When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student ("eligible student"). The enclosed Calcasieu Parish Policy JR-AP defines directory information and to whom student personally identifiable information may be disclosed. The FERPA statute is found at 20 U.S.C. § 1232g and the FERPA regulations are found at 34 CFR Part 99. Parents have 15 days from the 1st day of school or the date of enrollment if after the 1st day of school to revoke permission to disclose student information covered by FERPA.

Letter from Superintendent

Dear Members of the School Community:

The *Calcasieu Parish School Board Student Code of Conduct* is enclosed for your review and discussion with your student. As you can see, the document is the very comprehensive result of planning by many members of the school community. Through efforts to implement Positive Behavioral Interventions and Supports (PBIS), along with a robust Response to Intervention program (RTI), the school system strives to create an environment where all of our students can have academic and behavioral success.

The *Student Code of Conduct* outlines expectations for the behavior of each student, describes appropriate interventions, lists consequences for students engaging in inappropriate behavior, and explains the rights of students with disabilities. The *Code of Conduct* applies to all school related time, including regular school hours, time spent on a school campus for any school sponsored event, transportation to and from school, and transportation to special events.

While all issues contained in the *Code of Conduct* are very important, the first step to academic and behavioral success comes with your student attending school each day. Please review this document with your student. Calcasieu Parish School Board staff members are available to answer any questions that may arise and can be reached at (337) 217-4150, Extension 1501.

Have a great school year!

Karl Bruchhaus, Superintendent
Calcasieu Parish School Board

Calcasieu Parish School Board Student Code of Conduct

Positive Behavioral Interventions and Supports (PBIS)

Positive Behavioral Interventions and Supports (PBIS) is a proven, research and evidence-based discipline program that emphasizes school-wide systems of support that include strategies for defining, teaching, modeling and supporting appropriate student behaviors to create positive school environments.

PBIS emphasizes teaching students to behave in ways that contribute to academic achievement and school success and that support a school environment where students and school staff are responsible and respectful. PBIS also emphasizes the need for school staff to promote appropriate behaviors by teaching, modeling, reinforcing and monitoring appropriate behaviors and by treating many minor miss-behaviors as “teaching moments” rather than punishment opportunities. PBIS recognizes that effective school discipline is anchored to meaningful corrective instruction and guidance that offers students an opportunity to learn from their mistakes and contribute to the school community. PBIS also involves ongoing monitoring of discipline data to ensure equitable school-based discipline practices are implemented in a fair and non-discriminatory manner.

Calcasieu Parish School Board has been implementing the *PBIS* program across the entire district. The Student Code of Conduct compliments and supports the district-wide implementation of *PBIS* to foster student academic and behavioral success.

Erin's Law

Calcasieu Parish School Board has implemented the state-mandated prevention-oriented child assault and abuse awareness program called Erin's Law which in Louisiana is found at R.S. 17:81 Y. Erin's Law was first passed in Illinois, and since then 37 other states have adopted the law, including Louisiana, although not all of these laws are identical. The Louisiana version of Erin's Law requires all public schools to provide education on child assault awareness, including what constitutes abuse or an assault. Child abuse includes sexual abuse. Schools will be presenting information to all students during the school year. Our goal is for students to be able to recognize abuse and learn how to speak out if they need assistance. It is important for parents to become aware of and educated on signs and symptoms of abuse. The resource list and informational tips provided, at cpsb.org under "Our District" under "Policies" and choosing the "Erin's Law" tab, act as a gateway to gaining pertinent information on the program and abuse prevention. (Child Protection Hotline) 1-855-452-5437 to report or file an abuse or neglect case.

Zero Tolerance

Parents, teachers and students are expressing increased concern regarding student behavior problems in schools today. The public expects schools to provide a safe, supportive environment where students can learn, and teachers can teach. The key to such an environment is a discipline policy that should anticipate situations and provide preventive measures and deterrence where possible. Zero tolerance policies are enforced for students who engage in physical assault, fistic encounters/ fighting. Students involved in other inappropriate physical contact (pushing and shoving) will be addressed with other disciplinary measures outlined in this Student Code of Conduct.

Responsibilities

It is the responsibility of the student, parent, and staff members to report any incidences that may result in a physical confrontation. **Note to Students: It is your responsibility to alert a principal, teacher, coach, etc., to any hostile attempt directed at you.** Administrators are then required to take immediate action to prevent further hostile attempt. **Self Defense** – A student must do everything within reason to avoid a fight, including walking away and getting a teacher or staff member. After having done so, if the student is attacked, he/she may defend themselves within reason. At no time should the student become the aggressor or escalate the situation verbally or physically.

The Calcasieu Parish Violence Prevention Program/Zero Tolerance Policy can be found in CPSB's District Policy Manual – section JD-R

Discipline should be a learning process, which teaches individuals to behave in a manner consistent with stated expectations. The Calcasieu Parish Violence Prevention Program/ Zero Tolerance Policy clearly states expectations regarding student behavior as it relates to fighting and the expected consequences.

A second offense for Zero Tolerance may result in a recommendation for expulsion.

*Elementary students do not go through the Calcasieu Parish Violence Prevention Program/Zero Tolerance, but appropriate administrative actions will be taken for such incident of physical assault, fistic-encounters/fighting.

Attendance Expectations

In compliance with the Compulsory School Attendance Law (R.S. 17:221), all students between the ages of seven and eighteen are required to attend a public or private day school unless the child graduates from high school prior to his/her eighteenth birthday. Any child below the age of seven who legally enrolls in school is also subject to the compulsory attendance law.

Attendance Policy for Elementary and Middle School Students

Students must be present a minimum of 167 six-hour school days per school year to be eligible for promotion.

Attendance Policy for High School Students

Students, in 2010 – 2011 and beyond will be required to be in attendance the equivalent of 83.5 six-hour days per semester of their required instructional days in order to receive grades or gain entry into the Career Diploma pathway.

The following attendance guidelines apply to ALL students:

- A student who is absent five (5) or more days in any nine-week period shall receive an incomplete grade in all subjects involved if the grade is not made up before the end of the grading period. The student can make up work during the next nine-week period. If he/she fails to do so, the incomplete grade automatically becomes a "F". It shall be the responsibility of the teacher to inform the student of the deadline for any makeup work.
- Each student who has been suspended for ten (10) days or fewer shall receive the missed assignments from each academic teacher. Once the assignments have been issued to the student, the student shall have one (1) school day for each day out due to suspension to complete and submit the work. The teacher shall assess the student's work and the student may receive 100% of the score earned on the assignment. If a student does not complete the assignment in the allotted amount of time, the student shall receive a zero (0) for the assignments missed due to the suspension.
- The principal or designee shall contact parents or guardians and ascertain reasons for absences. When a student returns to school after an excused absence the student shall have the opportunity to complete missed assignments. Make-up work shall be permitted only when written excuses from parent(s) or guardian(s) have been received in accordance with this policy.

