Section A. Pursuant to Act 379 of the Public Acts of 1965, the District hereby agrees that every employee of the District shall have the right to freely organize, join and support the Union for the purpose of engaging in collective bargaining or negotiations and other concerted activities for mutual aid and protection and that it will not discriminate against any employee with respect to hours, wages or any terms or conditions of employment by reason of his/her membership in the Union or collective professional negotiations with the District, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

Section D. The Union shall receive a bi-monthly report of all employees covered under this Agreement stating: name, place of assignment, date of employment and classification.

Section E. When necessary to process grievances as outlined in Article XVII, bargaining unit members involved shall not lose time or pay when such meetings are scheduled during working hours.

A representative of the Union may, at the employee’s request, accompany the employee in this review. The employee may submit a written response regarding any material. The member’s response shall be attached to the file copy of the material in question.

No written material of a negative nature directed toward an employee shall be placed in the employee’s personnel file(s) or any other file held by a supervisor as described above without notice to the employee, and a request for the employee to initial and date such material. Only such documents (in any of the files as referenced above) as have been made known to the employee and which have been initialed and dated by the employee may be used as the basis for discipline or discharge. Upon request, material and/or letters in a personnel file for four (4) or more years without a reoccurrence of a related incident may be removed.

A Union representative may be present when an employee is requested to sign material to be placed in his/her file, such signature indicates only an awareness, not agreement, with the content. Employees who refuse to sign material shall have the refusal so noted and witnessed (with a Union representative present) on the material. A member who leaves the bargaining unit because he/she is reassigned or accepts a new position out of the bargaining unit will have his/her SEALS seniority and classification frozen. Bargaining unit seniority can be activated if a bargaining unit position in the same classification or lower is vacant and the previous member applies for and is placed in the vacant bargaining unit position.

A new member's seniority date shall be established when he/she successfully completes the probationary period and shall reflect the first day of employment as a regular employee in the unit.

**Section B.** In the event that more than one individual employee has the same starting date of work, position on the seniority list shall be determined by casting lots.

When a request for representation is made, no action will be taken until such representation is present. Demotion or discharge of any SEALS member is subject to the grievance procedure beginning at Step Two. This shall not prevent the District from any action necessary in unusual circumstances.

Section B. A demotion shall be defined as reducing an employee’s classification, hours or pay. It shall not be deemed a demotion if the change is requested by the employee or required because of bumping. Employees being demoted shall be notified by personal interview with the appropriate supervisor.

Section B. Vacation Timing and Payment

Paid vacations shall be taken the school year following the year in which they are earned. The school year begins July 1st and ends June 30th. In the event an employee carries over unused vacation days from the previous school year, he/she shall have the option of scheduling those vacation days during the current school year, subject to Section C, below, or banking unused days for later use or to be paid out at retirement or other severance of employment.

Effective July 1, 2011, the following cap on vacation accumulation for retirement/severance purposes shall apply: The District shall determine vacation time accumulation as of the end of the 2010-2011 school year. Those with over 50 days earned will have that accumulation capped for purposes of retirement/severance payouts. SEALS members with less than 50 days banked can accumulate vacation days for purposes of the retirement/severance payment to 50.

SEALS members will continue vacation credit in accordance with Article X, Section A.

1. During the school year, all vacations shall have the approval of the building principal and the Administrator of Operations, or designee. When schools are not in session, approval for vacation will not require approval from both. It is understood that the District does not guarantee to provide substitutes for vacationing employees. No employee will be granted pay in lieu of vacation except when, in the opinion of the Director of Business Services, it is in the best interest of the District.

2. Legal holidays falling within the vacation period shall not be counted as vacation days, except as provided in Article IX, Section A. An employee will receive his/her vacation pay before he/she leaves on vacation if he/she gives the Payroll Department two (2) weeks’ notice in writing.
Section C. All requests for scheduled vacation shall be submitted to the Administrator of Operations, or designee ten (10) days in advance. Each member shall be informed within five (5) days as to whether the request is to be granted. Each member shall have the option of using eight (8) hours of vacation time with a 24-hour approval up to three times a year.

ARTICLE XI - LEAVE OF ABSENCE

Section A. Sick Leave

1. Sick days shall be allowed at the rate of one (1) day per month, cumulative to ten (10) per year for ten-month employees, or twelve (12) days per year for twelve-month employees.

2. Each new employee will be entitled to his/her first month's sick day beginning the day of employment.

3. After four (4) or more consecutive days of illness, or if in the sole judgment of the District, a pattern of continuous absence because of illness occurs, a medical certificate may be required before the employee may return to work and before the employee can qualify for sick leave.

4. Accumulation in an employee's personal sick leave bank shall be unlimited.

5. Sick days may apply to illness in the immediate family, not to exceed the sick day allocation per year as defined in Section A. No. 1 above.

6. Sick time will be debited on an hourly basis.

7. Employees shall be given an accounting of their accumulated sick days annually.

8. Personal Business

   a. Employees requesting personal business days must give notification, which includes general reasons, which will be kept confidential, to the immediate supervisor. Except in cases of emergency, forty-eight (48) hours notice must be given.

   b. Employees are permitted two (2) days per year for personal business. If unused, the personal business days shall be added to the individual's sick bank.

   c. SEALS members will be allowed to take two (2) personal business days at any time for any reason.

   d. SEALS members will work with their direct supervisor to assure appropriate coverage in their school/department.

