A Bonds as will enable the Escrow Agent to pay the Costs of Issuance and the costs properly attributable to establishment and administration of the Escrow Fund.

(b) As a condition of the issuance of the Series 2016B Bonds, the District hereby binds and obligates itself to: (i) deposit irrevocably in trust with the Escrow Agent under the terms and conditions of the Escrow Agreement, as hereinafter provided, an amount of the proceeds derived from issuance and sale of the Series 2016B Bonds as will enable the Escrow Agent to pay in full on February 15, 2019, the principal of and interest on the Refunded 2014 Bonds; (b) deposit in trust with the Escrow Agent such amount of the proceeds of the Series 2016B Bonds as will enable the Escrow Agent to pay the Costs of Issuance and the costs properly attributable to establishment and administration of the Escrow Fund.

SECTION 6.2. Payment of Bonds. The District shall budget in each Fiscal Year sufficient Pledged Tax Revenues to make all payments required by Section 4.3 in such Fiscal Year, and shall also duly and punctually pay or cause to be paid as herein provided, the principal of every Bond and the interest thereon, at the dates and places and in the manner stated in the Bonds according to the true intent and meaning thereof.

SECTION 6.3. Tax Covenants. (A) To the extent permitted by the laws of the State, the District will comply with the requirements of the Code to establish, maintain and preserve the exclusion from "gross income" of interest on the Bonds under the Code. The District shall not take any action or fail to take any action, nor shall they permit at any time or times any of the proceeds of the Bonds or any other funds of the District to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Bond to be an "arbitrage bond" as defined in the Code or would result in the inclusion of the interest on any Bond in "gross income" under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of the proceeds of the Bonds, (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America, or (iii) the use of proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds" under the Code.

(B) The District shall not permit at any time or times any proceeds of the Bonds or any other funds of the District to be used, directly or indirectly, in a manner which would result in exclusion of interest on any Bond from the treatment afforded by Section 103(a) of the Code, as from time to time amended, or any successor provision thereto.

(C) For purposes of paragraphs (A) and (B) above, "interest" shall include any original issue discount properly allocable to the holder of a Bond.

(D) The District has found and determined that the Bonds herein authorized may be, and are hereby designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code.

SECTION 6.4. Obligation to Collect Taxes. The District recognizes that the Governing Authority is bound under the terms and provisions of law, to levy and impose and cause the enforcement and collection the ad valorem taxes which secure issuance of the Bonds, and to provide for the proper application thereof, until all of the Bonds have been retired as to both principal and interest. Nothing herein contained shall be construed to prevent the Governing Authority from altering or amending from time to time as may be necessary the resolutions and/or ordinances adopted providing for the levying, imposition, enforcement and collection of the ad valorem taxes or any subsequent resolution and/or ordinance providing therefor, provided that such alterations or amendments shall not be made in any manner which would impair the rights of the Owners from time to time of the Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon. The resolutions and/or ordinances imposing the ad valorem taxes and pursuant to which the ad valorem taxes are being levied, collected and allocated, and the obligation to continue to levy, collect and allocate the ad valorem taxes and to apply the Pledged Tax Revenues in accordance with the provisions of this Bond Resolution, shall be irrevocable until the Bonds have been paid in full as to both principal and interest, and shall not be subject to amendment in any manner which would impair the rights of the Owners from time to time of the Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon. More specifically, neither the Legislature of Louisiana, nor the District may discontinue the ad valorem taxes or permit to be discontinued the ad valorem taxes in anticipation of the collection of which the Bonds have been issued or in any way make any change in ad valorem taxes which would diminish the amount of the Pledged Tax Revenues to be received by the District until all of the Bonds shall have been retired as to both principal and interest.

SECTION 6.5. Indemnity Bonds. So long as any of the Bonds are outstanding and unpaid, the District shall require all of its officers and employees who may be in a position of authority or in possession of money derived from collection of the ad valorem taxes, to obtain or be covered by a blanket fidelity or faithful performance bond, or independent fidelity bonds written by a responsible indemnity company in amounts adequate to protect the District from loss.

