LIMITLESS

SCHOOL REDESIGN

Mission:

Empowering students to become limitless through academic excellence.

Key Components of School Improvement Plan

- Implementation of Tier I curriculum in ELA, Math, Social Studies and Science. All are aligned to Louisiana Student Standards.
- Teacher support and professional development using Tier I curriculum during weekly cluster meetings.
- Implementation of the Teacher Advancement Program(TAP) to support our teachers in their efforts to improve their instruction and professional practices.

School Performance
Understanding LEAP Achievement Levels

- LEAP 2025 is divided into five levels of achievement. Our goal over the next several years is for every student to reach at least “Mastery” which signals readiness for the next grade level.

LEVEL 5	ADVANCED	Exceeded Expectations
LEVEL 4	MASTERY	Met Expectations
LEVEL 3	BASIC	Approached Expectations
LEVEL 2	APPROACHING BASIC	Partially Met Expectations
LEVEL 1	UNSATISFACTORY	Did Not Meet Expectations

How are LEAP 2025 Results Used

By Families

Families receive individual student scores through **student-specific reports** that detail academic strengths and challenges. Parents can also use **School Finder** to locate information about school and school system performance.

By Teachers

Teachers use student performance and progress data to **identify gaps** in learning and instruction, provide **targeted interventions** to students, and **set meaningful goals** for their classrooms at the start of each school year.

By School & System Leaders

School and school system leaders review achievement and progress data in the **principal and superintendent secure reporting portal**, and they use the data to identify and implement strategies to support improvement in struggling schools.

By the LDOE

The state uses test results one factor in evaluating school and district performance. Struggling schools complete improvement plans as par of **Louisiana's ESSA plan** a compete for funding to support these plans. The state also determines charter school renewal an RSD status in light of ratin

LEAP Trends

Subject - % Basic and Above	2016-2017	2017-2018	2018-2019

Math	40%	46%	33%
Social Studies	20%	17%	24%
Science	33%	N/A	N/A

School Redesign Goals

- The number of our students scoring Mastery or above on LEAP 2015 assessments will increase by 3% yearly.
- Our school's letter grade will rise to a "C" or higher by the end of our three-year plan.
- At least 90% of our teachers will be certified in the subject in which they teach each year.
- The average daily attendance rate for students will be 93% or higher.
- Behavior referrals will decrease each year by 10%

Together we are a Team!

We are committed to providing families with meaningful, two-way communication about our school's plan and your child's academic progress throughout the year. Here are ways you can partner with us to meet our plan's goals:

- ***Communicate with us: Contact your child's teacher or principal with questions about your child's progress, learning needs, or school events/programs through the Remind app.***
- ***Support learning at home: Visit our Parent Center or attend an upcoming parent workshop to learn more about supporting your child's learning at home.***
- ***Promote Good Attendance: Poor attendance results in loss of valuable instructional time.***