9. Bereavement - Three (3) days leave with pay will be granted for death in the family without deduction from sick/personal days. Upon request, up to two (2) additional days will be granted with pay. Family shall be defined as: mother, father, sister, brother, husband, wife, domestic partner, daughter, son, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, grandparent, grandchild, or any person in loco parentis, members of blended families, or other persons in a similar relationship to the family household. Additional time for death in the family due to extenuating circumstances may be taken from annual leave days as established in this Agreement. An employee may also request one bereavement day to attend the funeral of a close personal friend.

10. Any employee receiving an injury on the job requiring him/her to go home will receive pay for the full day's work at the regular rate.
11. Jury and Court Leave - Each full-time employee shall be excused from his/her regularly assigned duties for jury duty, or the attendance at any court pursuant to a subpoena in a work connected or criminal case, provided he/she is a non-party witness or a party defendant with the District. He/she shall be paid the difference between his/her regular rate and such amount as he/she may receive as juror or witness fees.

Section B. Personal Leaves

Personal leaves, without pay, may be granted upon written request. No leave shall exceed two (2) calendar years. Personal leave requests will be made yearly and shall not extend past the two-year limit.

Section C. Family and Medical Leave Act (FMLA)

In accordance with the Family and Medical Leave Act (FMLA) of 1993, the BOARD will grant a leave of absence for one or more of the following:

1. Because of the birth of a son or daughter of the employee, and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. To care for the employee's spouse, son or daughter, or parent who has a serious health condition; or,
4. The employee is unable to perform the essential job functions because of a serious health condition.

As of February 2008, an employee who is the spouse, son, daughter, parent or the next of kin of a covered service member can take up to 26 weeks of FMLA leave during a single twelve (12) month period to care for the injured service member. The same eligibility requirements apply for employees requesting a leave under this category. Regulations as established by the Department of Labor will be followed when granting leaves under this provision.

FMLA leaves are only available to employees who have been employed by the District for at least twelve (12) months and have worked 1,250 hours during the previous twelve (12) month period.

Such leaves are counted against an employee's annual FMLA leave entitlement. Under the FMLA, an employee is eligible for a total of twelve (12) work weeks of leave in a twelve (12) month period. This twelve (12) month period is measured back from the date a requested leave is to begin. Continuation of medical, optical and dental benefits and the right to job restoration ceases when an employee has used twelve (12) work weeks of FMLA leave in the twelve (12) month period. [See Section E. Extended Leave for Ill Health].

An employee requesting a FMLA leave must provide the Assistant Superintendent of Human Resources and District Services at least thirty (30) days advance notice of when the leave is to begin. If such notice is not practicable, then notice is to be provided as soon as practicable.

When a leave denoted as (1) or (2) above is granted, the leave must be taken in one (1) continuous increment and must be concluded within twelve (12) months of the date of birth or placement. Employees granted such leave must utilize accumulated vacation days and accumulated personal business days (in that order), after which time the leave is unpaid.

When a leave denoted as (3) above is granted, the employee must utilize accumulated sick leave time, accumulated vacation days, and accumulated personal business days (in that order), after which time the leave is unpaid.
When a leave denoted as (4) above is granted, the employee must utilize accumulated sick leave days and accumulated personal business days (in that order), after which time the leave is unpaid. After these days have been used and if more sick time is needed, the employee may choose to use accumulated vacation time. When additional time is needed during the 90 calendar day (13) week) LTD elimination period, the employee may use available vacation days. If the employee has purchased and is filing for short-term disability, vacation days may be used during the 14-day elimination period. Vacation days cannot be used once the short-term disability coverage starts.

Leaves denoted as (3) or (4) above must be supported by medical certification from a health care provider stating:

1. The date on which the serious health condition commenced
2. The probable duration of the condition
3. The appropriate medical facts
4. A statement that the employee is unable to perform the essential functions of his/her position, or that the employee is needed to care for the person.

The District reserves the right to require the employee to obtain the opinion of a second health care provider designated or approved by the District concerning any information within the medical certification.

When a FMLA leave donated as (1) or (2) above is granted to spouses who are both employed by the District, the total amount of time on leave (in total for both employees) cannot exceed twelve (12) weeks of FMLA time.

At the expiration of a medical leave or if the employee wishes to return to work before completion of the leave, there must be a physician's certification confirming his/her fitness to return to work. The District may condition the employee's return to work upon a fitness for duty examination and approval by a health care provider designated by the District.

The District will continue to provide an employee's medical, optical, and dental insurance while he/she is on a FMLA leave for a period of up to twelve (12) weeks on the same terms and conditions as prior to the leave.

An employee on a FMLA leave shall not engage in any outside or supplemental employment.

The District may recover insurance premiums paid while an employee was on an unpaid FMLA leave if:

1. The employee fails to return to work for at least thirty (30) days after the expiration of the leave; and
2. The failure to return is for a reason other than a serious health condition, or other circumstances beyond the control of the employee. Certification from the health care provider may be required for this purpose.

An employee returning from a FMLA leave will be restored to the position he/she left, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

If the employee has not satisfactorily completed the probationary period at the commencement of a FMLA leave, then upon cessation of the leave, the employee must work the days needed to complete the probationary period.

**Section D. Military Leave**

1. A regular employee of the District who may enlist or be conscripted into the defense forces of the United States for service or training, shall make application for military leave and shall, upon his/her return, be reinstated in this school system with full credit including the annual wage schedule increment. Such applicant must show proof that he/she can competently qualify for said position. The District shall make every effort to
rhire any partially disabled veteran who left his/her employment for service in the Armed Forces. Said application for reinstatement shall be made not later than ninety (90) days from the date of his/her release or honorable discharge.

