Project Description:

The Bio-Lab chlorine plant was a complete loss from the fire that broke out during Hurricane Laura. As a result of this qualified disaster, Bio-Lab plans to rebuild the plant, which will include a Plant 5 expansion. The facility will manufacture trichloroisocyanuric acid (TCCA), an inorganic halogenated biocide, and disodium isocyanurate (swimming pool sanitizer). The manufacturing of TCCA consists of adding crushed, neutralized cyanuric acid to a sodium hypochlorite solution in a reaction vessel and introducing gaseous chlorine into the mixture. The product TCCA is filtered from the reacted solution, dried and stored in bins for subsequent compaction, granulation, and packaging. There would be two reactor production trains to produce TCCA, Plant 2 is outside, and Plant 4 is where the TCCA is compacted then granulated. The complete rebuild/expansion will include shipping, maintenance, lab, TCCA Plant, machine shop, and sub station buildings. Additionally, all process related equipment will be restoring or replaced, including but not limited to process piping, blenders, baghouses, control systems, cooling tower, reactors, and the numerous other pieces of equipment used in the production of TCCA. The expansion will be adding Plant 5, increasing the production capacity of the operation, and will comprise a total estimated CAPEX of \$50M. Both the restoration/rebuild of the operation destroyed by the fire, as well as the expansion of Plant 5, are expected to be complete in the time frame listed (completion target date May 2022).

remedy to or obligation imposed upon Company.

(B) Company Default. The occurrence of any of the following actions during the term of an Exemption Contract shall constitute a Company Default with a corresponding remedy:

The recommendation of the Local Governmental Entities shall then be submitted to the Board for consideration and/or action. This provision shall be applicable for each Project Year in which the Company fails to satisfy the requirements of this paragraph as provided herein irrespective of any prior decision of the Board to continue the Exemption Contract under the terms provided.

Alternatively, the Local Governmental Entities and the Company may forego the recommendation to the Board required by this section if the Local Governmental Entities agree that the Company shall pay and the Company actually makes a Default Payment to each of the Local Governmental Entities in an amount agreeable to both the Local Governmental Entities and the Company, in which case the terms of the Exemption Contract shall remain the same.

(C) Renewal Consideration. Upon Company's application for a renewal of the Exemption, Company's non-performance of this Agreement shall be considered by the Board in the manner provided by the Rules.

The waiver of any condition or the breach of any term, covenant, or condition herein or therein contained shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or any other term, covenant, or condition herein or therein contained.

Section 6.03 Force Majeure

(A) Upon occurrence of an event of Force Majeure, the affected Party shall have the right, but not the obligation, to declare a Force Majeure period, by giving written notice of such event and declaration to the other Parties within 30 days of such occurrence. Time being of the essence, the affected Party shall make every reasonable effort to give such notice as soon as possible, but in any event notice must be given within 30 days of the occurrence.

(B) The Force Majeure period shall continue from the date of such notice until the effects of such Force Majeure are removed, remedied, repaired, or otherwise no longer prevent performance of a Party's obligations hereunder. During the Force Majeure period, the obligations of the Parties under this Agreement shall be suspended, and the relevant deadlines and time periods under this Agreement shall be extended to the extent of such suspension. In any event, no Force Majeure period arising from a single event of Force Majeure shall be deemed to exist for longer than 2 years from the date of such notice, and the aggregate Force Majeure period during the term of this Agreement shall not exceed two years.

(C) The affected Party must proceed with due diligence to effect repairs or undertake efforts to remedy or mitigate the effects of a Force Majeure event, and within 60 days of the occurrence of the event of Force Majeure shall provide the other Parties a report showing the efforts made and to be made to remedy or mitigate the effects as well as a timetable to return to full performance.

Section 6.04 No Other Damages.

No party shall have the right to recovery against any other party of any damages of whatever nature, including compensatory, consequential, punitive, or otherwise, arising from or relating to any act or omission deemed to be a breach of this Agreement or fault of any party other than the remedies expressly set forth in this Article.

The Certificate of Compliance shall be in the general form of Exhibit 2 attached hereto and shall be accompanied by the additional materials referenced therein. All original documentation supporting the Certification

of Compliance shall be maintained by the Company as required by the Rules. Failure to timely submit the annual Certification of Compliance may result in LED reporting to the Local Governmental Entities a failure to satisfy Required Annual Jobs and Payroll per Section 6.01(B)(4).