SECTION 6.6. District to Maintain Books and Records. So long as any of the Bonds are outstanding and unpaid in principal or interest, the District shall maintain and keep proper books of records and accounts separate and apart from all other records and accounts in which shall be made full and correct entries of all transactions relating to the collection and expenditure of the receipts of the ad valorem taxes, including specifically but without limitation, all reasonable and necessary costs and expenses of collection. Not later than six (6) months after the close of each Fiscal Year, the District shall cause an audit of such books and accounts to

be made by the Legislative Auditor of the State (or his successor) or by a recognized independent firm of certified public accountants showing the receipts of and disbursements made for the account of the Sinking Fund. Such audit shall be available for inspection upon request by the Owners of any of the Bonds or BAM. The District further agrees that the Paying Agent, BAM and the Owners of any of the Bonds shall have at all reasonable times the right to inspect the records, accounts and data of the District relating to the ad valorem taxes.

SECTION 6.7. Pledged Tax Revenues Not Encumbered. As of this date, the Pledged Tax Revenues are not pledged or encumbered in any way, except to the payment of the Refunded Bonds and other bonds previously issued by the District.

ARTICLE VII

SUPPLEMENTAL BOND RESOLUTIONS

SECTION 7.1. Supplemental Resolutions Effective Without Consent of Owners.

For any one or more of the following purposes and at any time from time to time, a resolution and/or ordinance supplemental hereto may be adopted, which, upon filing with the Paying Agent and BAM of a certified copy thereof, but without any consent of Owners, shall be fully effective in accordance with its terms: (a) to add to the covenants and agreements of the District in the Bond Resolution other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Bond Resolution as theretofore in effect; (b) to add to the limitations and restrictions in the Bond Resolution other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Bond Resolution as theretofore in effect; (c) to surrender any right, power or privilege reserved to or conferred upon the District by the terms of the Bond Resolution, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the District contained in the Bond Resolution; (d) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision of the Bond Resolution; or (e) to insert such provisions clarifying matters or questions arising under the Bond Resolution as are necessary or desirable and are not contrary to or inconsistent with the Bond Resolution as theretofore in effect. Notwithstanding the foregoing, no provision of the Bond Resolution expressly recognizing or granting rights in or to BAM may be amended in any manner which affects the rights of BAM under the Bond Resolution without the prior written consent of BAM.

SECTION 7.2. Supplemental Resolutions Effective With Consent of Owners.

Except as provided in Section 7.1, any modification or amendment of the Bond Resolution or of the rights and obligations of the District and of the Owners of the Bonds hereunder, in any particular, may be made by a supplemental resolution, with the written consent of the Owners of a majority of the Bond Obligation at the time such consent is given. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the redemption price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages of Bonds the consent of the Owner of which is required to effect any such modification or amendment, or change the obligation of the District to levy and collect the ad valorem taxes for payment of the Bonds as provided herein, without the consent of the Owners of all of the Bonds then outstanding, or shall change or modify any of the rights or obligations of the Paying Agent without its written assent thereto. For purposes of this Section, Bonds shall be deemed to be affected by a modification or amendment of the Bond Resolution if the same adversely affects or diminishes the rights of the Owners of said Bonds. The consent of BAM shall be required (i) in addition to Bondholder consent, when required, for adoption of any supplemental resolution, and all supplemental resolutions must be filed with BAM immediately upon adoption, (ii) for removal of the Paying Agent and selection and appointment of any successor paying agent; and (iii) initiation or approval of any action not described in (i) or (ii) above which requires Bondholder consent.

ARTICLE VIII

PARITY BONDS

SECTION 8.1. Issuance of Parity Bonds. All of the Bonds shall enjoy complete parity of lien on the Pledged Tax Revenues despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The District may issue other bonds or obligations payable from or enjoying a lien on the Pledged Tax Revenues on a parity with the Bonds.

The Bonds or any part thereof, including interest and redemption premiums thereon, may be refunded and the refunding bonds so issued shall enjoy complete equality of lien with the portion of the Bonds which is not refunded, if there be any, and the refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the Bonds refunded.