2. Twelve (12) month employees who are members of the Organized Reserve and all components of the Armed Forces or State Militia who wish to fulfill Reserve requirements may take up to fifteen (15) days and shall be paid by the District a sum to make up the difference between the total pay and allowances the employee is paid by the Service and his/her regular salary. Such allowance will be made once during each twelve (12) month period.

Section E. Extended Leave for Ill Health

1. An employee may be granted leave of absence (medical) up to one (1) calendar year because of personal illness, accident, or equally grievous emergencies.

2. Written application for extended leave will be made to the Assistant Superintendent of Human Resources and District Services. Application for such leave shall state a definite return date from the leave. An application which does not state a definite return date shall be returned to the employee with a request for a return date.

3. The Union employee returning from an extended leave shall be restored to his/her original classification under the seniority provisions. If the employee is physically unable to perform the duties of that position, the District will make every effort to place the employee in a position he/she is capable of performing.

4. Employees who have exhausted their accumulated sick days and who have applied for and received an extended unpaid sick leave shall be carried under the insurance plan for up to one (1) year.

5. If the employee has not recovered sufficiently during the sick leave granted, but medical testimony is to the effect that further sick leave would aid recovery, additional leave may be granted for up to one (1) additional year.

6. Challenge of Examination Report: In the event the report of the employee’s attending or examining physician is challenged by the District, or if the Union challenges the report of a District doctor’s examination, then the following procedure shall be followed:

   a. The protesting party may elect to require the affected employee to be examined by a physician of the protesting party's choice, at the protesting party's expense.

   b. If the reports of the two examining physicians are in disagreement, or conflict, the bargaining committees shall meet and endeavor to reconcile the difference.

   c. In the event mutual agreement cannot be reached to equitably and amicably dispose of the dispute, the controversy shall bypass the grievance procedure and, instead, the affected employee shall be examined at the equally shared cost of the District and the Union, by an appropriate specialist in the area of controversy for final determination in the matter which shall be binding on the parties.

Section F. Seniority During Leave/Layoff

Seniority shall accumulate during any approved leave and/or any time on layoff.
**ARTICLE XII - INSURANCE**

**Section A. Insurance Protection**

Pursuant to the authority set forth in the Michigan School Laws, the District agrees to contribute for each employee who requests such protection the payment of premiums in the amount hereinafter prescribed. The employee can make the request by completing the proper authorization form.

Employees new to the District, or those who have not been covered by the present carrier, may take advantage of the following plan of health care and life insurance.

A SEALS member choosing to opt out of medical health care as outlined in Article XII below will receive $208.33 for each full month in the period from July 1 to June 30 in which the employee is not covered by the District health insurance plan. This amount, less applicable deductions, will be paid on a date as agreed upon by the District and SEALS leadership. The employee will not be eligible for this payment in any month in which he/she is covered on the health insurance provided through the school district as a spouse or dependent of another employee in the school district. If after choosing to opt out of District medical health care the status of the member changes, he/she may re-enroll in the District health care program and not receive the cash in lieu payment.

**INSURANCE PLAN**

The District shall pay the premiums to provide hospitalization, medical, income protection and life insurance for eligible employees and their dependents as defined under approved District policy. This coverage is subject to the terms and conditions of the agreement between the District and the carrier.

The coverage provided will be one of the following plans:

**Option 1.**

This will give the employee the ability to collect 100% of salary during this period of time. After the one-year period or when sick days are depleted, disability benefits will be as described in Appendix F. If sick days are not used in addition to the long-term disability, the long-term disability benefit will be as described in Appendix F.

3. In the event an employee does not have enough accumulated days in his/her personal sick day bank, the employee may draw one (1) day per week for up to twenty-six (26) weeks from a SEALS Sick Day Bank. Benefits begin sixty-one (61) calendar days after the accident. Benefits shall be drawn for each week or portion thereof a person collects Workers' Compensation.

   a. In the event an employee qualifies, a SEALS Sick Day Bank will be formed.

   b. A panel of two (2) administrators and two (2) SEALS representatives will manage the Sick Day Bank.

   c. The Sick Day Bank will be funded by voluntary contributions. Members who choose to participate will subtract at least one (1) sick day from his/her personal sick day accumulation.

   d. An employee must use his/her accumulated sick days before the panel will authorize days to reach the twenty-six (26) week limit.

ARTICLE XIII - FILLING VACANCIES

Section A. Vacancy Defined

A vacancy is a position which the District desires to fill and for which interviews must be held. Known vacancies shall be posted no later than ten (10) days after becoming vacant unless mutually agreed upon by the parties. Current bargaining unit members who apply for vacancies will be placed prior to filling those vacancies with returning members from outside the bargaining unit. Filling vacancies within the bargaining unit is the responsibility of the administration.

Section B. Filling Vacancies

All vacancies within the bargaining unit shall be posted for at least five (5) working days. Postings occurring during July and August will be distributed to employees through district email and will be posted for at least seven (7) calendar days.

Postings will include title of the job, classification/level, qualifications required for the job and the shift for the job.

1. Current SEALS members who make application for posted vacancies will be given priority consideration. The factors being considered for application to positions will include but not be limited to seniority with the District, qualifications, skills, previous work experience, willingness to learn new skills and reliability.
2. If there are no applicants who hold seniority in the bargaining unit that meet the stated qualifications but have related experiences, the District may provide opportunities for mentoring support, job overlap and training opportunities upon request. If two or more Union members apply for the vacancy and the job is offered to a Union member, the determination of the administration is final and will be shared with the applicants and the Association, upon request.

