Dear Family,

In school this week, we are learning about all the things that happen at school. We are sorting objects and making patterns. We are also meeting the Letter People from Ms. A to Mr. I. Here are some things you can do at home this week to support your child's learning at school. Happy Learning!

Monday	Tuesday	Wednesday	Thursday	Friday
Focus Question: What happens at school? ☐ Home Learning will be an important part of your child's success in school. Start off right by creating an afternoon routine to assist your child in transitioning into a big kid. ☐ Have your child draw a picture of something that happens at school. Label the picture together. ☐ Discuss the Wow word: challenge	☐ Invite your child to help sort the junk drawer and tell how sorted groups are alike. ☐ Allow your child to experiment drawing with crayons, markers, pens and pencils. When done say, "Tell me about your drawing." ☐ Discuss the Wow word: considerate	☐ Sing songs, chant rhymes, and play games. Include family names in the songs, rhymes, and game. ☐ Create a simple pattern, then have your child copy it. Ex: color on a paper blue, green, blue, green, blue, green. ☐ Discuss the Wow word: disturb	☐ Ask your child about classroom rules. Compare how they are the same and different to rules at home. ☐ Establish a love of reading. Find a book about going to school and read it together. This would be a great time to get a library card, if you do not already have one. ☐ Discuss the Wow word: commotion	☐ Talk with your child about this week's Wow Words. Ask: "Why is it important to keep things <i>tidy</i>?" ☐ Have your child help with getting different parts of the house <i>tidy</i>. ☐ Discuss the Wow word: tidy