NOTE: Any Out-of-Zone attendance request may be revoked or denied due to attendance and/or discipline issues that have not been resolved after adequate interventions, by the school, have been attempted and documented. The decision for denial of out-of-zone attendance request may be modified by the superintendent or his designee.

Exceptions:

Children are required to attend school each day scheduled by the school system, except for excused absences listed below. Absences are "temporarily" excused until the school is able to verify a note from the parent/guardian, or doctor explaining the absence. The principal or his/her designee shall contact parents/guardians to ascertain reasons for absences. Temporarily excused absences for students can be made for the following reasons:

Temporarily Excused Absences

1. Personal illness
2. Prior approved travel for education
3. Death in family (not to exceed one week)
4. Natural catastrophe and/or disaster
5. Participation in school-approved activity which necessitates student being away from school. These activities will be reviewed by personnel for educational appropriateness
6. Absence for the observance of recognized holidays of the child's own faith
7. Any of the extenuating circumstances listed below:
 - Extended personal illness of a child whose attendance in school would endanger his/her own health or that of his/her classmates, as verified by a physician, dentist, or nurse practitioner licensed to practice in Louisiana
 - Extended hospital stay as verified by a physician or dentist licensed to practice in Louisiana
 - Extended recuperation from an accident as verified by a physician or dentist licensed to practice in Louisiana
 - Extended contagious disease within the family as verified by a physician or dentist
 - Other extenuating circumstances approved by the Supervisor of Child Welfare and Attendance in consultation with the principal or his/ designee

For any other extenuating circumstances, parents must make a formal appeal by communicating with the Supervisor of Child Welfare and Attendance and requesting that an absence be excused.

Make-Up Work

- When a student returns to school after an excused absence, the student shall have the opportunity to complete missed assignments. Make-up work shall be permitted only when written excuses from parent/guardian have been received in accordance with this policy.
- A student who is absent five (5) or more days in any nine-week grading period must make up missed work before the end of the grading period or the student shall receive an incomplete grade. The student can make up work during the next nine-week grading period, but if he/she fails to do so, the incomplete grade automatically becomes a failing grade. It shall be the responsibility of the teacher to inform the student of the deadline for any make-up work. Students missing school as a result of any suspension shall be counted as absent and considered unexcused but will be given missed assignments from each academic teacher. Once the assignments have been issued to the student, the student shall have one (1) school day for each day out due to suspension to complete and submit the work. The teacher shall assess the student's work and the student may receive 100% of the score earned on the assignment. If a student does not complete the assignment in the allotted amount of time, the student shall receive a zero (0) for the assignments missed due to the suspension.

If a suspension is modified or reversed through the suspension appeal process, related absences will be excused, and the students will receive make-up work for those excused days. For any other extenuating circumstances, parent/guardian shall have the right to appeal the denial of promotion to the Supervisor of Child Welfare and Attendance.

A visitor's pass must be obtained and returned upon leaving the campus. Temperature check, Covid-19 symptom check, face coverings and social distancing safety measures are required upon campus arrival during the instructional day. In addition, Non-CPSB Employees are not allowed in Bus Danger Zone, area directly surrounding the bus for 10 feet on all sides of bus. To better ensure the safety and security of students and staff, CPSB allows School Administrators and/or School Resource Officers (SRO), the authority to remove parents and visitors, whose behavior is deemed inappropriate, from District property or facilities without warning or written notice.

Classifying Infractions

Discipline incidents will be classified as Level 1, Level 2, Level 3 and Level 4 infractions.

Level 1 Infractions – Discipline incidents that should be managed by the teacher and do not warrant a discipline referral or administrative assistance. Any behavior that is of low-level intensity, passive in nature and/or of a non-threatening manner is a Level 1 behavior. Infractions in this category will be addressed with corrective strategies that will NOT include removal from instruction (In-school suspension/isolation or out-of-school suspension).

Level 2 Infractions – Discipline incidents that should be managed by the teacher with the possible assistance from an administrator. These infractions will be addressed with corrective strategies that will NOT include removal from school (out-of-school suspension).

Level 3 A & B Infractions – Discipline incidents that significantly interfere with others' safety and learning, are of a threatening or harmful nature, and/or are legal violations and warrant administrative interventions. Committing a **Level 3A infraction** does NOT result in an out of school removal on the first violation as school administrators shall attempt to utilize other corrective actions as deemed appropriate on a case by case basis, and committing a **Level 3B infraction** does NOT necessarily result in an out of school removal but could result in an OSS if administration deems appropriate.

Level 4 Infractions – Discipline incidents that require immediate response from administration, crisis team, its entire staff, and/or community support.

Corrective Strategies: Alternatives to Suspension and Expulsion

ACADEMIC SUCCESS IS DIRECTLY CORRELATED WITH INSTRUCTIONAL TIME RECEIVED BY THE STUDENT.

In the effort to fully implement **School-Wide Positive Behavioral Interventions and Supports, R.T.I.** and reduce the loss of instructional time due to out-of-school suspensions and expulsions, each school within the Calcasieu Parish School Board will utilize a wide variety of corrective strategies that do not remove children from valuable instructional time. These strategies are designed to prevent the occurrence of student infractions, teach alternative or replacement behaviors, or motivate students to demonstrate compliance with established school expectations outlined in the Code of Conduct. Corrective Strategies must be implemented by educational personnel with appropriate amounts of integrity for Level 1 and Level 2 Infractions prior to administration utilizing out-of-school consequences. Suspension

A suspension is any removal of the student from school, formal or informal, during which time the student is not allowed to attend school for a designated period. A suspension may only be utilized if a student commits a Level 3 or Level 4 infraction. See page 35 for designated Level 3 A infractions that may not warrant use of an OSS to manage the student's behavior on the first incident. Instead, the school administrators will assign the student to ISD and/or ISS/ISI for a specified number of days to receive mandatory behavioral instruction in replacement behaviors designed to specifically target the student's display of behavioral infractions.

Responsibilities of the school and the parent/guardian when a suspension is given are explained below in the section entitled, "Procedures for Suspension."