ARTICLE IX

REMEDIES ON DEFAULT

SECTION 9.1. Events of Default. If one or more of the following events (in this Bond Resolution called Events of Default) shall happen, that is to say,

- (a) if default shall be made in the due and punctual payment of the principal of any Bond when and as the same shall become due and payable, whether at maturity or otherwise (in determining whether a principal payment default has occurred, no effect shall be given to payments made under the Policy); or
- (b) if default shall be made in the due and punctual payment of any installment of interest on any Bond when and as such interest installment shall become due and payable (in determining whether an interest payment default has occurred, no effect shall be given to payments made under the Policy); or
- (c) if default shall be made by the District in the performance or observance of any other of the covenants, agreements or conditions on its part in the Bond Resolution, any supplemental resolution or in the Bonds contained and such default shall continue for a period of forty-five (45) days after written notice thereof to the District by BAM or the Owners of not less than 25% of the Bond Obligation (as defined in the Bond Resolution); or
- (d) if the District shall file a petition or otherwise seek relief under any Federal or State bankruptcy law or similar law;

then, upon the happening and continuance of any Event of Default, BAM and the Owners of the Bonds shall be entitled to exercise all rights and powers for which provision is made under Louisiana law; provided, however, that the exercise of remedies at the direction of the Owners is subject to the prior written consent of BAM, and BAM, acting alone, shall have the exclusive right to direct any action or remedy to be undertaken so long as it is not then in default of its payment obligations under the Policy. Under no circumstances may the principal or interest of any of the Bonds be accelerated. The District shall notify BAM immediately upon the occurrence of any Event of Default. All remedies shall be cumulative with respect to the Paying Agent, the Owners and BAM; if any remedial action is discontinued or abandoned, the Paying Agent, the Owners and BAM shall be restored to the former positions.

SECTION 9.2. Notice to Insurer of Events of Default. The Paying Agent shall provide BAM with immediate notice of any Event of Default, and notice of any other default known to the Paying Agent within five Business Days of the Paying Agent's knowledge thereof.

BAM shall have the right to remove the Paying Agent upon written notice to the District and the Paying Agent. Any successor Paying Agent, if applicable, shall not be appointed unless BAM approves such successor in writing. Notwithstanding any other provision of this Bond Resolution, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Bond Resolution, the Paying Agent shall consider the effect on the Bondholders as if there were no Policy.

ARTICLE XI

MISCELLANEOUS

SECTION 11.1. Defeasance. (a) If the District shall pay or cause to be paid to the Owners of all Bonds then outstanding, the principal and interest to become due thereon, and any amounts which may be then payable by the District with respect to the Policy to BAM, at the times and in the manner stipulated therein and in this Bond Resolution, then the covenants, agreements and other obligations of the District to the Bondholders shall be discharged and satisfied. In such event, the Paying Agent shall, upon the request of the District, execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction and the Paying Agent shall pay over or deliver to the District any moneys, securities and funds held by it pursuant to the Bond Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(b) Bonds or interest installments for the payment of which sufficient Defeasance Obligations shall have been set aside and held in trust by the Paying Agent or an escrow agent (through deposit by the District of funds for such payment or redemption or otherwise) at a maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section.

Any Bond shall, prior to maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section if (i) there shall have been deposited with the Paying Agent or an escrow agent Defeasance Obligations, in the amounts and having such terms as are necessary to provide moneys (whether as principal or interest) in an amount sufficient to pay when due the principal thereof, together with all accrued interest and (ii) the adequacy of the Defeasance Obligations so deposited to pay when due the principal and all accrued interest shall have been verified by an independent certified public accountant.

No defeasance shall be effective unless BAM and the Paying Agent shall be provided with a copy of the accountant's verification referred to in (ii) above, together with an opinion of Bond Counsel, addressed to the District, BAM and the Paying Agent, that the Bonds are no longer Outstanding under the Bond Resolution and the laws of the State. In connection with the defeasance of any of the Bonds, the escrow agreement shall provide that no substitution of any Defeasance Obligation shall be permitted except with other qualifying Defeasance Obligations and with upon delivery of a new accountant's verification and opinion of Bond Counsel.

