

# Scott Adams - private music lessons

## piano, guitar, ukulele

\$50/25 minute lesson

Lessons are scheduled throughout entire school year.

Piano and ukulele - grades K-5

Guitar - Grades 2-5

**About the teacher:** I have been teaching children the basics of music for 20 years at CHA, both as a classroom music teacher and private lesson teacher. I teach the basics of playing an instrument and how music works: reading, improvising, and most importantly to love playing. Although pedagogical materials for piano, guitar and ukulele are used, there is no formula. I meet your child where they are, with what they know and what they're curious about.
