## Principal's Message

Welcome to the home of the Grizzlies! We are "The Place Where Everybody is Somebody." George & Evelyn Stein High School is a Model Continuation High School accredited by the Western Association of Schools and Colleges (WASC) that fully believes in second chances.

We are a thriving school where the value of learning is more important than the letter grade you earn. Students at Stein High know and understand that they are on a journey to success while navigating their way to a diploma. Our students graduate with not only a diploma but with "GRIT"—Goals, Relationships, Integrity and Tenacity—that will impact their academic, personal and professional lives daily while providing them the essential tools of success for a lifetime.

An advisor assists students with developing a plan to recover credits and to get back on track to graduate. Each advisor is a current teacher at Stein. Our classes are smaller than that of the comprehensive high schools, allowing students to receive more individualized attention to meet their academic and personal needs while becoming resourceful. Stein also offers online classes where students can recover additional credits at a self-guided pace. Students who earn a Stein High diploma are independent learners prepared for entrance into college, a vocation school or program, the military, apprenticeship or a job. All graduates complete school with a student portfolio that includes but is not limited to letters of recommendation, a scholarship essay, a record of completed community service and graduate exit survey.

I am proud to say that our tenacious students and staff have truly earned the distinction of being a Model School by the California Department of Education. We are looking forward to continuing collaborations and work hard to sustain such a high honor.

Follow Stein High on Facebook at [www.facebook.com/GeorgeEvelynSteinHighSchool](https://www.facebook.com/GeorgeEvelynSteinHighSchool) or the school's website <https://steinhigh.tracy.k12.ca.us/> for school updates, events and announcements.

Sincerely,

Traci L. Mitchell, Principal

## Parental Involvement

Stein provides a variety of ways for parents and guardians to be active in their student's education. The opportunities range from serving on School Site Council, participating on an accreditation or Model Schools committee, school clubs, fundraisers, volunteer in school events and having coffee with the principal at Grizzly Parent Workshops. We also invite parents to speak about their career at a Career and College presentation. To volunteer, you will need to complete the fingerprint clearance through the district office. If a parent would like to be involved in any of these activities, please stop by the office or call (209) 830-3395 for an appointment.

## School Safety

Efforts to provide a safe school focuses on five key elements by:

- Maintaining a safe school environment through campus supervision before and after school and during nutrition breaks; operating a closed campus that is clean and hazard free; sustaining close contact with Tracy Probation, Tracy Resource Officers, and with the district truancy officer.
- Promoting teacher awareness of the disaster-preparedness plan, enforcing child-abuse reporting, inservicing on sexual-harassment policies and blood-borne pathogens, sharing suspension and transfer information with staff notification upon enrollment of a student with a dangerous background.
- Enhancing curricular activities with distribution of student weekly report cards; holding new-student orientations; promoting instructional tours; providing flexible scheduling and student recognition assemblies, drug and alcohol education, career and college speakers throughout the year and participation through Intramural Sports Activities.
- Providing a parent and community component through providing dinner at Back to School Night and Parent Conference Day. Personal phone calls about a child's absence, tardy or lack of progress. Analyzing parent's responses to school surveys. Providing support and guidance for community-based daycare located on site.
- Supporting student awareness through educating students about the district conduct code, dress code, and sexual-harassment policy, and graduation expectations. Participating in Red Ribbon Day and anti-bullying activities. Encouraging students to attend after-school activities, Edgenuity (online learning platform) class, and summer and evening credit-recovery classes. Providing referrals to community programs, educational brochures, motivational and career assemblies and presentations. Display student work throughout the campus; and encourage completion of scholarship applications, career and college assessment, cultural awareness and civic involvement.

The school safety plan was last reviewed, updated and discussed with the school faculty in September 2022.

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

## District Vision Statement

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

## Enrollment by Student Group

The total enrollment at the school was 122 students for the 2021-22 school year. The pie chart displays the percentage of students enrolled in each group.

## Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2021-22 school year.

## Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates collected between July through June, each full school year respectively.

<b>Expulsion rates</b>	0.0%	0.5%	0.0%	0.6%	0.0%	0.1%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table shows the school, district, and state suspension and expulsion rates collected between July through February, partial school year due to the COVID-19 pandemic.