Neither Defeasance Obligations deposited pursuant to this Section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or redemption price, if applicable, and interest to become due on the Bonds; provided that any cash received from such principal or interest payments on such Defeasance Obligations shall, if permitted by the Code, and to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal or redemption price, if applicable, and interest to

become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be.

Notwithstanding the foregoing, amounts paid by BAM under the Policy shall not be deemed to be paid or defeased and shall continue to be due and owing until paid by the District in accordance with this Bond Resolution. All covenants, agreements and other obligations of the District to the Bondholders shall continue to exist and shall run to the benefit of BAM, and BAM shall be subrogated to the rights of such Bondholders.

SECTION 11.2. Evidence of Signatures of Bondholders and Ownership of Bonds. (a) Any request, consent, revocation of consent or other instrument which the Bond Resolution may require or permit to be signed and executed by the Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys-in-fact appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any person of the Bonds shall be sufficient for any purpose of the Bond Resolution (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Paying Agent, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

1. The fact and date of execution by any Owner or his attorney-in-fact of such instrument may be proved by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company or of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority;

2. The ownership of Bonds and the amount, numbers and other identification, and date of owning the same shall be proved by the registration books of the Paying Agent.

(b) Any request or consent by the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the District or the Paying Agent in accordance therewith.

SECTION 11.3. Moneys Held for Particular Bonds. The amounts held by the Paying Agent for the payment due on any date with respect to particular Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it, without liability for interest, for the Owners of the Bonds entitled thereto.

SECTION 11.4. Parties Interested Herein. Nothing in the Bond Resolution expressed or implied is intended or shall be construed to confer upon, or to give to, any person or corporation, other than the District, BAM, the Paying Agent and Owners of the Bonds any right, remedy or claim under or by reason of the Bond Resolution or any covenant, condition or stipulation thereof; and all the covenants, stipulations, promises and agreements in the Bond Resolution contained by and on behalf of the District shall be for the sole and exclusive benefit

of the District, BAM, the Paying Agent and Owners of the Bonds.

SECTION 11.5. No Recourse on the Bonds. No recourse shall be had for payment of principal of or interest on the Bonds or for any claim based thereon or on this Bond Resolution against any member of the Governing Authority or officer of the District or any person executing the Bonds.

SECTION 11.6. Successors and Assigns. Whenever in this Bond Resolution the District are named or referred to, it shall be deemed to include their successors, and assigns and all the covenants and agreements in this Bond Resolution contained by or on behalf of the District shall bind and inure to the benefit of their successors, and assigns whether so expressed or not.

SECTION 11.7. Subrogation. In the event the Bonds herein authorized to be issued, or any of them, should ever be held invalid by any court of competent jurisdiction, the Owner or Owners thereof, or BAM, shall be subrogated to all the rights and remedies against the District had and possessed by the Owner or Owners of the Refunded Bonds.

SECTION 11.8. Severability. In case any one or more of the provisions of the Bond Resolution or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of the Bond Resolution or of the Bonds, but the Bond Resolution and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provision enacted after the date of the Bond Resolution which validates or makes legal any provision of the Bond Resolution or the Bonds which would not otherwise be valid or legal shall be deemed to apply to this Bond Resolution and to the Bonds.

SECTION 11.9. Publication of Bond Resolution; Peremption. This Bond Resolution shall be published one time in the official journal of the Governing Authority; however, it shall not be necessary to publish any exhibits hereto if the same are available for public inspection and such fact is stated in the publication. For thirty days after the date of publication, any person in interest may contest the legality of this Bond Resolution, any provision of the Bonds, the provisions therein made for the security and payment of the Bonds and the validity of all other provisions and proceedings relating to the authorization and issuance of the Bonds. After the said thirty days, no person may contest the regularity, formality, legality or effectiveness of this Bond Resolution, any provisions of the Bonds to be issued pursuant hereto, the provisions for the security and payment of the Bonds and the validity of all other provisions and proceedings relating to their authorization and issuance, for any cause whatever. Thereafter, it shall be conclusively presumed that the Bonds are legal and that every legal requirement for the issuance of the Bonds has been complied with. No court shall have authority to inquire into any of these matters after the said thirty days.

