Dear Fellow WCPAC Members,

Welcome to the 2022-23 Wayne County Parent Advisory Committee (WCPAC)!

Our first meeting will be held ***VIRTUALLY*** on **Thursday, September 8, 2022** & begin promptly at **6:30 PM**.

This meeting will begin with an overview of the membership packet which will be followed by the RESA Report. You'll receive an email with the meeting agenda and an electronic copy of the membership packet prior to the meeting with all the details. The membership packet will be sent in one email and then you will receive a second email with a password for the roster. Once you receive these items, we ask that you look at your information on the roster and inform any member of the Executive Board of any corrections and/or changes that may be needed.

Our WCPAC has a listserv that is exclusive to WCPAC Members. Information shared on the listserv is intended for the use of the WCPAC Members and may contain confidential and legally privileged information. Please remember this prior to sharing information in your community. You are encouraged to share upcoming events, articles of interest and other similar types of information with your districts and/or other parents. Please do ***NOT*** share information that is of a sensitive nature. If you would like to share any information on the listserv, please send an email to Vita Lusk at LuskV@resa.net or Celeste Johnson at JohnsoC@resa.net with the message to "please post this to the listserv." This ensures that duplicate/incomplete information is not posted.

We will continue using the remind app as an additional means of communication. We will go over this during our meeting but if you'd like to sign up now, you can text **@wcpacmem to 81010.** By signing up you will receive meeting reminders and special education alerts directly to your phone in a text. This account is exclusively for WCPAC Members; we do verify membership in order to have access to these alerts. We also have a remind account for community members that would like to receive meeting announcements. We will talk more about how we use both accounts during our September meeting.

The Wayne County PAC can be a powerful resource as we advocate for special education students by becoming informed, sharing that information with members of our communities, and advocating for Michigan's most valuable resource: *our students!* It promises to be an exciting year with some amazing people---*especially* YOU*!* The WCPAC can only be as strong as our members; together, let's make this a productive and amazing year!

We look forward to "seeing" you all!
The 2022-2023 Executive Board of the Wayne County Parent Advisory Committee:
