2023-2024 - ID Badge Policy

Students are required to wear a school-issued photo ID badge while on campus. The photo ID badge must be visible and worn in a location above the waist. Students may wear ID badges with a lanyard, clip it to their shirt, or wear it as a bracelet. As a safety measure, this allows us to be able to identify who is on our campus. Additionally, it helps students to get ready for college and for jobs that require ID badges.

The first ID badge will be provided to students, along with a lanyard – free of charge for both. Students will be provided with two temporary IDs badge for the school year, when they do not have their ID badge. Thereafter, each time students do not have their ID badge, they will be required to purchase a new one for \$5 (lanyard included), to cover the cost of the materials needed to make ID badges. Lanyards only may be purchased for \$1. Students may pay the school bookkeeper or the \$5 fee will be added to the student's fines and fees account in Skyward. Parents may pay student fines and fees online in Skyward.
