

8th Grade School Supply List 2023-24

Required Organizational Tools for ALL students:

Students will be using backpacks and their locker as their primary organizational hub. In order to ensure students' items all have a specific place to go, we recommend backpacks that:

- Backpacks have a laptop sleeve, a pocket that's big enough for pens, pencils, and other materials, and a pocket for water bottles.
- A locker organizational system
- Please note that backpacks with wheels do not fit in Bryan lockers.

Students will be using a colored coded system for folders and spirals for each class. Please adhere to the color necessities below.