Procedures for Suspension

All students shall be treated fairly and honestly in resolving grievances and complaints, and in the consideration of any suspension or expulsion. For Student Code of Conduct infractions that may warrant a suspension or *recommendation for expulsion*:

1. The school must conduct a student conference and school-level investigation within a 24-hour period.
2. Prior to any suspension or recommendation for expulsion, the principal or designee must inform the student of the "particular" misconduct of which he/she is accused and the basis for the accusation. *
3. Prior to any suspension or recommendation for expulsion, the principal or designee must give the student an opportunity to present his/her version of the incident. The principal or designee may call witnesses requested by the student. The principal or designee shall make a reasonable effort to reach a fair determination of the incident before making any disposition. *
4. The school must contact the parent/guardian by telephone or send a certified letter giving notice of the suspension, the reason for the suspension, and the date and time of a conference to be conducted within 5 days with the principal or his/her designee required for the readmission of the student. *
5. If the parent/guardian fails to attend the required conference within 5 days of the mailing of the certified letter or other contact with the parent/guardian, the truancy laws shall become effective.
6. The school must give the parent/guardian notice in writing of the suspension and the reason for the suspension. *
7. **THE STUDENT SHALL REMAIN IN SCHOOL UNTIL THE END OF THE SCHOOL DAY UNLESS RELEASED INTO THE CARE OF A PARENT/GUARDIAN. NO STUDENT SHOULD BE SENT HOME WITHOUT PROPER DOCUMENTATION OF THE PARTICULAR MISCONDUCT AND REASON FOR SUSPENSION.**
8. Any parent/guardian of a suspended student shall have the right to appeal a suspension to the Superintendent or to a designee of the Superintendent. The decision of the Superintendent is final.
9. The school must hold a school-level conference conducted within a reasonable time.
10. Any student with a known or suspected disability who is currently receiving behavioral supports (i.e. individual behavior support plan) who commits a level 3 infraction (excluding acts that are considered to be of a dangerous nature) shall not be suspended from school unless the school administrator can verify that the student's behavior support plan is being implemented as planned with high levels of measured integrity and compliance.

All students have the right to fair and reasonable treatment during disciplinary proceedings. Your child has a right to bring a representative of his/her choice to all disciplinary proceedings.

If you encounter a problem with discipline procedures, or you feel that your child has not been treated fairly in resolving discipline issues, please call the elementary school dept at (337) 217-4140 ext 1601, the middle school dept at (337) 217-4150 ext 1501, or the high school dept at (337) 217-4160 ext. 1301.

*Louisiana State Law

Appeal of Suspension

Any parent/guardian of a suspended student shall have the right to appeal a suspension to the Superintendent's designee. The appropriate administrative director is the Superintendent's designee for appeal of a suspension. If the parent/legal guardian is not present for the hearing of the appeal after having been properly notified, the hearing may proceed and the results of the hearing shall be mailed to the parent or legal guardian. The decision of the Superintendent's designee on the merits of the case, as well as the term of suspension, shall be final, reserving to the Superintendent or designee the right to remit any portion of the time of suspension.

To appeal a suspension, begin by submitting a written request within five (5) days after the beginning date of the suspension to the immediate supervisor of the person making the disposition, who would be either the school principal or the appropriate administrative director. If the initial disposition was by an assistant principal or school administrator other than the principal, then an appeal is to be directed to the principal. If the initial disposition was made by the principal, or if the principal has made a decision on an appeal of a suspension, the appeal is to the administrative director for that school. Please submit elementary requests to Dr. Jill Portie at jill.portie@cpsb.org, middle school request to Owen Clanton at owen.clanton@cpsb.org, and high school request to Robert Pete at robert.pete@cpsb.org.

Parents of students with disabilities who disagree with any long-term removal for disciplinary reasons have the right to request an appeal.

Expulsion

Expulsion is defined as any denial of school attendance for the remainder of the school year, for a time designated during the current or next school year.

Any student, after being suspended for committing an expellable offense, may be expelled upon recommendation by the school principal. According to CPSB Policy, the principal may be required to immediately suspend and recommend for expulsion a student who is found carrying or possessing:

- a firearm
- a knife/blade measuring 2 or more inches (unless that student is under eleven years of age and/or in pre-kindergarten through grade five, in which case suspension is permissible but not required)
- another dangerous instrument/weapon
- any controlled dangerous substance governed by the Uniform Controlled Dangerous Substances Law, in any form (including any student who distributes, sells, gives, or loans one of these substances).

For a firearm offense, the minimum expulsion period is four complete school semesters with authority for the local superintendent to modify the length on a case by case basis. For a student in kindergarten through grade five involving a firearm offense, the minimum is two complete school semesters.

For drug offenses involving students 16 years of age or older, the minimum expulsion period is four complete school semesters. For a student under the age of 16, the minimum expulsion period is two complete school semesters.

Any student expelled for knife, firearm or drug related offenses shall provide documentation that he/she has participated in a rehabilitation or counseling program related to the offense before readmission. The student's reinstatement shall be subject to the review and approval of the district's Superintendent.

Any student who has been suspended on three occasions for committing any of the offenses set forth in R.S. 17:416, during the same school year, on committing the fourth such offense **MAY** be expelled from all public schools within the Calcasieu Parish School Board's Public School System until the beginning of the next regular school year. The provision which had required the expulsion of a student for the remainder of the school year for a fourth offense committed after the student's third suspension during the same school year for all disciplinary offenses has been modified to limit such mandatory expulsions to knife, firearm and drug related offenses only. It is now to be discretionary whether or not to expel a student after committing a fourth offense after the student's third suspension for all other disciplinary offenses.

A hearing to consider the recommendation for expulsion shall be conducted by the Superintendent or his/her designee.

Any student who has been expelled will be not be readmitted to a public school within the school district without the express approval of the Superintendent.

Note: State law requires that no student who has been expelled shall be admitted to any public school in any other parish or city school system in the state except upon the review and approval of the governing authority of the school system to which he seeks admittance.

Note: Expulsion actions taken herein for students with disabilities must be consistent with federal and state laws and regulations.

Procedures for Expulsion

A principal cannot expel a student. A principal can recommend a student for expulsion. If a principal recommends a student for expulsion the student will then be “suspended pending a hearing for a recommendation for expulsion”. The student will then have an *expulsion hearing*, in which a hearing officer working for the district will determine if the recommendation for expulsion is upheld, denied, or modified.

The due process procedures for recommendations for expulsion and expulsion hearings are as follows:

1. The school must conduct a student conference and school-level investigation within a 24-hour period.
2. Prior to any suspension or recommendation for expulsion, the school principal or designee must inform the student of the “particular misconduct of which he/she is accused” and the basis for the accusation.*
3. Prior to any suspension or recommendation for expulsion, the principal or designee must give the student an opportunity to present his/her version of the incident. The principal or designee may call witnesses requested by the student. The principal or designee shall make a reasonable effort to reach a fair determination of the incident before making any disposition.*
4. The school must hold a school-level conference within reasonable time.
5. A recommendation for expulsion is made by the principal. The student will be suspended pending expulsion hearing. Procedures for suspensions will be followed.
6. The school must contact the parent/guardian by telephone or send a certified letter giving notice of the recommendation for expulsion, the reason for the recommendation for expulsion, and the date and time of a hearing to determine whether the student is expelled.
7. The school must give the parent/guardian notice in writing of the recommendation for expulsion and the reason for the recommendation for expulsion.*
8. If the parent/guardian fails to attend the required conference within 5 days of the mailing of the certified letter or other contact with the parent/guardian, the truancy laws shall become effective.
9. **THE STUDENT SHALL REMAIN IN SCHOOL, UNTIL THE END OF THE SCHOOL DAY UNLESS RELEASED INTO THE CARE OF A PARENT/GUARDIAN. NO STUDENT SHOULD BE SENT HOME WITHOUT PROPER DOCUMENTATION OF THE PARTICULAR MISCONDUCT AND REASON FOR RECOMMENDATION FOR EXPULSION.**
10. A hearing is conducted by the Superintendent or a designee, within 10 school days of the incident.
11. A determination of whether to expel the student is made by the Superintendent or a designee.
12. The principal and teacher as well as the student may be represented by someone of their choice at this hearing.
13. Until the hearing takes place, the student shall remain on suspension.
14. The parent/guardian of the student, within five days after the decision to expel the student has been rendered, may request the district to review the findings of the Superintendent or his designee. Otherwise, the decision of the Superintendent shall be final.
15. The board, in reviewing the case, may affirm, modify, or reverse the action previously taken.
16. If the board upholds the decision of the Superintendent, the parent/guardian may within 10 days, appeal to the district court for the parish in which the student's school is located. The court may reverse the ruling of the board.
17. No student receiving behavioral supports (i.e. individual behavior support plan) may be expelled and/or referred to the *Alternative Program* unless the school administrator has validated, through observation, that the student's behavior support plan has been implemented with high levels of integrity and compliance.

