Background Information

On October 4, 2016 the Board of Education authorized advertising a Request for Qualifications (RFQ) for architectural services for the Measure X Bond Program. One of the RFQ's issued by the District was for Landscape Architect services. Proposals were received from 3 firms and a qualifications-based review was performed. All 3 of the Landscape Architect firms are being recommended. The firms can be utilized for on-call Landscape Architect services for the duration of the Measure X Bond Program. As Measure X projects are identified, individual projects will be assigned to listed firms, and the agreements will be presented to the Board of Education for approval. The District may update the list of approved Landscape Architect firms periodically through the RFQ process.
