## Principal's Message

Dear students and parents,

Welcome to Gladys Poet-Christian School. We are a K-8 school and offer a family environment for our students. Because we are a magnet school, parents have a choice to enroll their children at Poet.

I want to help you capitalize on that choice and make our school one in which we are strongly united around a common set of values and beliefs. These values are encouraged and supported through a character-education program emphasizing the Six Pillars of Character: Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship.

We help each of our students to demonstrate responsibility for themselves and for the school. We also model respect and help our students to do the same.

We were very excited about the opportunity to offer our students science, technology, engineering and mathematics (STEM). All of our students in grades K-8 have STEM every day during the school year.

A school is as strong as its membership. The staff is dedicated to providing the best educational opportunities for our students. They spend time planning and working together to ensure that students gain from the insights and expertise of all of the staff. We strive to focus our collective energies on providing instructional strategies and meaningful curriculum that meet the needs of our students.

Our school has enjoyed a great deal of success because of a commitment from the Poet staff, parents and students. The parents at Poet have been a big part of the school's success and we look forward to continuing a strong partnership with parents every school year. It is imperative to Poet's success that we have the support and commitment from parents, and we are asking our parents to make a commitment to the school by volunteering at school and in schoolwide activities as much as possible. We realize that many parents work, therefore we arrange for ways for parents who work to do things to help the school at home. We believe that involved and active parents are better informed and thus more supportive of the school's efforts. Our students deserve and depend on a strong partnership between parents and the school. Poet is truly a wonderful learning community!

Follow Gladys Poet-Christian School on Facebook at www.facebook.com/GladysPoetChristianSchool for school updates, events on campus and special announcements.

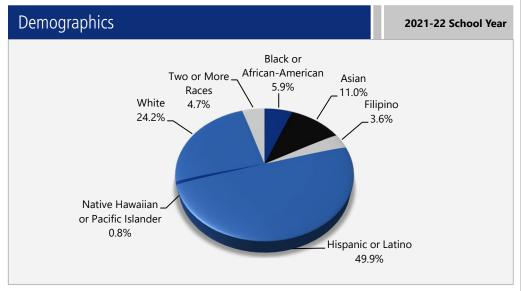

Sincerely,

Steven Wichman

Principal

# Enrollment by Student Group

The total enrollment at the school was 529 students for the 2021-22 school year. The pie chart displays the percentage of students enrolled in each group.

"The staff is dedicated to providing the best educational opportunities for our students."

#### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## **District Mission Statement**

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

### **District Vision Statement**

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

# **Class Size Distribution**

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

# Professional Development

The main focus for staff development during the 2020-21 school year was teaching in a distance learning and hybrid environment. With the closure of the school, teachers were tasked with teaching students in a virtual environment with a platform that was completely new to them and the students. All school-related staff development revolved around learning the new platform, teaching students in a virtual environment and utilizing best practices to engage students in learning in a virtual environment. Staff development activities took place on Wednesday Site Development Afternoons (2:30 p.m. to 3:30 p.m.), voluntary staff-development days, and district/site pre-service days.

The main focus for staff development for the 2021-22 school year revolves around re-acclimating students to in-person learning, building positive relationships and providing intervention for students to support learning loss due to the pandemic. Staff development activities take place during Early Release Mondays (typically from 2:15 to 4:30), voluntary staff-development days and district/site pre-service days.

# Types of Services Funded

About 55% of the district's income is spent on employee salaries, and 22% is spent on employee benefits. Books and supplies account for 9% of the district's spending, an additional 9% is dedicated to services and operating costs, 1% is used for capital outlay, and 2% is spent on another district outgo. Expenditures are expected to exceed revenues by approximately 8%.

All our K-3 classes comply with the California Class Size Reduction program limits. We offer a Bilingual Education and a GATE program at South/West Park Elementary School. We provide special programs at our high schools that include Agricultural Career Technical Education, a Space and Engineering Academy, a Medical and Health Services Academy.

# School Mission Statement

Gladys Poet-Christian School's mission is to guide and inspire our students to be a generation of independent thinkers who are responsible and prepared for the future.

#### School Vision Statement

Learn, Grow, Succeed!

## Parental Involvement

Poet-Christian is a school community that enjoys a great deal of parent support and involvement. The school's Parent Teacher Student Association (PTSA) provides a multitude of activities and events to bring families together to celebrate success and to build on the school's positive culture. The PTSA meets every month to plan events, to purchase materials and programs for the school, and to promote parental involvement in the classroom and school activities.

Parents are always encouraged to spend as much time in the classroom volunteering to assist the teachers in a variety of ways. Parents regularly volunteer and participate at the schoolwide events listed above as well as individual classroom events and activities. As stated above, current restrictions are preventing us from having parent volunteers in the classroom and at school. Parents play a tremendous role in helping Poet remain a successful school, and it is our hope that we will have parents back at Poet supporting our work in the near future.

