Houses

AT HOME

Before reading, page through the book and help your child identify the last word in each sentence. Then invite your child to read the book to you.

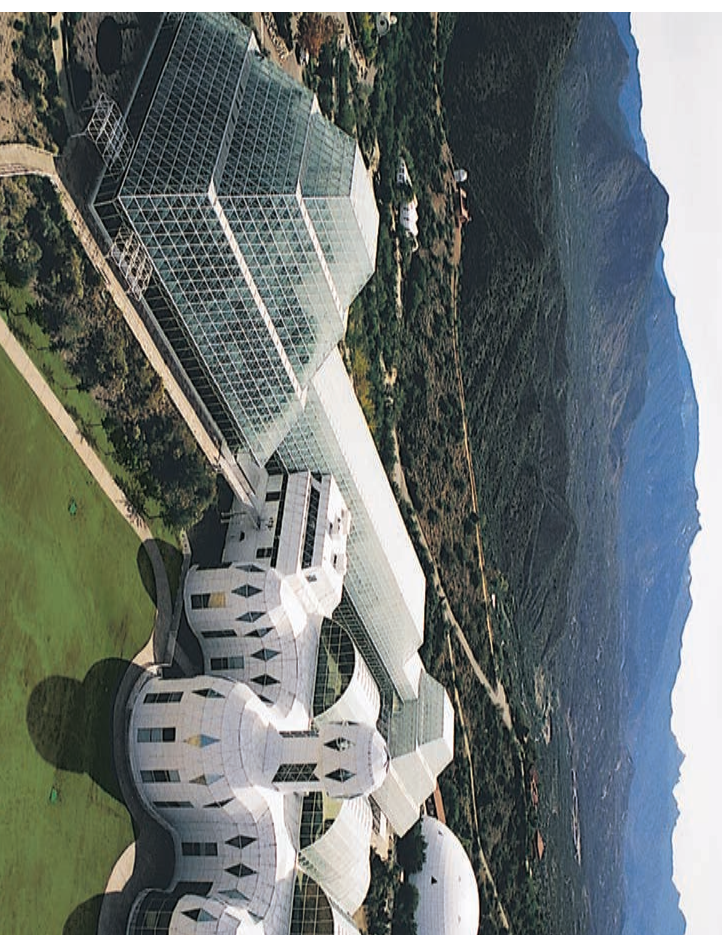

After reading, discuss which house your child would most like to visit or live in. Together, look at the outside of your home and identify the materials that were used to build it.

I see a house made of wood.

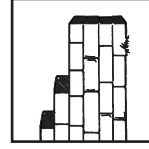

I see a house made of glass.

I see a house made of bricks.

I see a house made of mud.