3. If current member(s) of the bargaining unit apply and are not offered the position, the Union may request the reasons from the Administrator of Operations or his/her designee.

   a. The reasons why no members of the bargaining unit received the position will be given within ten (10) days to a Union official who has not been directly involved in the posting.

   b. If the Union does not accept the reasons given, the Union may appeal directly to the Assistant Superintendent of Human Resources and District Services or designee who will review the situation. The position will not be filled until the review has been completed. This process will take no longer than ten (10) days calendar days. Upon request, an extension of this timeline may be granted.

   c. It is agreed that the vacancy would not be filled permanently until the final decision of the Assistant Superintendent of Human Resources and District Services has been received by the Union.

Section C. Selection

The selection decision shall take into consideration the pertinent skills and qualifications of the applicants, pursuant to the recommendations of the Skills and Qualifications Committee.

Section D. Applicant Pools

In order to create a pool of applicants to fill a vacancy when there are no bargaining unit members available to fill such positions, the following procedure for the selection of individuals to fill such vacancies may take place.

1. When applicants from outside the bargaining unit are considered for a vacant bargaining unit position, their application documents shall be reviewed by a screening committee that includes the SEALS’ Advisory Committee members, and an administrator representing the building/work site where the vacancy is to be filled, and the SEALS Building Supervisor from the class where the vacancy is to be filled.

2. The Screening Committee shall review all of the application documents submitted by the applicants, and shall identify those who meet the applicable “skills and qualifications” criteria to be eligible for interview by the appropriate building administrator.

3. In the event that the vacancy is not filled with one of the individuals identified for interview eligibility by the Screening Committee, all applications shall be discarded, the position shall be re-posted, and the application and screening process shall be repeated.

Section E. Voluntary Transfers

A transfer is a move from one position to another, within a classification, which is equal in pay benefits, and hours.

Employees who wish to be considered for a voluntary transfer may submit transfer requests at any time to the Administrator of Operations or designee. A new list shall be started on March 15 of each year. The old list shall be discarded. An employee may withdraw a transfer request prior to any announcement that he/she has been transferred.
In the event an opportunity occurs for transfers because of a resignation, retirement, promotion, multiple transfer requests, etc., the Administrator of Operations or designee will consider the voluntary transfer request(s) and the need for any involuntary transfers prior to filling a vacancy from the Layoff List or posting a vacancy.

A vacancy need not be available to transfer employees who have transfer requests on file. Multiple job transfers may be made with or without a vacancy being a part of any transfer. If a transfer is implemented and a vacancy is utilized during the move(s), the resulting vacancy that occurs because of the transfer(s) shall be posted.

The Administrator of Operations or designee may fill or not fill a vacancy with either a voluntary or involuntary transfer. The decision of the District may be appealed as described above in Section 3b. and c. Any resulting vacancy shall be posted or filled from the Layoff List, whichever is appropriate.

Transferred Employees shall be subject to a trial period of up to sixty (60) days of work to prove ability to do the job provided. In the event the employee is unable to satisfactorily perform the job, Section F. shall apply.

**Section F. Involuntary Transfers**

1. An employee may be involuntarily transferred due to his/her inability to satisfactorily perform the duties required by a position. In such a case, written evidence of inability shall be required as proof.

2. Employees being transferred shall be notified in a personal interview with the appropriate administrator. The Association shall be informed.

**Section G. Pay Level**

Transfer to a new job in the unit shall be to the same pay level as the person presently holds.

**Section H. Specialized Positions**

When it is known in advance that a position requiring specialized training will become vacant (i.e., via retirement, etc.), the District shall send out a preliminary posting to give interested bargaining unit members an opportunity to seek the necessary training.

**Section I. Promotions**

The movement of an Assistant Supervisor to the position of Building Supervisor is a promotion and must be posted. In the event such a move results in a reduction of classification and/or in hourly rate of pay, the employee’s base rate of pay shall be redlined.

**Section J. Returning to SEALS From Outside the Bargaining Unit**

1. Current SEALS members who receive a promotion to a position outside the bargaining will have the ability to return to a position any time during a 90-day probationary period. Vacated positions will be held and filled temporarily during the probationary period.

2. Current SEALS members who receive a promotion to an in-district Supervisor position (position outside the bargaining unit) will have the ability to return to the SEALS bargaining unit if the position has been eliminated or the employee and the position are not a match after the 90-day probationary period.
a. Upon return to the SEALS position (No. 2 above), the employee will return with his/her SEALS seniority and the employee will return to the same salary schedule, salary step and longevity level (if applicable) last held before leaving the bargaining unit.

b. SEALS members leaving the bargaining unit and returning again will carry their accumulated leave time days (sick and vacation) to their new position. If the person returns to SEALS, his/her accumulated leave time (sick and vacation) will carry over to SEALS.

c. If employees of less seniority are in the classification that the member left and needs to return to, Article XIX - Reduction in Force and Recall language would be in effect.

d. SEALS members returning to the bargaining unit as described above and/or laid off SEALS member, if interested, can apply to vacant position(s) that are in higher classifications that the member left.

ARTICLE XIV - CREATION OF NEW POSITIONS

When a new job is to be placed in existence which cannot be properly placed in the existing classification and rate structure, the District shall schedule a meeting with the Union. The parties shall attempt to establish the classification and pay rate for the proposed job.

If the parties are unable to resolve the pay rate, then the District shall establish a rate and fill the position. The Union may within ten (10) working days following the meeting file a grievance at Step Two of the grievance procedure.

