The Mouse & Motorcycle Event

Over the last month, students at McBride Elementary read the book, "The Mouse and the Motorcycle" by Beverly Cleary and each student received their own copy of the book.

Many students read at home with their families or listen to the book on audio. Some of the classes read it together each day or studied it in class.

To celebrate this book, McBride Elementary put on an evening event where there were games, guest readers, and lots of motorcycles from across Columbia County!

Thank you to all who attended as it was a great night!

PROMISE OF OREGON

"I am the Promise of Oregon
because I want to entertain
people with music."

- Emilio Munoz,
McBride Elementary, St. Helens SD

The Oregon School Boards Association, a non-profit member services organization based in Salem, founded "The Promise of Oregon" campaign in 2014 to focus attention on the accomplishments of Oregon's K-14 students and the need to adequately fund public education. Through its photographs, videos, and stories, the campaign highlights the aspirations of students and demonstrates their incredible accomplishments and potential.

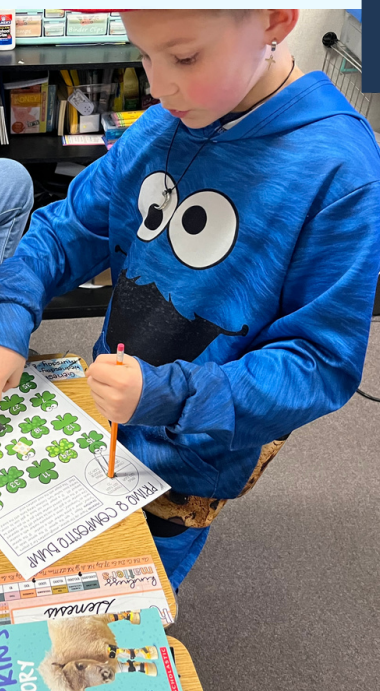

St. Helens School District will be one of four districts featured in this year's Promise campaign. As a district, this is a huge honor to have our students participate and be featured in this campaign. Districts across the state apply to have their school district recognized, as it is a very competitive campaign with only four districts being chosen to participate. We are so proud to be one of the four districts selected!

Our St. Helens student featured as the "Promise Kid" today is Emilio Munoz from McBride Elementary.

Congratulations, Emilio!

Our Students!

Jillian Sederburg

Pictured: Principal Gwilliam (left), Jillian Sederburg (center), Assistant Principal Janke (right)

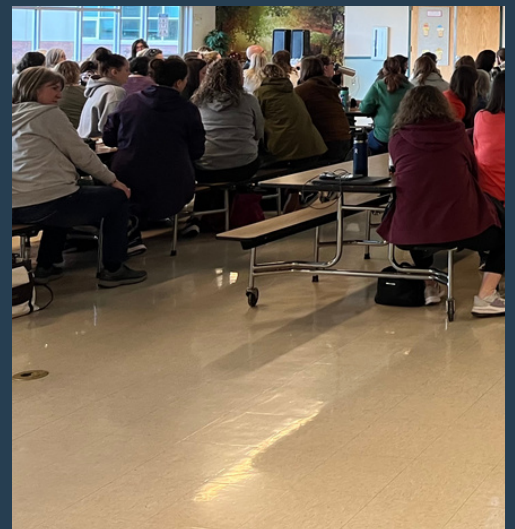

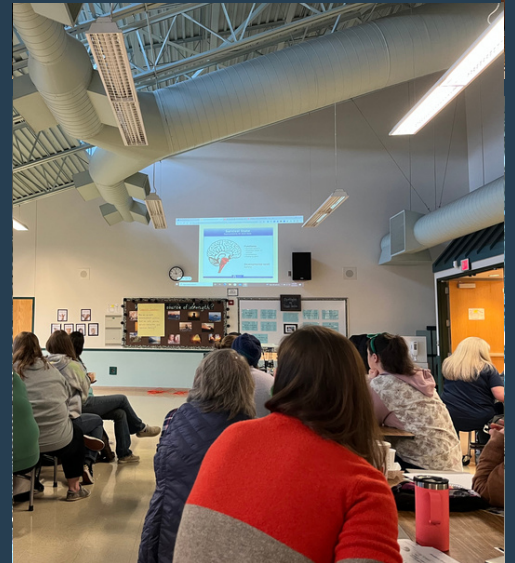

Jillian Sederburg is an absolute asset to the entire St. Helens Middle School community and is always the first to volunteer to help. She consistently advocates for her students, works proactively with students and staff to resolve any issues, and has established positive relationships with her coworkers.

Her positivity is infectious, and her presence immensely improves the days of our students and staff. I cannot think of a more deserving recipient than Jillian Sederburg for the Les Schwab Tire-Less Teacher Award!

Congratulations!
