2023-2024 Wadsworth City Schools Breakfast Press Release:

Please make sure to fill out a Free/Reduced price application if you feel as though your family would qualify. You can find the application on the Wadsworth City Schools website at: <http://www.wadsworth.k12.oh.us> or at any school front office. Please fill out the application as soon as possible to make sure that your family continues to receive the benefits needed. **Applications will expire on 10/04/23 from the previous school year. If a new application is not received before 10/04/23, the child's status will go into the paid category until the new application is received.** All fees added to the child's account will be at the expense of the household. The great news is that Wadsworth Schools have decided to not raise meal pricing. Breakfast will continue to cost \$1.70 for full price meals. Lunch will continue at \$2.70 for Kindergarten-4th grade, \$2.80 for grades 5-8, and \$3.00 for 9th-12th or \$3.25 for our home made pizza lunch at both the High School and Middle Schools. School begins on August 24th, 2023.

Thanks, and Go Grizzlies!
