

CENTRAL HIGH SCHOOL 2023-2024

PTSA Membership

Welcome to Central High School! We invite you to support educational enrichment activities at Central High School by becoming a member of our PTSA (Parent Teacher Student Association). PTSA funds support educational enrichment for our students (scholarships) as well as teacher recognition (meals for P/T conferences, snacks, teacher appreciation week). All members are welcome to attend PTSA meetings, but are not required to attend. Membership is our primary fundraiser and is critical to help support our scholarship and teacher recognition efforts.

Seniors and/or their parents must be members by Dec. 1st to be eligible for a scholarship.

This year, individual memberships are \$15 each and business memberships start at \$25 each. **(see reverse for business form). Businesses will be recognized according to tier levels.**