Parents are also encouraged to participate in our School Site Council. The School Site Council is instrumental in monitoring the school's goals, plans, activities and budget. Meetings will be held virtually this year.

For more information on how to become involved at the school, please contact Brie-Anne Paterson, PTSA president, or Kris Golden, PTSA member and teacher liaison, at (209) 830-3325.

# California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021–22 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

## SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

# CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP – California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8, and once in high school (i.e., grade 10, 11 or 12).

#### CAASPP Test Results in ELA and Mathematics for All Students

The table below shows the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades 3-8 and 11.

English language arts/literacy	*	36%	*	39%	*	47%	
Mathematics	*	22%	*	25%	*	33%	

Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school years.

#### Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

# School Safety

Safety is always at the forefront of the school's effort to provide a positive and productive learning environment. Safety drills and procedures are discussed and practiced regularly during the school year. The safety plan outlines daily procedures for dropping off and picking up students, visitors on campus and participation in school activities and events. All parent volunteers must go through a reference and background check before volunteering at school.

The school's safety plan is reviewed and revised annually with staff at the beginning of each school year. Procedures and guidelines are reviewed throughout the school year with drills practiced each month. The safety plan was reviewed and adopted by the School Site Council in September 2022. The district has completed an updated districtwide emergency preparedness plan for each school site.

A TUSD Student Handbook is also reviewed and revised at the beginning of each school year. It addresses student issues and concerns with an emphasis on prevention. Discipline is handled quickly and fairly, and parents are contacted for nearly all discipline issues aside from minor rule infractions. The Discipline Plan revolves around the Six Pillars of Character and creating productive school and community citizens.

# School Facilities

#### General

The Tracy Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility-survey instrument developed by the State of California Office of Public-School Construction. The results of this survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is more specific information on the condition of Gladys Poet-Christian School for the 2022-23 school year and the efforts made to ensure that students are provided with a clean, safe and functional learning environment.

#### Age of School/Buildings

This school has 31 classrooms, a multipurpose room, library, administration building, storage building, kitchen and a stage. The main campus was built in the 1989-90 school year. Additions were constructed in the 1997-98 school year (two relocatable classrooms), the 1998-99 school year (four classrooms added for Class Size Reduction) and the 1999-2000 school year (four classrooms and restroom facilities), 2015 (window systems, painted exterior of campus, replaced floor coverings), 2016 (enclosed campus with security fencing).

#### **Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. We use a work-order process to ensure efficient service and that emergency repairs are given the highest priority.

#### **Cleaning Process and Schedule**

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### **Deferred Maintenance Budget**

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state deferred maintenance contribution as well as the district's matching share contribution toward "any educational purpose." The district has elected to commit deferred maintenance funding to cover general fund expenditures. The Security Camera System is being upgraded at the beginning of the 2020-21 school year with new security cameras.

### Textbooks and Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and includes some site administrators, reviews the recommendation and then recommends instructional materials (IM) to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2022. The district chose its most recently adopted textbooks (K-5 history/social sciences) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). Tracy Unified School District (TUSD) is in the process of evaluating and selecting instructional materials for science in grades K-12.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at https://www.cde.ca.gov/ds/sp/cl/calpadsupdflash201.asp.

#### California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard. org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

This table displays the number of authorization/assignments of teachers as well as the total number of teachers without credentials and misassignments at the school level. For questions concerning the permits, waivers, and misassignment of teachers, visit the California Commission on Teacher Credentialing website at https://www.ctc.ca.gov/.

Teachers Without Credentials and Misassignments	Two-Year Data	
Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.0	0.2
Misassignments	0.9	0.2
Vacant Positions	0.0	0.0
Total Teachers Without Credentials and Misassignments	0.9	0.4

## Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

This table displays the number of teachers and the total out-of-field teachers at the school level.

For more information on the definitions listed above, refer to the California Commission on Teacher Credentialing's Administrator's Assignment Manual at https://www.ctc.ca.gov/credentials/manuals.

Credentialed Teachers Assigned Out-of-Field	Two-Year Data	
Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.0	0.0
Local Assignment Options	0.4	0.8
Total Out-of-Field Teachers	0.4	0.8

# **Class Assignments**

This table displays the number of teachers and the total out-of-field teachers at the school level. Misassignment and vacant teacher position data should be available in the district's personnel office.

Class Assignments	Two-Year Data	
Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	12.1%	2.5%
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.0%	0.0%

# Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at https://www.cde.ca.gov/ds/sp/cl/calpadsup-dflash201.asp.

For more information on the definitions listed above, refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

#### **Financial Data**

The financial data displayed in this SARC is from the 2020-21 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

# District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at http://dq.cde.ca.gov/dataquest. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1. All data accurate as of January 2023.