*Louisiana State Law

Expulsion Hearing by Superintendent or Designee

A hearing shall be conducted by the Superintendent of the district or his/her designee at the request of the school administration for all recommendations for expulsion. This hearing will determine the facts of a conduct infraction and make a finding of whether the student is guilty of conduct warranting the recommendation of expulsion.

The student must be present at the expulsion hearing. The student will be informed of the particular misconduct of which he/she is accused and will be given the opportunity to defend his/her actions. The student may be represented by a person of the student's choice. The concerned teacher shall be permitted to attend the hearing and shall be permitted to present relevant information. Until the date of the hearing, the student shall remain suspended from school and all related school activities.

If the misconduct of a qualified student with a disability is determined not to be a manifestation of the student's disability, the relevant disciplinary procedures applicable to students without disabilities may be applied in the same manner, except that CPSB must adhere to requirements regarding the provisions of Free Appropriate Public Education (FAPE)

Upon conclusion of the hearing, the Superintendent or designee shall determine whether such student shall be expelled or if other corrective or disciplinary action shall be taken. Records shall be maintained and made available upon request.

Alternative Program

Students who have been recommended for expulsion from their regularly assigned school may have their expulsion modified allowing the student to attend or be admitted to an *alternative program*. After review by a Child Welfare and Attendance hearing officer and consultation with the parent, child, and the school's administrator, the student may be referred to an *Alternative Program*. The parent/guardian and student must sign an agreement that the student will attend school regularly and follow all school rules and regulations. Entry level will be the grade the student was in immediately preceding the expulsion.

Our goal is to provide an appropriate educational setting for the at-risk child. Students will be evaluated using the parish grading policies, outlined in the Calcasieu Parish Pupil Progression Plan. All parish and state mandated testing policies and procedures will be followed.

A student must have completed his/her expulsion term as mandated by parish policy to be eligible to exit the program. After successfully completing their program, students will return to their assigned home base school. Parental participation is a must and regularly scheduled conferences will be held throughout the school year.

Direct Expulsion

The conviction of any student for a felony or the incarceration of any student in a juvenile institution for an act which, had it been committed by an adult, would have constituted a felony **MAY** be cause for expulsion of the student for a period of time as determined by the school board. The expulsion shall require the vote of two-thirds of the elected members of the Calcasieu Parish School Board.

Registration and school placement of students convicted of a felony or returning from incarceration will be reviewed by the district's Superintendent or his designee in a conference with parents.

The conviction of any student of a felony or the incarceration of any student in a juvenile institution may be sufficient cause for the Superintendent to refuse admission of said student to any school under his/her jurisdiction except upon review and approval of a majority of the elected members of the Calcasieu Parish School Board if and when a request for admission is made to the board.

Note: Expulsion actions taken herein for students with disabilities must be consistent with federal and state laws and regulations.

Appeal of Expulsion

A parent/guardian may request the Calcasieu Parish School Board or its designee to review the findings of the Superintendent or designee. Otherwise, the decision of the Superintendent or designee will be final.

To appeal an expulsion:

1. Submit a written statement of appeal request to Calcasieu Parish School Board within five (5) school days after an expulsion decision is rendered.
2. After formal notification of the request and after reviewing the findings of the Superintendent or designee, the School Board or its designee may affirm, modify, or reverse the action previously taken.

The parent/guardian may further appeal the district's decision within ten (10) calendar days to Civil District Court.

Discipline for Students with Disabilities

Individuals with Disabilities Education Act (IDEA)

The Individuals with Disabilities Education Act (IDEA) is the federal statute which mandates that each child with a disability is entitled to a Free Appropriate Public Education (FAPE), including educational services, related services, and transition services. The IDEA and the accompanying federal and state regulations dictate the allowable duration of disciplinary removals of students with disabilities as well as the heightened procedural safeguards that must be implemented before and after a student with a disability is suspended from school.

The 10 Day Rule

A school district may suspend a student with a disability in the same manner as a student without a disability for up to 10 days consecutively or cumulatively during the course of the school year. Once a student has been removed for 10 school days in a school year, even if those days are not consecutive, certain procedural safeguards apply, described below, for each additional suspension to ensure that subsequent removals are not an improper change in placement. In keeping with this general rule, the Louisiana regulations define a change of placement as occurring in the following situations:

1. a student with a disability is removed from his or her current educational placement for more than ten consecutive school days; or
2. a student with a disability is subjected to a series of removals that constitute a pattern because they cumulate to more than ten school days in a school year and because of factors such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

Additionally, any removal from school, even if the school does not initiate the paperwork for a formal suspension, counts toward the 10-day rule. All days a student with a disability spends out of school as a result of school action, whether formal or informal, apply toward the 10-day limit.

Procedural Safeguards

Any time a student with a disability faces suspension or removal for more than 10 consecutive or cumulative days throughout the course of the school year, certain procedural safeguards apply to foster the student's continued access to the general curriculum and educational opportunities.

Manifestation Determination Review (MDR)

A Manifestation Determination Review (MDR) is a process by which parents and the school system personnel meet to determine if the student is being subjected to a disciplinary change in placement for behavior that is a manifestation of his or her disability. Whenever the school system proposes to change the placement of a student with a disability based on a violation of the code of conduct, the school district must conduct an MDR within 10 school days of the decision to change the student's placement. When making a manifestation determination, the district, parent and relevant members of the IEP Team shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents. The IEP team shall then determine:

- (a) If the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability; or
- (b) If the conduct in question was the direct result of failure to implement the IEP.

If either is applicable the conduct shall be determined to be a manifestation of the student's disability. If the behavior is determined to be a manifestation of the student's disability, the IEP Team shall conduct a functional behavioral assessment (FBA) and implement a behavior support plan (BSP), if an FBA or BSP was not completed prior to the violation of the Code of Conduct. If a behavior support plan (BSP) has already been developed, the IEP Team shall review the plan, modify it, as necessary, to address the behavior. For behavior determined to be a manifestation of the child's disability, unless the IEP Team and parents agree to change of placement as part of the BSP, the student shall remain in his/her current placement.

