

DIG Printable Take-Home Books

Instructions for making a book

Option 1

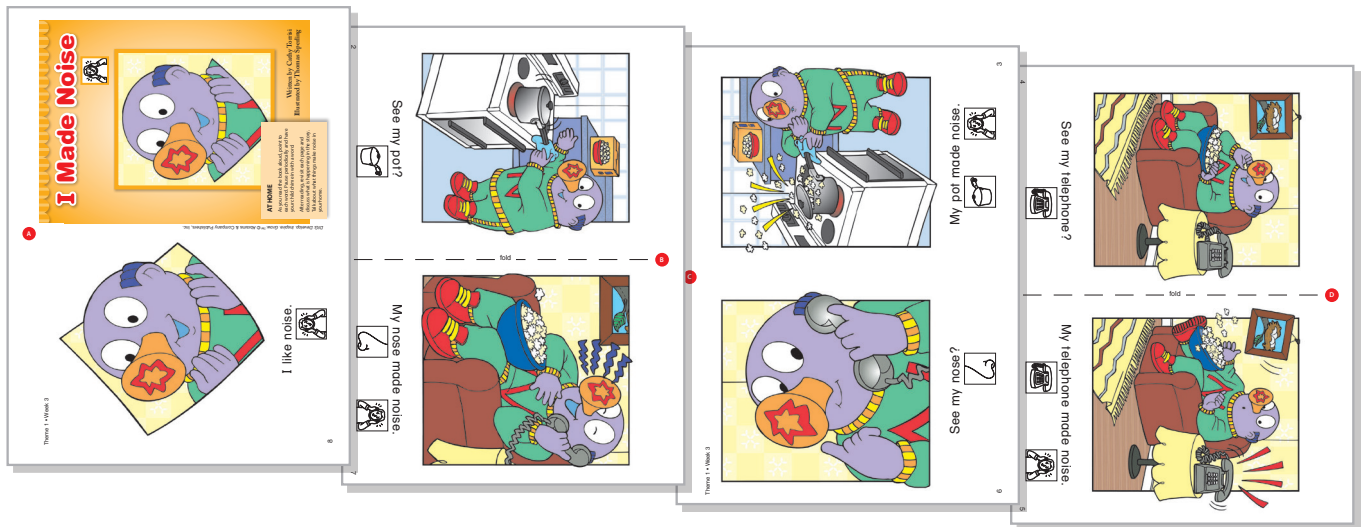

- Print a double-sided copy from your printer.
- Fold the two pages in half and **staple** two times to the right of the fold.

Option 2

- Print a single-sided copy from your printer.
- Make a double-sided copy on your copy machine.*

*Load single pages into copier as shown below, for single-sided to double-sided copying. Pages A and B will copy back to back. Pages C and D will copy back to back.

- **Fold** the two pages in half and **staple** two times to the right of the fold.

Send the book home for families to enjoy!
