

“Play It Again Kettering”

An Instrument Donation Program

Our Mission

The Mission of “Play It Again Kettering” is to provide musical instruments to Kettering families that could not otherwise afford them. We believe that music education is essential to developing well-rounded students and all students should have the opportunity to discover music through playing an instrument.

Interested in Donating an Instrument?

- All standard band and orchestra instruments will be accepted. We are currently not accepting guitars or electronic instruments.
- Instruments in any condition will be accepted. Instruments not quite ready for student use will be repaired. Hauer Music Co. will be providing discounted repairs as the music industry partner with Kettering City Schools.
- Instruments that cannot be returned to a playable condition will be used for parts or salvaged to support this program.
- Donations are tax deductible. Instruments will receive an initial evaluation by a Hauer Music representative. Following the evaluation the donor will receive a letter thanking them for the donation and providing an estimated value for tax purposes.
- Donations will be accepted at the Kettering Music Office at Fairmont High School. The office is located in the Performing Arts Center at 3301 Shroyer Rd. Kettering, Ohio 45429. Donations cannot be accepted at the Hauer Music store.
- For more information call (937) 499-2647