SECTION 11.10. Execution of Documents. In connection with issuance and sale of the Bonds, the Executive Officers are each authorized, empowered and directed to execute on behalf of the District such documents, certificates and instruments as they may deem necessary, upon the advice of Bond Counsel, to effect the transactions contemplated by this Bond Resolution, the signatures of the Executive Officers on such documents, certificates and instruments to be conclusive evidence of the due exercise of the authority granted hereunder.

State of Louisiana.

As shown in **Schedule B** attached hereto, the Escrow Obligations shall mature in principal amounts and pay interest in such amounts and at such times so that sufficient moneys will be available from such Escrow Obligations (together with other moneys on deposit in the Escrow Fund) to pay, as the same mature and become due or are redeemed, the principal of, premium, if any, and interest on the Refunded Bonds. The District, on the basis of separate mathematical verifications by an independent certified public accountant, has heretofore found and determined that the investments described in said **Schedule A** are adequate in yield and maturity date in order to provide the necessary moneys to accomplish the refunding of the Refunded Bonds.

In the event that, on the date of delivery of the Bonds, there is not delivered to the Escrow Agent any Escrow Obligation described in **Schedule A** hereto, the Escrow Agent shall accept delivery of cash and/or replacement obligations which are direct, non-callable general obligations of or guaranteed by the United States of America (collectively, "Replacement Obligations") described in paragraph (b) of this Section, in lieu thereof, and shall hold such Replacement Obligations in the Escrow Fund until the Escrow Obligations described in **Schedule A** which were not delivered on the date of delivery of the Bonds are available for delivery. The Escrow Agent shall return to the supplier thereof any Replacement Obligations in exchange for and upon receipt of the Escrow Obligations set forth in **Schedule A** for which such Replacement Obligations described in such paragraph (b) were substituted. The Escrow Agent shall have no power or duty to invest any moneys held in the Escrow Fund or to make substitutions of the Escrow Obligations held in the Escrow Fund or to hereafter sell, transfer or otherwise dispose of such Escrow Obligations, except pursuant to the following subparagraph (b).

(b) An obligation shall qualify as a Replacement Obligation or other permitted substitution obligation only if:

(i) such Replacement Obligation is in an amount, and/or matures in an amount (including any interest received thereon), which together with any cash or Government Securities substituted for the Escrow Obligations listed in **Schedule A** hereto is equal to or greater than the amount payable on the maturity date of the Escrow Obligation listed in **Schedule A** hereto for which the substitution occurred,

(ii) such Replacement Obligation matures on or before the next date on which the Government Securities listed in **Schedule A** hereto which are substituted for will be required for payment of principal of, premium, if any, or interest on the Refunded Bonds, and

(iii) the Escrow Agent shall have been provided with (A) a mathematical verification of an independent certified public accountant that the Replacement Obligations are sufficient to pay the principal, interest and premium of the Refunded Bonds as shown on **Schedule C** and (B) an opinion of nationally recognized bond counsel to the effect that the substitution is permitted hereunder and has no adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Bonds or the Refunded Bonds.

To the extent that the Escrow Obligations mature before the payment dates referred to in **Schedule C**, the Escrow Agent may invest for the benefit of the District such cash in other

Escrow Obligations provided the investment in such other Escrow Obligations matures on or before dates pursuant to Section 6 in such amounts as equal or exceed the Section 6 requirements and that such investment does not cause the Bonds or the Refunded Bonds to be "arbitrage bonds" under the Internal Revenue Code of 1986, as amended.

(c) The Escrow Agent shall collect and receive the interest accruing and payable on the Escrow Obligation and the maturing principal amounts of the Escrow Obligations as the same are paid and credit the same to the Escrow Fund, so that the interest on and the principal of the Escrow Obligations, as such are paid, will be available to make the payments required pursuant to Section 6 hereof.

(d) In the event there is a deficiency in the Escrow Fund, the Escrow Agent shall notify the District of such deficiency, and the District shall immediately remedy such deficiency by paying to the Escrow Agent the amount of such deficiency. The Escrow Agent shall not be liable for any such deficiency, except as may be caused by the Escrow Agent's negligence or willful misconduct.

