

Calcasieu Parish School Board Parent Concern Form Response to Intervention - Behavior

Dear Parent,

In an effort to address behavioral and/or social/emotional concerns, the Calcasieu Parish School Board is utilizing a proactive approach to provide interventions to students. Factors such as number of office discipline referrals, poor academic performance with no indicators of academic weakness, parental input and staff recommendations are considered. Interventions would be provided to assist students in addressing social/emotional concerns that are obstacles to education or the learning environment.

Parent input is critical in early awareness of social and/or emotional concerns. If you believe your child has significant social or emotional difficulties, please complete this page and return it to your child's teacher. The information will be reviewed by school personnel to determine if further screening is recommended; no action will take place without parent notification.