ARTICLE V ASSIGNMENT AND TRANSFER

Assignment or Transfer of the Manufacturing Establishment or any part of an Exemption Contract shall be governed by Section 535 of the Rules pertaining to the “Sale or Transfer of Exempted Manufacturing Establishment.”

ARTICLE VI DEFAULT AND RENEWAL CONSIDERATION

Section 6.01 Default

(A) State Default. The failure by the Board, the Local Governmental Entities or the Governor, to approve the Exemption for the Company in the manner provided by the Rules, constitutes a default under this Agreement. Upon the occurrence of such default, Company is relieved of all obligations hereunder and this Agreement shall automatically terminate without any further remedy to or obligation imposed upon Company.

(B) Company Default. The occurrence of any of the following actions during the term of an Exemption Contract shall constitute a Company Default with a corresponding remedy:

(1) Operation does not commence within a 2-year period beginning on the date identified in Section 4.02(A), in which case the Board may terminate or otherwise modify

the Exemption Contract as provided in the Rules.

(2) Cessation of Operation, in which case the Board may terminate or otherwise modify the Exemption Contract as provided in the Rules;

(3) Assignment of this Agreement, or transfer of ownership of or controlling interest in the Manufacturing Establishment, the Company, or substantially all of its assets, other than as permitted under Article V, in which case the Board may terminate or otherwise modify the Exemption Contract as provided in the Rules;

(4) Failure to satisfy 90% of either or both of the Company's Required Annual Jobs and Payroll under Section 4.02 of this Agreement upon which LED shall give notification to the Company and the Local Governmental Entities, which entities will make a recommendation to the Board on whether to terminate the Exemption Contract for the Company or otherwise alter the terms of the Exemption, including the length of the exemption period and/or the percentage of the exemption. The recommendation of the Local Governmental Entities shall then be submitted to the Board for consideration and/or action. This provision shall be applicable for each Project Year in which the Company fails to satisfy the requirements of this paragraph as provided herein irrespective of any prior decision of the Board to continue the Exemption Contract under the terms provided.

Alternatively, the Local Governmental Entities and the Company may forego the recommendation to the Board required by this section if the Local Governmental Entities agree that the Company shall pay and the Company actually makes a Default Payment to each of the Local Governmental Entities in an amount agreeable to both the Local Governmental Entities and the Company, in which case the terms of the Exemption Contract shall remain the same.

(C) Renewal Consideration. Upon Company's application for a renewal of the Exemption, Company's non-performance of this Agreement shall be considered by the Board in the manner provided by the Rules.

Section 6.02 Delay or Omission

No delay or omission in the exercise of any right or remedy accruing to any Party upon any breach of this Agreement by any other Party shall impair such right or remedy or be construed as a waiver of any breach theretofore or thereafter occurring. The waiver of any condition or the breach of any term, covenant, or condition herein or therein contained shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or any other term, covenant, or condition herein or therein contained.

Section 6.03 Force Majeure

(A) Upon occurrence of an event of Force Majeure, the affected Party shall have the right, but not the obligation, to declare a Force Majeure period, by giving written notice of such event and declaration to the other Parties within 30 days of such occurrence. Time being of the essence, the affected Party shall make every reasonable effort to give such notice as soon as possible, but in any event notice must be given within 30 days of the occurrence.

(B) The Force Majeure period shall continue from the date of such notice until the effects of such Force Majeure are removed, remedied, repaired, or otherwise no longer prevent performance of a Party's obligations hereunder. During the Force Majeure period, the obligations of the Parties under this Agreement shall be suspended, and the relevant deadlines and time periods under this Agreement shall be extended to the extent of such suspension. In any event, no Force Majeure period arising from a single event of Force Majeure shall be deemed to exist for longer than 2 years from the date of such notice, and the aggregate Force Majeure period during the term of this Agreement shall not exceed two years.

(C) The affected Party must proceed with due diligence to effect repairs or undertake efforts to remedy or mitigate the effects of a Force Majeure event, and within 60 days of the occurrence of the event of Force Majeure shall provide the other Parties a report showing the efforts made and to be made to remedy or mitigate the effects as well as a timetable to return to full performance.

Section 6.04 No Other Damages.

No party shall have the right to recovery against any other party of any damages of whatever nature, including compensatory, consequential, punitive, or otherwise, arising from or relating to any act or omission deemed to be a breach of this Agreement or fault of any party other than the remedies expressly set forth in this Article.

The Certificate of Compliance shall be in the general form of Exhibit 2 attached hereto and shall be accompanied by the additional materials referenced therein.
