

# How to link your Canvas parent account to your student's Canvas account

1. Access your child's Canvas account by logging into your child's Clever account and clicking on the Canvas icon.

*→Your student's Clever account information has been included in this packet.*

2. Click on "Account", then "Settings".
3. Select "Pair with Observer".
4. Copy the code given, click "Ok".
5. Click on "Account" again, then "Logout".
6. Create your parent account by selecting "Parent of Canvas User?", then input your information.
7. Paste in the pairing code.
8. Check the box next to "You agree to the terms...".
9. Click "Start Participating".

You will then be able to access your student's Canvas account by logging in at <https://ourladyofthelake.instructure.com/login/canvas> using your email address and the password you created.