If the behavior is determined not to be a manifestation of the student's disability, disciplinary procedures applicable to students without disabilities may be applied to the student in the same manner and for the same duration in which the procedures would be applied to students without disabilities. Nevertheless, a student with a disability who is removed from his or her current placement shall continue to receive educational services, so as to enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP, and receive, as appropriate, a functional behavioral assessment, behavioral intervention services and modifications, that are designed to address the behavior violation so that the likelihood of the behavior reappearing is reduced.

Discipline for Students with Disabilities Continued

Functional Behavioral Assessments and Behavior Support Plans

A student with a disability who experiences a change of placement should receive a Functional Behavioral Assessment (FBA) and behavior support services. An FBA is a document which should be completed prior to the development of an intervention plan. An FBA is performed to determine the cause of the behavior in question. Once the function of the target behavior is determined, the behavioral support services that will be provided should be outlined in the *Behavior Support Plan (BSP)*. The *BSP* should include antecedent modifications as well as positive reinforcers necessary to address the behavior in question. In developing the *BSP*, the *IEP Team* must consider the use of positive behavioral interventions and supports to address the behavior. Both the *FBA* and the *BSP* should be initiated within 10 days of the commencement of the removal. The *BSP* should be reviewed by the *IEP Team* after each suspension.

The 45 Day Exception

Even if the behavior is manifestation of the student's disability, with or without parent permission, a school district may move a student with a disability to an "appropriate interim alternative educational setting" for up to 45 school days for offenses involving illegal drugs, weapons, or serious bodily injury. The federal law defines illegal drugs as controlled substances under Schedule I, II, III, IV, or V as listed in 21 U.S.C. 812(c) but not controlled substances that are legally possessed or used. As to weapons offenses, the federal law only includes those weapons meeting the definition of "dangerous weapon" under 18 U.S.C. 930(g)(2), which is limited to "a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocketknife with a blade of less than 2 ½ inches in length." Under 18 U.S.C. 1365(h)(3) "serious bodily injury" is defined as bodily injury which involves a substantial risk of death, extreme physical pain, protracted and obvious disfigurement or protracted loss or impairment of the function of a bodily member, organ or mental faculty.

Services During Removals

Regardless of whether the behavior is manifestation of the student's disability, the law requires that if a student with disability has been removed from his or her current placement for more than ten school days in a school year, the school district must continue to provide educational services during the course of the removal. These services must allow the student to continue to receive educational services so as to enable the student to participate in the general education curriculum and to progress toward meeting the goals set out in the student's *IEP*.

Appeal Process

The parent of a student with a disability, who disagrees with any decision regarding disciplinary placement, or the manifestation determination, may request a due process hearing through Louisiana Department of Education.

Disciplinary Protections for Children Not Yet Identified as Having a Disability

A student is entitled to procedural protections under IDEA for discipline even if he or she is not yet classified as a student with a disability, provided that the school district had knowledge that the student was a child with a disability *before the student* violated to code of conduct for which disciplinary action is being contemplated. Subject to specific exceptions, a school district may be determined to have had knowledge of a student's disability if:

1. the parent of the student expressed concern in writing to administrative personnel that the student is in need of special education and related services;
2. the parent has requested an evaluation of the student; or
3. the teacher of the student, or other district personnel has expressed specific concerns about a pattern of behavior demonstrated by the student to the director of special education or to other district personnel the behavior or performance of the student demonstrates the need for these services

Student Code of Conduct

GLOSSARY OF TERMS

After-School Detention- Corrective strategy designed to typically address Level 1-2 and occasionally Level 3 discipline offenses. After-School Detention involves student's remaining after school for a specific period of time (e.g. one hour) to complete social skills activities that are related to the student's referral concern(s) and/or to complete academic assignments (with appropriate educational supports that are missed as a result of ISI/ISD or OSS. School administrators have the discretion to utilize multiple consecutive After School Detentions as an alternative to other consequence strategies such as ISI/ISS or OSS.

Alternative Program(s) – any public or private, elementary or secondary school offering an alternative program of study. Under Louisiana law, children who are expelled must be offered alternative education. This is sometimes done through alternative programs within a school. Other times, school districts place children in a different setting, such as a separate alternative school.

Behavior Contract – the behavioral contract is a simple written agreement serving as a reinforcement tool that is widely used by teachers to change student behavior. The behavior contract spells out in detail the expectations of the student, the teacher, and sometimes the parent and indicates the appropriate consequences should the student neglect to behave according to the contract. The student usually has input into the conditions that are established, which means that the student is more likely to be motivated to abide by the terms of the behavior contract than if the terms were imposed by someone else.

Behavior Support Plan (BSP) – a plan that is developed following a Functional Behavioral Assessment (FBA). Behavior support plans are written documents that describe the behavior to be changed and strategies or interventions implemented to address the target behavior. After being referred to the RTI team for displaying a pattern of major infractions, plans are developed by the student's teacher and reviewed by the RTI team. Behavior support plans assist the teacher in proactively and effectively dealing with behavior and aid in communicating behavioral expectations to individual students or an entire classroom. BSPs also communicate the reinforcers for achieving the goals or objectives and helps teachers remain consistent. The use of a behavior support plan assists in establishing the expectations of the teacher and includes specific teaching strategies designed to assist the student in learning the behavioral expectations outlined by the teacher. In addition, BSPs permit frequent feedback regarding the effectiveness of the management strategies being employed, assist in documentation of student or class progress and provide useful guidelines for interacting with students. Finally, BSPs must be implemented with adequate amounts of treatment integrity by teaching and administrative staff in order to effectively address the academic and behavioral needs of the student.

Bus Suspension – a corrective strategy in which a student is not allowed to ride the bus for a specified period of time. This strategy can be used if a student commits an infraction covered by the Student Code of Conduct on a school bus after other corrective strategies have been used.

Change of placement – occurs when either (1) a student with a disability is removed from his or her current educational placement for more than ten consecutive school days; or (2) a student with a disability is subjected to a series of removals that constitute a pattern because they cumulate to more than ten school days in a school year.

Check-In/Check-Out (CICO) – a positive behavioral support for students who demonstrate moderate behavior problems. It is intended to provide frequent reinforcement for compliance with behavioral goals. Each of the behavioral goals should be defined in clear behavioral terms. The goals are set and altered by the CICO coordinator (e.g., social worker, counselor) with the support of the Response to Intervention (RTI) team. The CICO coordinator or designated mentor meets twice daily with the student to individually provide pre-correction and social skills training related to each of the designated behavioral goals. The student will review the goals each morning with the CICO coordinator in order to completely understand the behavioral expectations. Teaching staff must provide the student with corrective and reinforcing feedback throughout the day in order to assist the student in learning the desired replacement behaviors. CICO systems must be implemented with adequate levels of treatment integrity in order to be effective for the student.

Corrective Strategies – also known as alternatives to suspension and expulsion, Corrective Strategies may include, but are not limited to the list located on page 24.

Dangerous Weapon – a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocketknife with a blade of less than 2 ½ inches in length.

Detention – a form of discipline used in schools in which a student is required to spend extra time in school. A detention usually takes place during a period after the end of the regular school day. However, detention may take place at other times, such as before the school day, on the weekend (traditionally known as **Saturday School**), and during breaks in the school day, such as lunch. Detention is usually considered one of the milder forms of disciplinary action available to a school.

Discipline – the steps or actions that teachers, administrators, support staff, parents, and students follow to enhance student academic and social success.

Due Process Hearing – an administrative hearing to resolve special education disputes between parents and schools. The Individuals with Disabilities Education Act (IDEA) Includes rules of procedure for resolving such disputes. A due process hearing is usually a formal, contested, adversarial trial.

Exceptionality – a child's specific educational classification under Louisiana Bulletin 1508. There are several types of exceptionalities, including Autism, Deaf/Blindness, Developmental Delay, Emotional Disturbance, Hearing Impairment, Mental Disability, Orthopedic Impairment, Other Health Impairment, Specific Learning Disability, Speech or Language Impairment, Traumatic Brain Injury, and Visual Impairment. In Louisiana, "exceptionality" also includes students classified under 1508 as "Gifted" and/or "Talented".

Expulsion – any denial of school attendance for the remainder of the school year, for a time designated during the current or next school year.

Extortion – the communication of threats to another in order to obtain money, property or services.

Free and Appropriate Public Education (FAPE) – the standard of education that schools must offer to children with disabilities or exceptionalities. This means that the school must help to create a specific plan (i.e., individualized education program) for an eligible child to address the child's unique learning needs; offer special education and related services required to address those needs; and offer placement in an appropriate educational setting. FAPE differs for each student because each student has unique needs. FAPE ensures that all students with disabilities receive an appropriate public education at no expense to the family.

Functional Behavioral Assessment (FBA) – a behaviorally-based assessment process of examining the empirically-based function(s) or purposes that a particular behavior plays for a student that includes an analysis of the frequency, intensity and duration of a behavior. The end result of the FBA is a Behavior Support Plan (BSP) – a plan to implement support intervention for specific behaviors including the development and implementation of preventative strategies, teaching strategies, reinforcement strategies, and appropriate consequent strategies designed to teach the student effective, efficient, and relevant replacement behaviors.

Home-School Communication System – Communication with families about school programs and student progress through effective school-to-home and home-to-school communications.

Individuals with Disabilities Education Improvement Act (IDEA) – a federal law mandating that all children with disabilities have available to them a free, appropriate public education (FAPE) that emphasizes special education and related services designed to meet their unique needs and prepare them for employment and independent living. It provides funds to assist states in the education of students with disabilities and requires that states ensure the rights of children with disabilities and their parents are protected. IDEA also assists states in providing early intervention services for infants and toddlers with disabilities and their families.

Individualized Educational Plan (IEP) – a document that sets out a specific program for educating children with special needs. Under federal special education law (IDEA), all children ages 3-21 identified as having a disability under that law must be offered an IEP.

IEP Team – a group of people who are responsible for developing, reviewing, and revising the IEP (Individualized Education Program) for a student with special needs. The IEP team must review each student's progress yearly to determine current progress and future needs. The review needs to consider whether annual goals for the child are being achieved, staff and parental concerns about the student's progress, the results of any re-evaluation conducted, and what changes need to be made. By law, the IEP Team must include the following individuals:

- At least one general education teacher, if the student is (or might be) participating in the general education environment
- A representative of the local educational agency (LEA) who is knowledgeable about specially designed instruction for students with disabilities, the general curriculum, and the availability of LEA resources
- The parent/guardian
- The student, as appropriate
- Someone who can interpret the instructional implications of evaluation results, who may be another team member
- Other people whom the parent/guardian or the school have chosen to invite who have knowledge or special expertise regarding the child

In-School Detention- a form of discipline used in schools in which a student is required to spend time away from his peers. A detention usually takes place during breaks in the school day, such as lunch or recess. Detention is usually considered one of the milder forms of disciplinary action available to a school where the student is not removed from instructional time. ISD should include remediation designed to teach the student replacement behaviors and generalization strategies to assist the student in displaying the replacement behaviors in the school environment.

In-School Suspension (ISS)/In-School Isolation (ISI) – Corrective/consequence strategy that involves the temporary removal of a student from the regular school classes and the placement of a student in an approved educational program, usually at the same school. Students assigned to ISS/ISI should complete relevant social skills/activities that relate to their referral concern(s), as well as, complete academic assignments that are in keeping with the student's curriculum. Students assignment to ISS/ISI may occur for specific periods of time (e.g., 1 hr to several days) deemed appropriate by school administrators to effectively address non-suspendable behavioral infractions. ISS/ISI should include planned remediation designed to teach the student replacement behaviors and generalization strategies to assist the student in displaying the replacement behaviors in the school environment.

Instructional Supports – changes that teachers can make in the classroom to help students with exceptionalities learn more effectively and efficiently. These changes may include modifications to the classroom environment or method of teaching, as well as finding different methods to assist the student in expressing what he or she has learned. The teacher may also arrange for extra assistance from other school professionals.

Intervention Services (IS) — interventions used prior to referring a student for a multi-disciplinary evaluation to determine if special education services are needed. Intervention services must be implemented with adequate levels of treatment integrity in order to be effective in addressing student academic and behavioral concerns.

Least Restrictive Environment (LRE) – The federal law special education law, IDEA, mandates that students with disabilities must be educated with their non-disabled peers to the maximum extent appropriate based on the student's needs. This is known as the Least Restrictive Environment (LRE). The IEP Team (including the parent) determines the placement that the student needs to provide the services on the student's IEP and the team must choose the least restrictive environment able to provide those services.

Local Education Agency (LEA) – a public board of education or other public or quasi-public authority within a state that maintains administrative control of public elementary or secondary schools in a city, county, township, school district or other political sub-division.

Manifestation Determination Review (MDR) – A MDR examines the child's behavior and previously documented information about the student in an effort to determine whether the behavior for which the student is being disciplined is a manifestation of the student's disability.

Multi-Disciplinary Evaluation (MDE) – an assessment of a student's current functioning levels, strengths, and educational needs. Federal and state regulations require that a comprehensive evaluation be conducted to determine if a student has a disabling condition which qualifies him/her to receive special education services. A *Re-evaluation* should happen at least every three years (See the definition of "re-evaluation" below).

No Child Left Behind Act (NCLB) - The No Child Left Behind Act of 2001, commonly known as NCLB, is a federal law that aims to improve the performance of United States primary and secondary schools by increasing the standards of accountability for states, school districts, and schools, as well as providing parents more flexibility in choosing which schools their children will attend.

Out-of-School Suspension – is the temporary removal of a student from school. Suspensions are limited in time and the student should be able to return to school after the term of suspension is completed. During the suspension period, students are not permitted to visit their school campus.

