Background Information

On October 4, 2016 the Board of Education authorized advertising a Request for Qualifications (RFQ) for architectural services for the Measure X Bond Program. Proposals were received from 23 firms and a qualifications-based review was performed by a selection committee consisting of 6 staff from the district. 20 of the firms are being recommended by the selection committee. The firms can be utilized for on-call architectural services for the duration of the Measure X Bond Program. As Measure X projects are identified, individual projects will be assigned to listed architectural firms, and the agreements will be presented to the Board of Education for approval. The District may update the list of approved architectural firms periodically through the RFQ process.

Educational Analysis

These architectural firms have a substantial amount of experience designing modernization and new construction projects for California K-12 schools. Their combined experience will assist the District with implementation of projects that serve to optimize the educational program.

Fiscal Analysis

Approval of the 20 qualified architectural firms identified below will provide the District with a cost-effective means to obtain proposals for required architectural services.

On a motion # 118 by Trustee White, seconded by Trustee Blough and carried by a vote of 5/6, the Board of Education approved, by roll-call vote, the list of 20 architectural services firms to provide on-going architectural services for the Measure X Bond Program.

Motion # 118 Ayes: Blough,