ARTICLE XV - WORKING CONDITIONS

In the event there is an obvious question concerning the safety of an individual in the bargaining unit, a member of the unit shall immediately contact the appropriate line supervisor. The line supervisor will attempt to resolve the matter. For example, if there is a problem of custodial nature, the bargaining unit member should contact the Administrator of Operations who will attempt to resolve the matter.

ARTICLE XVI - INCLEMENT WEATHER CLAUSE

Nothing in this Article shall require the District to keep school open in the event of severe inclement weather or other Acts of God. In those instances where the administration closes all of the schools because of severe inclement weather, impacting road/travel conditions, employees who report for duty shall be paid their regular rate of pay for each hour worked up to eight (8) hours plus the regular day's pay. There shall be no deduction in pay for those employees not able to report to work.

SEALS members will be required to report for their regular scheduled shift on all other days on which the administration close one or more schools. In some instances, SEALS members will be permitted to report on a delayed start, or not be required to report at all, at the discretion of the district. No loss of pay shall occur in such cases. “Report for their regular scheduled shift” shall be defined as reporting to work at their regular building location, other District location, or virtually, as directed by the Superintendent or his/her designee, in order to complete regular duties, other duties as assigned, or participate in meetings, training, professional development, or other assignments/activities.

ARTICLE XVII - GRIEVANCE PROCEDURE

Section A. It is mutually agreed that all grievances arising under and during the terms of this Agreement shall be settled in accordance with the procedures herein provided. Every effort shall be made to adjust controversies and disagreements in an amicable manner between the employer and the Union.
**Section B.** For the purposes of this Agreement, a "grievance" is defined as an alleged violation of a specific Article and Section of this Agreement. Written grievances shall be on the form provided by the District and shall name the employee involved, shall state the facts giving rise to the grievance, shall identify all of the provisions of the Agreement alleged to be violated by appropriate reference, shall state the contention of the employee with respect to these provisions, shall indicate the relief requested and shall be signed by the employee involved. When a grievance involves more than one employee or group of employees the grievance may be signed by only one of the aggrieved employees, or by an officer of the Union. In order to inform the District of the extent of liability involved in a grievance, reference to other individuals or groups of individuals involved in the grievance will be included in the statement of the grievance. All grievances must be filed with the immediate supervisor within thirty (30) days of the occurrence. Grievances that do not involve the actions of the immediate supervisor will be filled at Step Three (3) within 30 days after the employee knows of the occurrence of an alleged violation.

- **STEP ONE (Oral)**

  Within thirty (30) days after the employee knows of the occurrence of an alleged violation the employee shall request a conference between the aggrieved (with or without his/her Union representative) and the immediate supervisor (building or district). The supervisor shall render a decision within five (5) workdays of the conference.

- **STEP TWO (Written)**

  If the grievance is not settled at Step One, the employee shall, within five (5) workdays after receiving the verbal response from his/her immediate supervisor (building or district) at Step One, the grievant will work with the MEA representative to reduce the grievance to writing. A copy of the written grievance shall be filed with the Administrator of Operations or designee and the Union. A meeting between the grievant and the Administrator of Operations or designee will be scheduled within five (5) days of the Step One meeting to receive the written grievance. The Administrator of Operations or designee shall respond in writing within five (5) workdays after receiving the written grievance.

  If the grievance is not settled at Step Two, the employee shall, within five (5) days of the date the written disposition is received from the Administrator of Operations or designee by the grievant, appeal the grievance to Step Three.

- **STEP THREE**

  A copy of the written grievance and the disposition of the Administrator of Operations or designee shall be presented to the Assistant Superintendent of Human Resources and District Services or designee for the appeal review within the five (5) workday period as provided above. Within five (5) workdays of the receipt of the grievance appeal, the Assistant Superintendent of Human Resources and District Services and/or his/her designee shall meet with the aggrieved employee and/or the Union representatives for a review of the grievance. The Assistant Superintendent of Human Resources and District Services or his/her designee, shall within five (5) workdays after the hearing render a written decision on behalf of the District. A copy will be given to the aggrieved, the Union representative and the MEA representative.

**Section C.** Any grievance not appealed in the aforementioned time stipulations shall be deemed settled on the basis of the last response. This and all other time limits at any step of the grievance process may be extended by mutual consent of the parties. The word 'days' in this Article refers to workdays.

**Section D.** No back payments or wages shall be awarded for any period prior to thirty (30) days prior to the date of filing of a written grievance. All claims for back wages shall be limited to the amount of wage that the employee would otherwise have earned less any unemployment or other compensation that he/she may have received from any source during the period of the back wages.
**Section E. Arbitration**

If the grievance is not resolved in Step Three of the Grievance Procedure either the Association or the District may submit the grievance to arbitration by notifying the other party within ten (10) days after the answer to Step Three. The submission to arbitration shall contain a statement of the issues to be arbitrated, reference to the specific Article and Section allegedly violated, the contention of the party filing for arbitration and shall be signed by the Local Association President, or his/her designee, and the employee involved.

Within the ten (10) days following the receipt of the written notice of intent to arbitrate, the party desiring arbitration shall file a demand for arbitration with the American Arbitration Association with a copy to the other party. The arbitrator shall then be selected according to the Rules of the American Arbitration Association. Failure to comply with any of these provisions shall render the grievance non-arbitrable.

It shall be the function of the arbitrator, and he/she shall be empowered except as his/her powers are limited by this Agreement after due investigation, to make a decision in cases of alleged violation of a specific Article(s) and Section(s) of this Agreement. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement. He/she shall have no power to establish salary structures or change any salary or wage. He/she shall not substitute his/her judgment for that of the District's as to the qualifications and ability of an employee if such judgment was not arbitrary or capricious.

