

Ellesmere College Swimming Academy Report
April/May 2023
Regionals 2023

Over 3 weekends of racing, 29 members of the ECSA made their way to either Corby International Pool or Moorways Sports Village for the 2023 Regional Championships. This placed the athletes against the best in region as well as the competition sitting within the national qualification window.

It was fantastic to see members from all squads of the ECSA race at the championships. We saw athletes follow their process goals, step up from heats to finals and show resilience as they raced multiple events across multiple days. We now look ahead to end of season summer meets, the team are already progressing and developing their skills and energy systems in preparation for the last racing period of the 2022/2023 season.
