LOUISIANA BEEF INDUSTRY COUNCIL BEEF POSTER CONTEST

With the holiday season upon us and COVID-19 numbers increasing, do not forget about the beef poster contest. This contest is creative, easy educational programming for youth to complete at home during the holiday season.

The beef poster contest encourages participants to learn more about the beef industry, meat science, and nutrition while developing marketing, communication, organization, and research skills.

Visit our NEW LBIC Beef Poster Website at www.lsuagcenter.com/beefposter.

Participants will compete against all other entries regardless of age.

2021 LBIC Beef Poster Contest Theme:

GREEN BEEF

The theme surrounds the concept that the consumption of beef is safe and vital for the environment. Remember, the poster contest is about marketing and communicating the all-around (environmental, health, nutrition, economic, etc.) benefits of beef.

Guidelines:

The Louisiana Beef Industry Council Beef Poster Contest will be due to the Calcasieu 4-H Office by **March 1, 2021**. Posters will be judged with winners announced after judging. Winners will qualify for the State Contest in April.

1. Posters must be on **"22 x 28" poster board only**.

2. Place your **NAME, ADDRESS, AGE, GRADE IN SCHOOL AND PARISH/CHAPTER** on back, upper right corner of poster.

3. Posters designs should generate positive images and promotion of beef (not live cattle production) **using the indicated theme**. Posters should promote beef without projecting any negative messages towards other agricultural commodities (chicken, pork, etc.).

DO NOT use copyrighted materials • You may develop ideas from magazines, parents, friends, nutrition bulletins, Beef Ambassador Fact Sheets and meat publications but the end concept should be original and not copied material.

Materials to pull ideas from are also available from your local supermarket, butcher, the American Meat Institute and National Livestock and Meat Board.