In rendering decisions the arbitrator shall give due regard to the responsibility of management, as conditioned by this Agreement. If the District disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall have to decide if the grievance is arbitrable before hearing the merits of the grievance. In the event that a case is appealed to an arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

There shall be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth above. It shall be final and binding on the Association, its members, the employee(s) involved, and the District.

The fees and expenses of the arbitrator shall be shared equally by the parties. All other costs and expenses of arbitration including filing fees and witness expenses shall be borne by the party incurring them.

**NOTE:** Grievance Form in Appendix C.

**ARTICLE XVIII - PROBATION**

New employees hired in the unit or employees transferring from other units to the SEALS unit shall be considered as probationary employees for the first ninety (90) days of their employment. If an employee successfully finishes the probationary period, his/her SEALS seniority reverts to the date of entry into the unit.

Current SEALS employees who apply for a posted SEALS position different from their current SEALS position, and are granted the new position, shall be considered as probationary employees for the first ninety (90) days of their new position’s employment. If an employee receives an unsatisfactory performance evaluation, in writing, within the first ninety (90) days, he/she will, at the discretion of the District, return to his/her previous or equivalent position within SEALS at his/her previous rate of pay.

**ARTICLE XIX - REDUCTION IN FORCE & RECALL**

**Section A. Reduction**

In the event it becomes necessary to reduce the number of employees in the bargaining unit, the following procedures shall apply:
1. A seniority list will be prepared showing the total bargaining unit seniority of all current supervisors in pay classifications 1, 2, 3, and 4 and including the seniority of the supervisor holding the Custodial Supervisor position.

   a. The number of positions to be eliminated shall be identified by pay classification and position.

   b. The least senior bargaining unit members equal to the number of positions to be eliminated shall be reduced from the unit. (Last in, first out.)

   c. The position(s) where the vacancies resulting from the reductions made as provided above occur will then be identified. In any position (as listed above) where there are more bargaining unit members than there are positions available, the individual who has the least seniority from the positions listed above shall be identified and declared surplus. The surplus people will then be placed in the lower classification. A supervisor who is declared surplus may bump the least senior supervisor in a lower classification, provided the surplus supervisor has greater seniority than the supervisor being bumped in the lower classification. The least senior supervisor may bump the least senior assistant supervisor if the supervisor has greater seniority. An assistant supervisor who is declared surplus may only bump the least senior assistant supervisor. Every effort will be made to maintain shift preference during the bumping process. See Article XIX No. 2. to understand the impact that an employee in a special position may have on the reduction process.

   (1) If the vacancy is at a lower pay rate than the former classification of the employee, then that employee shall be redlined. (See note following for definition of “redlined.”)

   Redlining means that the individual who remains in the SEALS unit or is transferred to another bargaining unit (because of reduction in force) will be held at his/her old rate of pay as shown in Appendix A until the rate of pay for the position the employee is in equals or surpasses the employee’s old rate of pay. The employee will not lose money during the transition period.

   (2) If the vacancy is at a higher rate of pay, then that vacancy will be posted and filled from within the bargaining unit.

2. If reductions are necessary in the following job classifications, a seniority list will be prepared showing the total bargaining unit seniority for everyone in these classifications: dispatchers, router/dispatchers, supervisor of the bus garage, energy managers, maintenance supervisors, and environmental control technicians.

   a. Employees will be laid off according to seniority in their job classification.

   b. Employees in these job classifications cannot be bumped. If a position, as listed above, is eliminated because of layoff, the laid off member can bump into another classification if he/she held a position in the classification previously and he/she has more SEALS seniority than other employees in the position. If the employee did not previously hold a position in another classification, he/she can apply for vacancies in other classifications and will be given priority consideration.

   c. A member who has previously successfully held a position in another SEALS classification and shift has the right to return to a vacancy in that classification or shift so long as there is no one on the obligation list controlled by the recall language of this contract based upon his/her bargaining unit seniority, and as provided in Section B. Recall (below).
If the vacancy is at a lower rate than the former classification of the employee, then that employee shall be redlined.

Section B. Recall

Individuals who are displaced from the unit or who have had assignment and/or pay classification changes under the provisions of the Reduction in Force Article shall have recall rights for three (3) years or the length of their seniority, whichever is longer. If a vacancy occurs in their pay classification, they will be recalled to that pay classification in order of bargaining unit seniority (last out, first recalled) before a new hire. If an individual declines to return to the vacancy, all recall and redline rights are forfeited and his/her rate of pay shall become the standard rate for that position.

Recall notification shall be by certified mail, addressed to the employee at his/her last address filed with the District. It shall be the responsibility of each employee to have his/her current address on file with the District.

The employee must return to work or notify the District within ten (10) days of receipt of the recall letter. If the employee cannot report for work, within that time, he/she must have a reasonable excuse; such as, a need to give a present employer proper notice, or a doctor’s excuse in order to have this period of time extended.

Section C. Rights of Laid Off Members

After the implementation of Section A. Reduction, if no positions are available for bumping, the member will receive a layoff notice two weeks prior to the effective date of layoff. The laid off member will be eligible to maintain his/her current health insurance as defined in Article XII - Insurance for 60 calendar days.

ARTICLE XX - SPECIAL CONFERENCES

Section A. Special conferences for important matters will be arranged between the Union representatives and appropriate District representatives upon the request of either party.

Section B. Arrangements for special conferences shall be made reasonably in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda.

Section C. Conferences shall be held at a mutually agreeable time. Members of the Union shall not lose time or pay for time spent in special conferences.