SECTION 3. Establishment of Expense Fund: Use of Moneys in Expense Fund.

There is also hereby created and established with the Escrow Agent a special trust account to pay the Costs of Issuance of the Bonds, as defined in the Bond Resolution (herein called the "Expense Fund") to be held in the custody of the Escrow Agent separate and apart from any other funds of the District and the Escrow Agent, to which the amount of the proceeds derived from the issuance and sale of the Bonds hereinabove set forth are to be deposited. The amounts on deposit in the Expense Fund shall be used for and applied to payment of the Costs of Issuance of the District in connection with the issuance, sale and delivery of the Bonds and establishment of the funds hereunder. Payment of the aforesaid expenses shall be made by the Escrow Agent from moneys on deposit in such Expense Fund for the purposes listed in **Schedule D** hereto upon receipt by the Escrow Agent of either an invoice or statement for the appropriate charges, or a written request of the District signed by the Executive Officers of the District, which request shall state, with respect to each payment to be made, the person, firm or corporation to whom payment is to be made, the amount to be paid and the purpose for which the obligation to be paid was incurred. Each such invoice, statement or written request shall be sufficient evidence to the Escrow Agent that the payment requested to be made from the moneys on deposit in such Expense Fund is a proper payment to the person named therein in the amount and for the purpose stated therein, and upon receipt of such invoice, statement or written request, and the Escrow Agent shall pay the amount set forth therein as directed by the terms thereof. When all expenses contemplated to be paid from such Expense Fund have been paid, such fund shall be closed and any balance remaining therein shall be withdrawn by the Escrow Agent and applied by the District to payment of principal of Bonds next falling due.

SECTION 4. Deposit to Escrow Fund Irrevocable. The deposit of moneys in the Escrow Fund shall constitute an irrevocable deposit of said moneys exclusively for the benefit of the owners of the Refunded Bonds and such moneys and Escrow Obligations, together with any income or interest earned thereon, shall be held in escrow and shall be applied solely to the payment of principal of, premium, if any, and interest on the Refunded Bonds. Subject to the requirements set forth herein for the use of the Escrow Fund and the moneys and investments

therein, the District covenants and agrees that the Escrow Agent shall have full and complete control and authority over and with respect to the Escrow Fund and moneys and investments therein and the District shall not exercise any control or authority over and with respect to the Escrow Fund and the moneys and investments therein.

SECTION 5. Use of Moneys. The Escrow Agent shall apply the moneys deposited in the Escrow Fund and the Expense Fund, together with any income or interest earned thereon, in accordance with the provisions hereof.

The liability of the Escrow Agent for payment of amounts to be paid hereunder shall be limited to cash available for such purposes in the Escrow Fund and the Expense Fund.

SECTION 6. Payment of Refunded Bonds. On or before each interest payment date on the Refunded Bonds, the Escrow Agent shall transmit to the District or the respective paying agents for the Refunded Bonds in immediately available funds, sufficient amounts for payment of interest on the Refunded Bonds due on said date and any principal of and redemption premiums on the Refunded Bonds due on said date by reason of the redemption of Refunded Bonds, in accordance with **Schedule B** attached hereto.

SECTION 7. Notice of Redemption. (a) The Escrow Agent will cause a notice of redemption to be given by means of first class mail (postage prepaid) not less than thirty (30) days before July 15, 2018, the redemption date with respect to the Refunded 2013 Bonds, such notice to be addressed to the registered owner of each bond to be redeemed at his address as shown on the registration books of the paying agent for the Refunded 2013 Bonds.

(b) The Escrow Agent will cause a notice of redemption to be given by means of first class mail (postage prepaid) not less than thirty (30) days before February 15, 2019, the redemption date with respect to the Refunded 2014 Bonds, such notice to be addressed to the registered owner of each bond to be redeemed at his address as shown on the registration books of the paying agent for the Refunded 2014 Bonds.

SECTION 8. Remaining Moneys in Escrow Fund. Upon retirement of the Refunded Bonds, any amounts remaining in the Escrow Fund shall be paid to the District as its property free and clear of the trust created by the Bond Resolution and this Agreement and shall be transferred to the District.

