# Smart Schools Bond Act (SSBA) Overview

# About the Smart Schools Bond Act of 2014

---

- The **Smart Schools Bond Act (SSBA)** was passed in the 2014 – 15 Enacted Budget and approved by the voters in a statewide referendum on Nov. 4, 2014.
- The SSBA authorized the issuance of **\$2 billion** of bonds to finance improved educational technology and infrastructure.
- The intent of the SSBA is to **improve current learning opportunities for NYS K-12 students** as well as future employment potential in the 21st Century job market.

## About the Smart Schools Bond Act of 2014 (cont.)

- The SSBA provides funds for **three specific areas:**
  - Technology infrastructure & connected systems incl. high-tech security features
  - Instructional technology including devices
  - Temporary classroom upgrades to permanent structures
- The SSBA requires that a Review Board review and approve districts' **Smart Schools Investment Plans (SSIPs)** before any funds are made available.
- SSIPs are developed by a **District's SSIP team** based on current conditions and the District's five-year objectives.
- **Phelps-Clifton Springs CSD** is eligible for **\$1,739,943** that can be used for technology and security upgrades via one or multiple requests.

# Phelps-Clifton Springs Central School District Vision and Mission

# PCSCSD Vision and Mission

## District Vision

To create a community of learners and leaders who demonstrate the 21st-century skills necessary to compete and thrive in a global society.

## District Mission

Enable students to demonstrate college and career readiness by displaying:

- **Strong Moral Character** by displaying compassion and respect for others.
- **Critical Thinking Skills** by remaining open-minded to all possible outcomes.
- **Perseverance** to put forth the extra effort in order to accomplish tasks.
- **Cultural Awareness** to collaborate with a diverse population.
- **Innovation** to take calculated risks, be creative, and not be fearful of being vulnerable.

# PCSCSD Technology Goals

---

1. **Reliable Technology Infrastructure.** Ensure that students and staff have a reliable technology infrastructure for the next 20 years to support educational goals.
2. **Enhanced Communications Systems.** Ensure students, staff, and administration can communicate with each other in a timely manner on a secure, controlled platform using procedures that adhere to district policy.
3. **Safe School Environment.** Provide all staff and students with a safe and secure educational environment.