Section D. The Union representatives may meet at the place designated by the District on the District’s property for not more than one (1) hour immediately preceding a meeting with the representatives of the District.

Section E. Any matter in dispute after the special conference which is in violation of this Agreement may be submitted to the grievance procedure. Special conference meetings shall not be used to institute or reinstate a grievance which would have been untimely when the special conference request is received.

An In-service Planning Committee consisting of three (3) SEALS members appointed by the Union shall meet each year by October 15 to consider topics for in-service programs. The Administrator of Operations shall be an ex-officio member of this committee. The committee shall submit its recommendations to the Administrator of Operations who shall investigate the possibility of presenting the requested programs during the forthcoming year.
ARTICLE XXI - PROFESSIONAL GROWTH ON THE JOB

Section A. Planning

The District shall work cooperatively with the Association in planning a program to meet in-service training and professional growth needs. A program(s) shall be planned each year, and shall provide a minimum of eight (8) hours of on-the-job training to each employee.

Section B. Skills and Qualifications Committee

The District and the Association shall form a Skills and Qualifications Committee composed of two District-appointed representatives and two (2) Association-appointed representatives. The Committee’s purpose is to recommend to the Assistant Superintendent of Human Resources and District Services, the skills and qualifications an applicant should possess for a bargaining unit position(s). The Committee's recommendations may also include applicable job-related and nondiscriminatory tests to determine the applicant's skills and qualifications. The Committee’s duties and recommendations shall not be construed as a limitation on the Assistant Superintendent of Human Resources and District Services’ authority to assign personnel as provided for in Article XIII.

Section C. Tuition

Tuition or other fees paid for classes, workshops, etc., relating to job performance and/or responsibilities will be reimbursed up to three hundred dollars ($300.00) subject to the following:

1. Obtain written approval from the Assistant Superintendent of Human Resources and District Services prior to the start of the class or workshop;

2. Present receipts along with evidence of successful completion.

NOTE: Reimbursement Request Form in Appendix D.

ARTICLE XXII - WORK SCHEDULE

Section A. Standard Work Week

The standard payroll work week shall be Monday through Friday.

Section B. Workday

The workday begins when the employee reports for his/her regular shift. The day shift shall begin not earlier than 6:00a.m. or later than 9:00 a.m. and be a continuous eight (8) hours. The above shall also apply to all shifts (excluding the unpaid lunch period).* The District acknowledges that the employee is entitled to a break period in the morning and again in the afternoon. This break shall be approximately fifteen (15) minutes and shall be coordinated at a time that causes no disruption to instructional programs or other scheduled building activities.

* The environmental control team will have their schedule determined by the special circumstances of the job.

Section C. Overtime

Overtime for bargaining unit members shall be paid at the rate of time-and-one-half for all hours over eight (8) hours normal workday, time-and-one-half for all approved hours worked on Saturday, double time for Sunday, and double time for holidays plus holiday pay. Overtime scheduled on the three additional vacation days that
are given to employees in Article X-Vacation, will be paid at time-and-one-half for all approved hours worked. When overtime is needed because of scheduled events, or special building circumstances, or as deemed necessary, bargaining unit members will determine how the overtime requirements are scheduled. When necessary, overtime will be equally distributed between themselves and members of their staff. In normal overtime situations, overtime refused is charged as overtime hours worked. Bargaining unit members will be entitled to overtime and will not be part of the overtime list.

Bargaining unit members who request to work on special projects during scheduled holidays or the three additional vacation days given over the Winter holiday in December and are approved by the Administrator of Operations will add the vacation day(s) to his/her vacation bank. Employees who work under these conditions will be paid their normal rate of pay.

Overtime for environmental control technicians shall be paid for all hours worked over 40 hours for which an employee works in any weekly payroll period.

Section D. When an employee is called to work after he/she has left the premises, he/she will be paid no less than two (2) hours of pay for “show up” time at the appropriate rate. An example of “show up” time is a planned building check. The employee will be paid for the actual hours worked.

When an employee is called in to work immediately to resolve an issue, he/she will be paid for no less than three (3) hours for “call in” time at the appropriate rate. The employee will be paid for the actual hours worked to resolve the issue that caused the “call in” to occur if it is greater than three (3) hours. “Call in” is defined as any unexpected, immediate return to the site.

Section E. Noon Duty

Employees who choose to work noon duty with the students will be compensated at the blended rate as determined by the District and in accordance with the Fair Labor Standards Act. The blended rate may vary between employees depending on the number of total hours the employee works in a week, the regular hourly rate of the employee and the rate of pay for noon hour duty. The parties will meet yearly to discuss the base rate for the lunchroom duty pay.

ARTICLE XXIII - RETIREMENT

Section A. A retiring employee shall receive $200 retirement pay for each year of service. A retiring employee who was in a SEALS position as of June 30, 2011, shall receive an additional $100 retirement pay for each year of service. To be eligible for retirement pay, an employee must meet the following:

1. Have worked on a full-time basis for the District a minimum of ten (10) consecutive years; provided further, approved leaves of absence granted under Article XI shall not be considered as breaks in "consecutive years of service," but leaves granted under Sections B, D, and E of Article XI shall not be counted toward "years of service."

2. Must meet the minimum age requirements to qualify to immediately commence receiving retirement benefits under the Michigan School Employees' Retirement Fund.

3. Must submit proof to the effect that he/she will actually qualify for retirement benefits for the period commencing on the first day of the month following the month of his/her termination.

5. In the event of extenuating circumstances, the District may, by special Board of Education action, waive any or all of the preceding qualifications.