Placement – If a student is receiving special education or related services under IDEA, the student's placement is the educational setting that the IEP team determines is appropriate for the student, as reflected in his/her written IEP. Placement does not mean the room the student is in, but the program and services most appropriate for him/her, as stated in the IEP.

Positive Behavioral Interventions and Supports (PBIS) – a proven, research and evidence-based discipline program that emphasizes school-wide systems of support that include strategies for defining, teaching, modeling and supporting appropriate student behaviors to create positive school environments. The program defines and teaches core behavioral expectations, acknowledges and rewards appropriate student behavior and establishes a consistent continuum of consequences for problem behavior.

Re-evaluation – If a child currently receives special education services, the need for re-evaluation must be considered every three years, however; a re-evaluation may be requested more frequently if needed. The purpose of a re-evaluation is to: (1) determine whether a student continues to have a disability and needs special education and related services; (2) determine current levels of performance and identify educational needs; (3) determine if any changes need to be made on the IEP that would enable the student to meet annual goal(s) and participate, as appropriate, in the general curriculum.

Reflective Activity – an assignment designed to give the student an opportunity to think critically about an instance in which he/she broke a rule. The assignment should guide the student towards determining an appropriate behavior for the given situation instead of the behavior that broke a school rule. An example of a reflective activity given to a student: "Write a paragraph answering these two questions: 1) What caused you to walk out of the classroom?; and 2) What you could have done differently when you started to feel like you wanted to walk out of the classroom?" Another reflective activity would include asking the student to fill out a self-evaluation that the teacher then reviews with the student. After discussing the self-evaluation, the teacher and student could develop a plan to help address the student's areas of weakness.

Related Services – transportation and such developmental, corrective, and other supportive services as are required to assist a child with a disability to benefit from special education. The following are included within the definition of related services: speech-language pathology and audiology services; psychological services; physical and occupational therapy; recreation, including therapeutic recreation; early identification and assessment of disabilities in children; counseling services, including rehabilitation counseling; orientation and mobility services; medical services for diagnostic or evaluation purposes; school health services; social work services in schools; parent counseling and training; and transportation.

Response to Intervention (RTI) – a process that provides high-quality research-based instruction and interventions that are matched to a student's needs. This process incorporates data developed to examine the student's learning rate over time to make appropriate educational and instructional decisions regarding assistance to at-risk students. In the RTI process, students with academic delays and/or behavioral challenges are given one or more research-validated interventions. The student's academic progress is monitored frequently to see if the interventions are sufficient to assist the student in reaching the instructional level of his or her grade. If collected data indicates that the student does not demonstrate adequate progress despite several implemented research-based interventions, consideration for special education may be warranted. Finally, the RTI model requires that academic and behavioral interventions must be implemented with adequate levels of integrity by educational staff in order to adequately evaluate student response or failure to respond to intervention.

Saturday School – See listing for "Detention".

Sexual Assault – any physical contact of a sexual nature without voluntary consent. While associated with rape, sexual assault is much broader and the specifics may vary according to social, political or legal definition.

State Education Agency (SEA) – the agency primarily responsible for the supervision of the state's public elementary and secondary schools. In Louisiana, the SEA is the Louisiana Department of Education.

Suspension – See listing for "Out-of-School Suspension".

504 Plan – a plan that outlines the services needed by a student that has been identified 504 eligible and protected under Section 504 of the Rehabilitation Act. Essentially, Section 504 covers students who have been defined as having any physical or mental impairment that interferes with any major life activities (learning, walking, talking, etc.). These students may or may not fall under the protection of IDEA 2004 (Individuals with Disabilities Education Improvement Act).

Annual Notice Regarding Medicaid Reimbursements

If you have previously consented for CPSB to share personally identifiable information about your child with Louisiana Medicaid and to seek reimbursement for Medicaid covered services that are provided at school, please review the information provided in this annual notice.

The disclosure of personally identifiable information to Louisiana Medicaid and access to Medicaid reimbursement for the school district shall not result in any decrease in available lifetime coverage, shall not result in any cost to you or your family, shall not increase any premiums or lead to the discontinuation of your child's benefits or insurance, and shall not create any risk of loss of your child's eligibility for home and community-based waivers based on total health-related expenditures.

You may withdraw this consent in writing at any time. If you refuse consent or withdraw consent to allow access to the Medicaid benefits, it will not relieve the school system of its responsibility to ensure that all required educational services are provided at no cost to your child.

Child Find Notice

Child Find activities are undertaken for children who are suspected of having a disability and who may need special education services. The Individuals with Disabilities Education Act (IDEA) states: "The State must have in effect policies and procedures to ensure that—All children with disabilities residing in the State, including children with disabilities who are homeless children or are wards of the State, and children with disabilities attending private schools, regardless of the severity of their disability, and who are in need of special education and related services, are identified, located, and evaluated."

Pursuant to Section 504 of the Rehabilitation Act of 1973, the District has a duty to identify, refer, evaluate and if eligible, provide a free, appropriate public education to disabled students.

The CPSB utilizes a Response to Intervention (RTI) model of universal screening, intervention and progress monitoring to respond to the needs of the struggling student. Students who continue to demonstrate a lack of progress are considered for more intense intervention. For students who still struggle after more intensive interventions, they shall be referred to the School Building Level Committee (SBLC). The SBLC, with the parent's invited participation, will consider additional options, including continued interventions. If a student is suspected of having a disability under IDEA (and may need special education services) or Section 504, parental consent for evaluation shall be requested.

For additional information about the rights of parents of eligible children, or for answers to any questions you might have about identification, evaluation and placement into Section 504 or Special Education programs, please contact the District's Section 504 Coordinator and Pupil Appraisal Administrative Coordinator, Mike Hill at [337-217-4300](tel:337-217-4300) or mike.hill@cpsb.org. Requests for evaluation may be mailed to:

Factors such as number of office discipline referrals, poor academic performance with no indicators of academic weakness, parental input and staff recommendations are considered. Interventions would be provided to assist students in addressing social/emotional concerns that are obstacles to education or the learning environment.

Parent input is critical in early awareness of social and/or emotional concerns. If you believe your child has significant social or emotional difficulties, please complete this page and return it to your child's teacher. The information will be reviewed by school personnel to determine if further screening is recommended; no action will take place without parent notification.

STATE OF LOUISIANA DEPARTMENT OF EDUCATION RULES FOR SCHOOL BUS RIDERS

Bulletin 1191

A school bus with undisciplined passengers is a hazardous bus. The misbehavior of the students can lead to accidents. The driver must concentrate on the driving task at hand and cannot be expected to constantly discipline the students while the bus is in motion. 1. Cooperate with the driver; your safety depends on it.
2. Be on time; the bus will NOT wait.
3. Cross the road cautiously under the direction of the driver when boarding and leaving the bus.
4. Follow the driver's instruction when loading and unloading.
5. Remain quiet enough not to distract the driver.
6. Have written permission and be authorized by the principal to get on or off at a stop other than the designated stop.
(Requires parent's signature, principal's signature, and permission slip given to the bus driver to be filed on the bus.)
7. Remain seated at all times when the bus is in motion.
8. Keep arms, head or other objects inside the bus at all times.
9. Refrain from eating or drinking on the bus.
10. Use emergency exits only for emergencies, and when instructed to do so.
11. The following items are not allowed: the use or possession of tobacco, matches, cigarette lighters, obscene materials, weapons, drugs or other prohibited items on the bus. For additional items see your child's school policy handbook.
12. No glass objects or other objects allowed on the bus if prohibited by state or federal law or local school board policies.
13. No band instruments, projects and other objects too large or too hazardous to be held by the passenger or stowed safely under the seat will be permitted on the bus.

