

I Made a Face

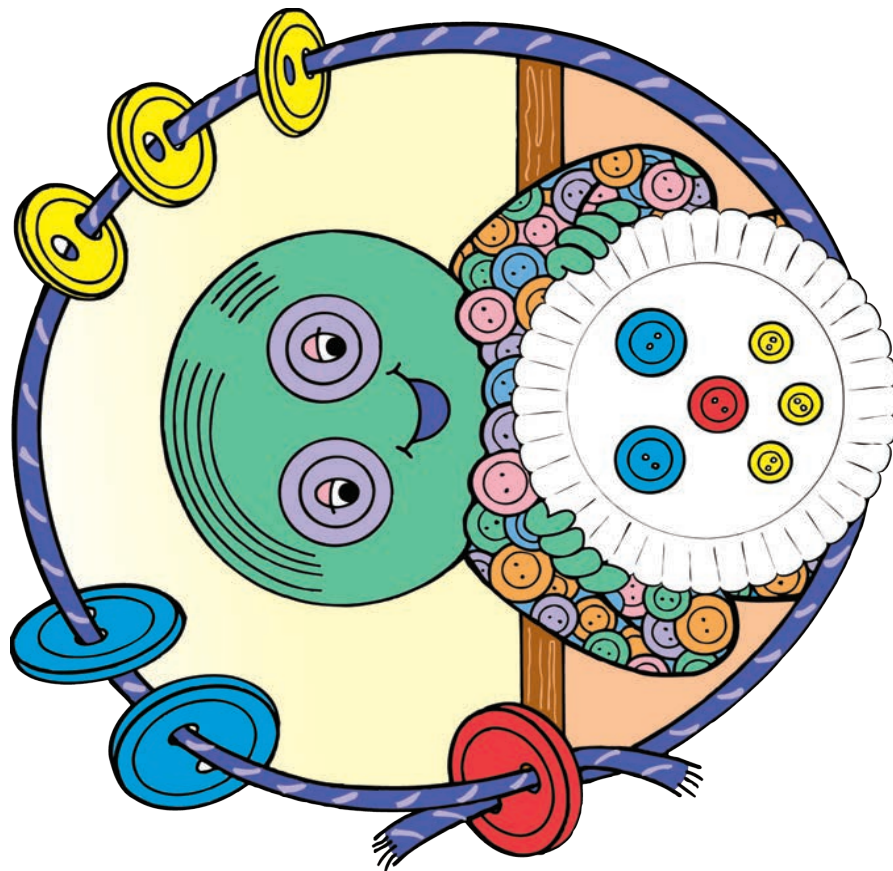

Written by Cathy Torrissi
Illustrated by Pattie Silver

AT HOME

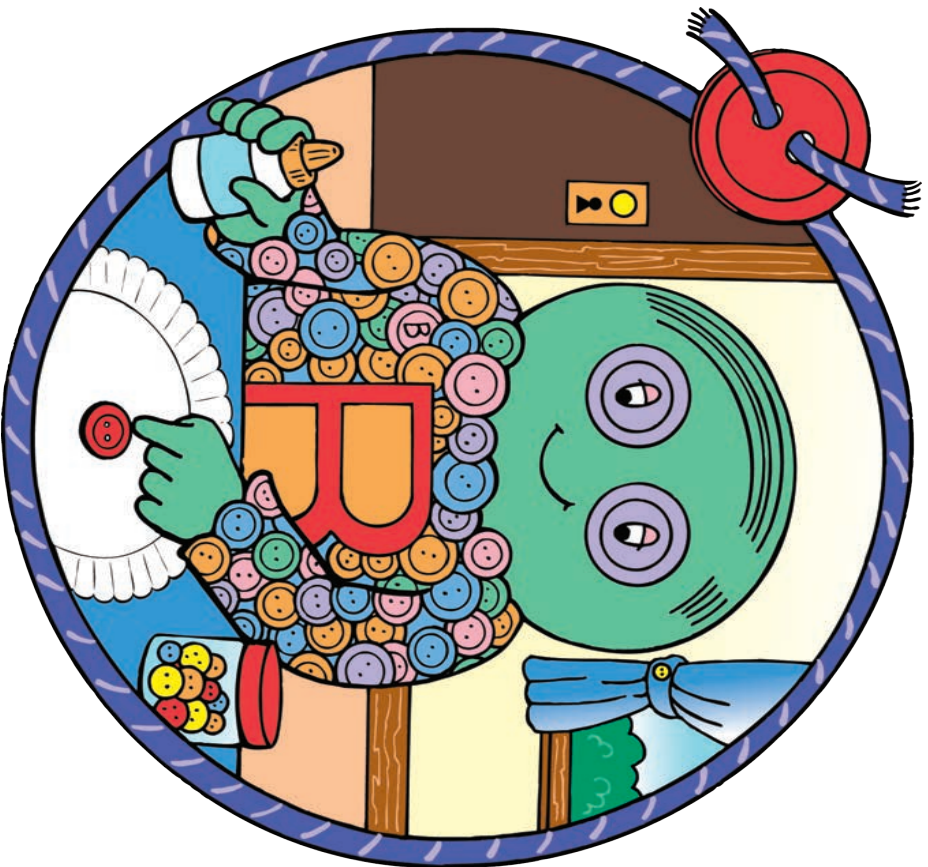

As you read aloud, have your child echo your reading. Pause after each sentence you read, and have your child repeat it. After reading, revisit each page and discuss what Mr. B is doing. If possible, invite your child to make his or her own face using buttons or bits of colored paper. Ask your child to talk about the colors and count any materials that were used.
