

Weekly Home Learning

Student Name: _____

Dear Family,

In school this week, we are learning about science and what it is. We are learning about triangles, circles, and ovals. We are also meeting Ms. U and learning about her letter and short u sound. Here are some things you can do at home this week to support your child's learning at school. Happy Learning!

Research

Children naturally like to explore, so encourage your child's curiosity by modeling questions about science. For example, ask: "Why does the moon change shape?" Then invite your child to ask questions. Together, try to find answers in books, online, or by asking community experts. (Florida Partnership in Education, 2009c)

Monday	Tuesday	Wednesday	Thursday	Friday
Focus Question: What is science? ☐ Together talk about things scientists study. Choose one thing to learn more about. ☐ Have your child practice the letter forms for Uu. Use a crayon, marker, pen and/or pencil. Don't forget to review the /u/ sound and words that start with U. ☐ Discuss the Wow word: study	☐ Go on a shape hunt to find triangles, circles, and ovals in everyday objects. ☐ Discuss different shapes with your child. Ask guiding questions, such as: How many sides does a triangle have? ☐ Discuss the Wow word: mighty	☐ Talk about Ms. U's unusual umbrella and other unusual things you might see in the air. ☐ Read Ms. U's Meeting and Greeting Card with your child. Have your child share the card with someone in the family. ☐ Discuss the Wow word: unusual	☐ Talk about new experiences and how they relate to past experiences your child has had. ☐ After reading <i>Up and Down</i> talk about what is happening in each picture. ☐ Discuss the Wow word: wonder	☐ Talk with your child about this week's Wow Words. Ask: "What is an ancient thing?" ☐ Go on a hunt around your home to find objects you can hang up and take down, such as clothing or towels. ☐ Discuss the Wow word: ancient
Time Spent: 15 30 45	Time Spent: 15 30 45	Time Spent: 15 30 45	Time Spent: 15 30 45	Time Spent: 15 30 45
Circle the time spent each day.