TITLE I DISTRICT FAMILY ENGAGEMENT POLICY CALCASIEU PARISH SCHOOL BOARD (CPSB) 2018/2019

"The mission of Calcasieu Parish School Board is to work in partnership with students, families and the community to ensure that each student acquires the knowledge, skills and core values necessary to achieve personal success and to enrich the community."

The School Board recognizes the importance of the school and home working together as partners in the education of each child as stated in the mission. The Calcasieu Parish Title I Family Policy encourages the engagement of all families. The district Title I Family Policy as well as each school's Family Policy are jointly developed, written and annually reviewed by school staff and family members in order to improve and promote student academic success. These policies incorporate the requirements under the *Every Student Succeeds Act 2015, section 1118 of the Elementary and Secondary Act. Title I* is a major provision of the *Elementary and Secondary Education Act of 1965 (ESEA)*, as amended by the *Every Student Succeeds Act of 2015 (ESSA). Title I, Part A –Improving the Academic Achievement of the Disadvantaged* provides assistance for students in high-poverty schools. In order to accomplish our mission, the following policies have been developed to ensure family engagement in the CPSB Title I Schools.

PART 1. Division Practices and Expectations

CPSB will put into operation programs, activities and procedures for the engagement of families of participating students in all Title I Schools. CPSB families of participating children will give input for developing programs and activities that are planned and operated with meaningful consultation through our District **ATP (Action Team Partnerships)**. CPSB Title I specialists will work with the served schools to ensure that the required school-level family engagement policies meet the requirements of the law and that each policy will include a school-family compact.

CPSB will provide full opportunities, to the extent practicable, for the participation of family members that are non-English speakers, family members with disabilities, and family members of migratory children to receive, information and school reports in an understandable format and language family members can understand. CPSB will submit all comments from family members, with the plan, to the Louisiana Department of Education if any family members are not satisfied with the district policy. CPSB will engage the Title I families in decisions about how the one percent of Title I, Part A funds reserved for family engagement, will be spent. CPSB supports and agrees with the statutory definition of family engagement, and expects that its Title I schools will carry out programs, activities and procedures in accordance with this definition: *CPSB family engagement means the participation of family members in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring: that families play an integral role in assisting their child's learning; that families are encouraged to be actively involved in their child's education at school; that families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.*

PART 2. Implementation of CPSB Title I Family Engagement Components

CPSB will engage family members in the joint development, implementation and evaluation of the district-wide policy by serving on our district **ATP**. The results of the evaluation will be used to identify barriers and better design strategies for increased family engagement. CPSB Title I specialists will provide technical assistance and other necessary support to assist the schools in developing and implementing effective family engagement policies, student learning compact, One Year Action Plans as part of the school improvement plan, and other events at the served schools in order to improve academic achievement. CPSB Title I programs at the district and school levels will coordinate and integrate, as necessary, family engagement activities, workshops and meetings with the following programs: Head Start, Pre-K, PIE (Partners in Education), Special Education, and Adult Education. CPSB Title I schools will provide multiple opportunities/activities for family members of participating students.

PART 3. ADOPTION

This District-wide Family Engagement Policy has been developed jointly with, and agreed on with, family members of children participating in the Title I, Part A programs, as evidenced by meeting agendas at the district and school level.

This policy was adopted by Calcasieu Parish Public Schools Title I ATP on May, 2019 and will be in effect for the period of one year. CPSB will distribute this policy to all families of participating Title I, Part A, children upon adoption.

RE: 2020-2021 Budget Message

Presented herein is the Proposed General Fund Budget for the fiscal year beginning July 1, 2020 and ending June 30, 2021. This budget document includes estimated revenues, expenditures and fund balances for the General Fund. The budget represents a continuation of present service levels with some modifications.

Fiscal year 2020 was affected negatively by another year of decreased sales tax revenues and decreased M.F.P. revenues. FY21 sales tax revenues are projected to be down another \$5 million+ over FY20 but M.F.P. revenues are projected to rebound some from the prior year.

The following is a brief overview of major changes in the proposed budget for 2020-2021 as compared to the final revised budget of 2019-2020:

Proposed revenues and other sources of funds are \$331,630,697, an increase of \$2,438,524 from the final revision for 2019-2020. Major changes include:

- Property taxes- decrease of \$1,024,000 - more conservative estimate
- Sales taxes - decrease of \$5,086,349 - Estimate based on Leg. Auditor projection

- M.F.P. - increase of \$7,151,454 - initial estimate by DOE based on decreased sales tax base causing decrease of local funds cost burden (MFP formula driven).

- Indirect Costs - increase of \$1,200,000 related to CARES Act grant

Expenditures and other uses of funds are projected at \$338,485,869, a decrease of \$36,821,848 from the final revision of 2019-2020. Major changes include:

- Net Salary decreases - \$24,765,881-salary categories across all departments reflect removal of salary supplements, a reduction of nearly 100 positions across all departments, and a salary step freeze for all employees.

- Teachers' Retirement - \$5,741,313 decrease due to net salary decreases and TRSL employer rate decreased from 26.0% to 25.8%.

Building Foundations for the Future

Sch. Employees' Ret. - \$1,164,540 decrease due to net salary decreases and LSERS employer rate decreased from 29.4% to 28.7%.

Technology	-\$378,994 decrease-extra Erate services needed in PY, will not have in FY21
	-\$401,000 decrease-Tech expenditures shifted to CARES act grant
Bus purchases	-\$1,450,000 increase-none purchased in PY
Maintenance	-\$1,568,353 decrease-reductions in roofing stadium repairs, building renovation
Charter Transfer	-\$842,472 decrease due to decreased economic activity

Additionally, all departments were asked to cut their non-salary related departmental expenditures by 10%. Most were able to achieve this goal.

The proposed budget for 2020-2021 projects an operating deficit of \$6,855,172 leaving a projected unassigned fund balance of \$5,395,379 or 1.63% of projected revenues.

The budget is a working document based on various assumptions and calculated estimates. It is also a management tool designed to guide the Calcasieu Parish School Board's financial decisions. Like any tool, it is helpful only when it is used properly. The Calcasieu Parish School Board staff is available to provide any additional information or help you may need in interpreting this document. As assumptions change or estimates are revised, the Board will be asked to revise the budget as dictated by law and policy.
