MINUTES
EMPLOYEE BENEFITS COMMITTEE
December 17, 2014

The Calcasieu Parish School Board Employee Benefits Committee met in the Board Room at 3310 Broad Street, Lake Charles, Louisiana, on Wednesday, December 17, 2014, at 5:00 p.m. The meeting was called to order by Mr. Billy Breaux, Chairman. Mrs. Suzanne Heath gave the invocation and Mr. Mike Hill led the Pledge of Allegiance.

The roll was called with a quorum being present. The following committee members were in attendance; Billy Breaux, Board Member; Diane Bagwell, Karen Bryant, Wayne Foster, Mike Hill, Gerald Treme, Johnnie Sue Moore, Hattie White, Suzanne Heath, Carolyn Toups, and Sue Hinchee. Mrs. Giardina announced to the committee the passing of Mr. John Collins, Committee Member.

Mr. Breaux called the meeting to order and informed the committee of the agenda item Blue Cross Blue Shield of Louisiana Mid-Year Health Insurance Review.

Mrs. Skylar Giardina introduced Mrs. Kathy Sonnier, Account Executive with Blue Cross Blue Shield of Louisiana, for presentation of the group health insurance Mid-Year Review.

Mrs. Sonnier's presentation included overall claim utilization as of mid-year (May 1 – November 30) is up $1,294,201 for 2014 - 2015. Average net claims PM/PM 2013-2014 was $624.77 vs. $652.88 for 2014-2015. In 2013 there were 3054 Single/2082 Family Contracts and 3126 Single/2072 Family for 2014, therefore an average increase of 62 additional contracts per month. Prescription drug utilization PM/PM is 2.08 for 2013 vs. 2.15 for 2014. Generic drug usage is at 80% vs. Brand name drug usage at 20%. The cost of prescription drugs has increased $1,946,461 over the prior year. The brand drug cost has escalated this year; however the average wholesale price is set by the drug manufacturer. The plan allows compound drugs without limits. Cost shifting cancer chemo treatments that can now be administered through portable pumps and oral oncology class of drugs has emerged. The new Hepatitis C drugs are on the market which has added $351,885 YTD drugs that did not impact the 2013 YTD comparable claims. BCBSLA has hired a physician who is working with the oncologists to develop the best practice and implement prior authorization protocols. In January BCBS will conduct a complete multi-year analysis of the RX utilization and will provide recommendations and additional findings to the committee. The number of large claims over $100,000 in 2013 was 13 vs. 22 in 2014; dollars spent increased by $2.033 M. The number of claims over $250,000 was 1 in 2013 vs. 2 in 2014, but those 2 claims were up $741,272. Insurance paid the plan back $811,067. The claims data is from May – November 2014.

The new benefits that were effective May 1, 2013, required our plan to meet the requirements of The Patient Protection Affordable Care Act (PPAC). These benefits included Women's Preventive Services covered at first dollar for in-network providers including generic contraceptives along with additional wellness benefits paid at first dollar for all participants (Colonoscopy – age 50-75 every 10 years). New for the plan in 2014 is No Pre-existing Conditions, Large Employer Mandate and Aggregating Out-Of-Pocket.

There being no further business, a motion to adjourn was made by Mr. Mike Hill and seconded by Mrs. Suzanne Heath and approved unanimously at 5:35 p.m.