SECTION 9. Rights of Owners of Refunded Bonds. The escrow created hereby shall be irrevocable and owners of the Refunded Bonds shall have a beneficial interest and a first, prior and paramount claim on all moneys in the Escrow Fund until paid out, used and applied in accordance with this Agreement.

SECTION 10. Fees of Escrow Agent. In consideration of the services rendered by the Escrow Agent under this Agreement, the District has paid to the Escrow Agent its reasonable fees and expenses, and the Escrow Agent hereby acknowledges (i) receipt of such payment and (ii) that it shall have no lien whatsoever upon any moneys in the Escrow Fund. In no event shall the District be liable to any person by reason of the transactions contemplated hereby other than

to the Escrow Agent as set forth in this Section 10.

The Escrow Agent and its respective successors, assigns, agents and servants shall not be held to any personal liability whatsoever, in tort, contract, or otherwise, in connection with execution and delivery of this Agreement, establishment of the Escrow Fund, acceptance of moneys and securities deposited therein, retention of the Escrow Obligations or proceeds thereof or any payment, transfer or other application of moneys or securities by the Escrow Agent in accordance with the provisions of this Agreement or by reason of any act, omission or error of the Escrow Agent made in good faith and without negligence in the conduct of its duties.

SECTION 11. Records and Reports. The Escrow Agent will keep books of record and account in which complete and correct entries shall be made of all transactions relating to the receipts, disbursements, allocation and application of the money deposited to the Escrow Fund and all proceeds thereto. Such books shall be available for inspection at reasonable hours and under reasonable conditions by the District and owners of the Bonds and the Refunded Bonds.

SECTION 12. Successor Escrow Agents. If at any time the Escrow Agent or its legal successor or successors should become unable, through operation of law or otherwise, to act as escrow agent hereunder, or if its property and affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy or for any other reason, a vacancy shall forthwith exist in the office of escrow agent hereunder. In such event the District, by appropriate order, shall promptly appoint an escrow agent to fill such vacancy.

Any successor escrow agent shall execute, acknowledge and deliver to the District and the Escrow Agent an instrument accepting such appointment hereunder, and the Escrow Agent shall execute and deliver an instrument transferring to such successor escrow agent, subject to the terms of this Agreement, all the rights, powers and trusts of the Escrow Agent hereunder. Upon the request of any such successor escrow agent, the District shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor escrow agent all such rights, powers and duties. The Escrow Agent shall pay over to its successor escrow agent a proportional part of the Escrow Agent's fee hereunder.

The Escrow Agent may be removed at any time by an instrument or concurrent instrument in writing delivered to the Escrow Agent by the District.

SECTION 13. Amendments. This Agreement may be amended with the consent of the District and the Escrow Agent (i) to correct ambiguities, (ii) to strengthen any provision hereof which is for the benefit of the owners of the Refunded Bonds or the Bonds or (iii) to sever any provision hereof which is deemed to be illegal or unenforceable; and provided further that this Agreement shall not be amended unless the District shall deliver an opinion of nationally recognized bond counsel, that such amendments will not cause the Refunded Bonds to be "arbitrage bonds."

SECTION 14. Enforcement. The District, the paying agent for the Refunded Bonds and the owners of the Refunded Bonds shall have the right to take all actions available under law or equity to enforce this Agreement or the terms hereof.

SECTION 15. Successors Bound. All covenants, promises and agreements in this Agreement shall bind and inure to the benefit of the respective successors and assigns of the District, the Escrow Agent and the owners of the Refunded Bonds, whether so expressed or not.

SECTION 16. Louisiana Law Governing. This Agreement shall be governed by the applicable laws of the State of Louisiana.

SECTION 17. Termination. This Agreement shall terminate when all of the Refunded Bonds have been paid as aforesaid and any remaining moneys have been paid to the District.

SECTION 18. Severability. If any one or more of the covenants or agreements provided in this Agreement on the part of the District or the Escrow Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreement shall be deemed and construed to be severable from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Agreement.

SECTION 19. Counterparts. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Escrow Deposit Agreement as of the day and year first above written.
