

SMART tag

Returning students should bring their SMART Tag to school; new students will receive their SMART Tag on the first day of school.

SMART Tag is a badge designed to streamline services including bus monitoring (students swipe on/off bus), dismissal procedures, attendance and more.

SMART Tag Portal/App

New Parents will receive an e-mail from the Campus Registrar with instructions on how to register for the SMART Tag Portal

- Set up Default Dismissal before school begins so campus staff know where to send students after school (bus, after school program, car rider line)
- Make Exceptions to the Default Dismissal if afternoon plans change
- Report Absences

**IMPORTANT! Set default dismissals
August 7-15 @Noon**

SMART Tag Benefits

- Elementary parents can make a dismissal change without interrupting teachers
- Parents can access the SMART Tag App to see when their children board or disembark a bus
- District can verify accurate bus ridership and designated bus stops
- Bus drivers have access to students' medical emergency information