Section B. Sick Day Savings

ARTICLE XXIV - EVALUATIONS & SUPERVISION OF STAFF

PART I - EVALUATION AND SUPERVISION OF STAFF

Section A. Evaluations - Staff

Building supervisors are to evaluate all individuals under their direction at least once per year. These written evaluations are to be signed by the employee evaluated to acknowledge that the individual has seen the evaluation and sent to the District's Administrator of Operations and Supervisor(s) of Maintenance and Transportation during the month of October each year. Additional evaluations may be required.

In addition, building supervisors are to complete a written evaluation on all probationary employees ten (10) working days prior to the end of the probationary period, and all employees transferred into their buildings within the first thirty (30) days they are in the new workstations.

All evaluations must be dated and signed by the person doing the evaluating and the employee being evaluated. A copy of all evaluations will be kept in the central file of that employee. (Evaluation Form - Appendix B.)

Section B. Supervision/Discipline of Staff

In their role as supervisors, SEALS members have the supervisory responsibilities of staff. SEALS members will have the ability to discipline staffs who are not part of the SEALS bargaining unit. Written discipline procedures to be followed will be developed by management and will be shared with SEALS members and the staff that SEALS members supervise. SEALS members will consult with district management before initiating the discipline process.

SEALS members will not evaluate, supervise or discipline members from the SEALS bargaining unit.
PART II - EVALUATION OF SEALS MEMBERS

Section C. Evaluation of SEALS Members

SEALS members shall be evaluated at the conclusion of their probationary period and at least once per year for the first two years. Thereafter, they will be evaluated at least once every other year, once they have completed two (2) full years.

ARTICLE XXV - PAYROLL

Section A. Wages for the contract period shall be shown in Appendix A.

Section B. Pay Periods

1. The wages or salary of any employee shall start at the time he/she reports for duty.

2. Wages shall be paid twice per month on such calendar dates as are established by the District.

3. Direct deposit options will be offered to SEALS members. The direct deposit options will include all banking institutions and credit unions that are available within the District’s financial systems.

Section C. Longevity

Longevity shall be paid in the following amounts for 2080 hours per year:

Beginning July 1, 2022, each member of the unit who has completed nine (9) years of service as a Livonia Public Schools employee shall receive $.25 per hour in addition to the regular hourly rate as a longevity payment.

Beginning on July 1, 2022, each member of the unit who has completed fourteen (14) years of service as a Livonia Public Schools employee shall receive $.65 per hour in addition to the regular hourly rate as a longevity payment.

Beginning on July 1, 2022, each member of the unit who has completed nineteen (19) years of service as Livonia Public Schools employee shall receive $.80 per hour in addition to the regular hourly rate as a longevity payment.

Beginning on July 1, 2022, each member of the unit who has completed twenty-four (24) years of service as a Livonia Public Schools employee shall receive $1.00 per hour in addition to the regular hourly rate as a longevity payment.

Section D. Mileage

The District will reimburse authorized mileage at the current District rate. Mileage reimbursement shall be submitted to the building principals at the end of the month on each of the following: August, October, December, February, April, and June.

ARTICLE XXVI - MISCELLANEOUS

Section A. Conformity to Law

In the event that any provisions of this Agreement shall at any time be held to be contrary to law by a court of competent jurisdiction, such provisions shall be void; however, all other provisions of this Agreement shall continue in effect.

Section B. Uniform Allowance

The District will provide each regular employee with an annual clothing allowance of $400. The allowance is to be used by the employee to purchase appropriate clothing and/or shoes for their work assignment. The allowance will be paid in July of each year.

Section C. Drug and Alcohol Testing

The Board of Education, based on reasonable suspicion that a SEALS member’s job performance is adversely affected by drug and/or alcohol usage will notify the employee and the Association of its concerns orally (with written follow up) and of the circumstances/conditions that support the reasonable suspicion. The District will work cooperatively with the Association, and the SEALS member, to solve problems which might be identified.

The SEALS member may be required by the District, based on reasonable suspicion, to submit to a drug/alcohol assessment, including but not limited to testing, conducted by a certified practitioner of the District’s choice. Should such assessment be negative, no further action would be necessary unless reasonable suspicion is again demonstrated. A positive assessment may be grounds for discipline. If applicable, the SEALS member will agree to participate in a patient treatment program, if recommended by medical or other qualified personnel.

A positive test for THC is not, in and of itself, sufficient evidence to confirm the reasonable suspicion of an employee being under the influence of marijuana. Therefore, a test for THC shall not be used for this purpose until such time as a reliable test is available. The District is not prohibited from using other factors to support the determination of an employee being under the influence of marijuana and assigning discipline. When a reliable test for THC is available, the District and the Association will enter into a Letter of Understanding or new provision in the collective bargaining agreement, whichever is more timely, to address this issue.

ARTICLE XXVII - NO STRIKE CLAUSE

The Union agrees for the life of this Agreement there shall be no strike of any kind. The District agrees that there shall be no lockout.

ARTICLE XXVIII - DURATION OF AGREEMENT

This Agreement shall become effective on July 1, 2022, and shall continue in full force and effect up to and including June 30, 2025.

This Agreement shall continue in effect for successive yearly periods after June 30, 2025, unless notice is given in writing by either the District or the Association to the other party, at least ninety (90) days prior to June 30, 2025, or any anniversary date thereafter, of their desire to modify, amend, or terminate this Agreement. If such notice is given this Agreement shall be open to modification, amendment or termination as such notice may indicate.

IN WITNESS WHEREOF, parties hereto have set their hands this 20th day of June 2022.
