

Weekly Home Learning

Student Name: _____

Dear Family,

In school this week, we are exploring how different families are the same and different. We are matching objects one-to-one. We are also meeting Mr. H and learning about his letter and sound. Here are some things you can do at home this week to support your child's learning at school. Happy Learning!

Research

Talking with your child is powerful! Research shows that talking to your child gets him or her off to a good start in school. As you read books together, take time to talk about the book. Ask questions to invite your child to think beyond what is written in the book. (Pappano, 2008)
