AT HOME

Before reading, page through the book and have your child name the animal(s) in each photograph. Then read the book aloud.

After reading, discuss what animals your child would most like to see in a zoo. If possible, arrange a visit to a zoo near you.

I see animals in the zoo.

I see a tiger in the zoo.

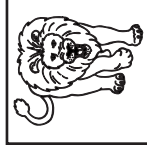

I see a zebra in the zoo.

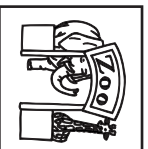

I see a lion in the zoo.

I see a gorilla in the zoo.

I see penguins in the zoo.