Suspensions and Expulsions			2019-20 School Year
	Stein HS	Tracy USD	California
	19-20	19-20	19-20
Suspension rates	6.5%	5.5%	2.5%
Expulsion rates	1.3%	0.4%	0.1%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

## School Mission Statement

George & Evelyn Stein High School's mission is to empower students to identify and pursue their personal, academic and career goals by providing a rigorous alternative education environment that accommodates a variety of needs.

## School Vision Statement

The vision of the school is to create an environment where students are motivated to persevere to be successful beyond just earning a diploma. We achieve this by teaching our students the true essence of GRIT:

### Goals

- Personal
- Academic
- Career

### Relationships

- Respectful
- Collaborative Learner
- Effective Communicator

### Integrity

- Professional behavior
- Technologically responsible
- Citizenship

### Tenacity

- Determined to succeed
- Independent Learner
- Resourceful

## Types of Services Funded

About 55% of the district's income is spent on employee salaries, and 22% is spent on employee benefits. Books and supplies account for 9% of the district's spending, an additional 9% is dedicated to services and operating costs, 1% is used for capital outlay, and 2% is spent on another district outgo. Expenditures are expected to exceed revenues by approximately 8%.

All our K-3 classes comply with the California Class Size Reduction program limits. We offer a Bilingual Education and a GATE program at South/West Park Elementary School. We provide special programs at our high schools that include Agricultural Career Technical Education, a Space and Engineering Academy, a Medical and Health Services Academy.

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Professional Development

For new teachers to the district, the Tracy Unified School District requires them to participate in the Tracy Teacher Induction Program (TTIP). This involves six full days of pre-service and four days of follow-up during the year. Teachers are introduced to the district and their site and receive training on classroom management, content organization and lesson design. All activities are based on the California Standards for the Teaching Profession (CSTP).

Throughout the year in TTIP, teachers are additionally supported in the classroom on a regular basis by a staff-development specialist. New teachers, who qualify for the Induction Program to clear their preliminary credentials, will be assigned a support provider for the program.

The district offers professional-development opportunities for all staff members throughout the school year. Two full days provided before the school year starts.

Every Monday, students are released early from school at 12:30 p.m. to allow teachers to participate in professional-development opportunities. These sessions divided throughout the year to allow teachers to participate in site staff development, district staff development and teacher collaboration time.

## SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

## CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP – California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8, and once in high school (i.e., grade 10, 11 or 12).

Percentage of Students Meeting or Exceeding State Standard					Two-Year Data

## CAASPP Test Results in ELA and Mathematics for All Students

The table below shows the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades 3-8 and 11.

Percentage of Students Meeting or Exceeding State Standard					Two-Year Data	
	Stein HS		Tracy USD		California	
Subject	20-21	21-22	20-21	21-22	20-21	21-22
English language arts/literacy	*	11%	*	39%	*	47%
Mathematics	*	0%	*	25%	*	33%

\* Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

## Statewide Assessments

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out.

## School Facilities

### General

The Tracy Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility-survey instrument developed by the State of California Office of Public-School Construction. The results of this survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is more specific information on the condition of George & Evelyn Stein High School for the 2020-21 school year and the efforts made to ensure that students are provided with a clean, safe and functional learning environment.

### Age of School/Buildings

This school has 16 classrooms, a multipurpose room (MPR) and kitchen, library/classroom, conference room, administration building and a community-based childcare center operated by San Joaquin County Child Abuse Prevention Center. The main campus was built in 1960.

Additions were constructed in 1985 (a relocatable MPR and four classrooms), 1989 (permanent kitchen and MPR), 1996 (redevelopment of electricity and four classrooms), the 2001-02 school year (seven modular classrooms, four modular classrooms and an infant/toddler center), the 2002-03 school year (six classrooms, a library and quad area), the 2005-06 school year (one relocatable portable) and the 2020-21 (three modular classrooms).

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order and complete them in a timely manner. We use a work-order process to ensure efficient service and give emergency repairs the highest priority.

### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works regularly with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state deferred maintenance contribution as well as the district's matching share contribution toward "any educational purpose." The district has elected to commit deferred maintenance funding to cover general fund expenditures.

## Textbooks and Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and includes some site administrators, reviews the recommendation and then recommends instructional materials (IM) to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2022. The district chose its most recently adopted textbooks (K-5 history/social sciences) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). Tracy Unified School District (TUSD) is in the process of evaluating and selecting instructional materials for science in grades K-12.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfdash201.asp>.

## Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsup-dflash201.asp>.

## Financial Data

The financial data displayed in this SARC is from the 2020-21 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

## District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.
