Lower School Message from Mrs. Agee

Dear Lower School,

Lower School students are having an amazing start to our new school year. Students are quickly learning our new routines. We look forward to spending time with our parents during our Back to School night tomorrow night.

Please remember that PreK and K parents pick up students at 2:50 PM in the circle in front of the lower school building. Parents, grandparents, or other drivers for students in 1st-4th grade begin our parent pick-up line beside the gym. If you are the first person in our line beside the gym, please wait until a teacher waves for you to enter the circle in front of the building. Teachers will help explain this process in more detail during our Back to School night program.

Kasi Agee
Lower School Director

Middle School Message from Mrs. Scott

Dear Middle School,

This has been a busy and exciting first week! Overnight trip information was emailed on Tuesday morning. Please take the time to look over the information and register for these trips. Tomorrow night is Back to School Night, and I look forward to seeing you! Please make sure you come and get to know your child's teachers and learn a little about their day. I will also spend some time discussing some middle school tips and tricks. Don't miss out!

Sincerely,
Ioana Scott
Middle School Director

**BACK
TO
SCHOOL
NIGHT**

As a part of our efforts to upgrade our utilization of technology, Sumner Academy has updated all student email accounts.

All student emails now end in **SAhawks.org** instead of **hawks.sumneracademy.org**.

For example **DeAnna.Ball@SAhawks.org**

Passwords have not changed.

If your child has any issues logging into their account, please contact **Mrs. Ball**.

Sumner Academy Band

Sign-ups for the Sumner Academy Band for the 23-24 school year are open!

Band is a year-long commitment open to any 4th - 8th grade SA student.

The band will meet during the 8th period every Tuesday and Thursday.

The band will be divided between the beginner band and the advanced band. Auditions will take place during school in the coming weeks.

If your student wants to participate, please email **Mrs. Robertson** and **Mr. Cline** before Monday, August 7th.

Music and Arts will be on campus Tuesday, August 8th @ 6:30 pm for an instrument demonstration and display.

Message from the Head

Your children are awesome!

You already knew that, but please allow me a moment to reinforce the sentiment. We are only halfway through the first week of school, and I see every student growing more confident and comfortable.

Sometimes our students forget to say goodbye in the mornings as they charge excitedly from the car to their classrooms, teachers, and friends. Playtime is a hive of activity, with everyone occupied by some activity. In classes, students volunteer answers, ask for more information, and diligently complete their tasks. The students are sponges with all they are learning.

At the end of the day, I can often be overheard asking, "Did you have a good day?"

I was shocked yesterday when a student smiled at me and said, "No."

Zoom to the concerned and confused look on Mr. Gammill's face.

Zoom to the smiling student, "I am tired, but it was a great day."

Thank you for sharing your children with us and helping everyone have a great day!

Sumner Academy FACTS Mobile App: It's super useful!

Download the app for Apple or Android. It's your gateway to all things Sumner Academy, including:

SUMNERACADEMY.ORG

Can you find the hawk hidden in the nest?
