## ECFE Classes include Three Components:

- » **Parent-Child Interaction:** You and your child spend time together enjoying activities designed to enhance learning. You will leave with new ideas for things to do together at home.
- » **Parent Education:** Meet with other parents and a licensed ECFE teacher to discuss topics such as development, temperament, discipline, and getting ready for school. The parenting group time takes place in a separate room or in a designated area of the children's classroom for non-separating classes.
- » **Children's Classroom:** While parents participate in parent education, children learn through play in a classroom with early childhood staff. Children will enjoy music, art, stories, large and small motor activities as they interact with other children.

## Early Childhood Screening

### SCREEN AT THREE

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten. White Bear Lake Area School District provides this screening at no charge.

### 3 reasons to screen at age 3:

- » Screening can ensure school success
- » If health or developmental concerns are identified, educational services are available immediately
- » It is fun for children and provides caregivers with valuable information regarding child development

Call 651-653-3100 or visit [whitebear.ce.eleyo.com](http://whitebear.ce.eleyo.com) to register.

Early Childhood Screenings are held at:

## Multi-Age

AGES BIRTH-5 BY SEP 1, 2023

Join families with children birth to five (before kindergarten) and participate in age appropriate activities. There will be a separate parenting time to learn about child development, handling tantrums and anger, toilet learning and other topics. Gradual parent/child separation is flexible and can occur as the child's needs are met.

**Mondays | 6:00-7:30 PM | Normandy Park**

**Wednesdays | 8:45-10:45 AM | Normandy Park**

## Parent-Child Playschool

AGES 2-3 BY SEP 1, 2023

Playschool is an opportunity for children to become more comfortable and confident in a classroom setting, learn to follow rules, routines and directions, begin to initiate social interactions, and become an integral part of a group.

In the fall, children come to school with a parent/ guardian and spend time in a traditional ECFE classroom gaining these skills and separating during parent time.

Starting the first week November, we will implement the second day as child-only. Children may attend the second day, Tuesday, as soon as they are 2.5 years old.

**Mondays & Tuesdays | 8:45-10:45 AM | Normandy Park**  
*Monday is a parent/child day, Tuesday is child only starting Nov 14.*

## Family Literacy

AGES BIRTH TO 5 (BEFORE KINDERGARTEN)

This multi-age class meets two days per week and is for families wanting to practice English. Parents and children attend together to improve their English language skills through conversation, learning activities, music, and more. An English/ESL teacher and an ECFE teacher teach the class together.

**Mondays & Wednesdays | 11:00 AM-1:30 PM**  
**Normandy Park**

**Tuesdays & Thursdays | 11:30 AM- 2:00 PM**  
**Normandy Park**

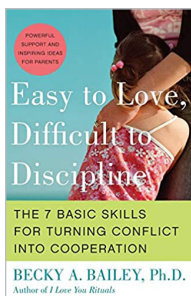

## Conscious Discipline Virtual Parenting Circle

## Fall Parent Event

CONSCIOUS DISCIPLINE FOR PARENTS

Conscious Discipline is an evidence-based approach that supports social/ emotional development. It provides an array of behavior management strategies that parents can use to turn everyday situations into learning opportunities. Conscious Discipline is a proven, comprehensive approach that empowers you with skills that create a safe, connected, problem-solving environment for your family. Join us for an explanation of conscious discipline and a conversation about how to implement some of the strategies in your home environment.

## Grandparents Class

AGES BIRTH-5 BY SEP 1, 2023

When we had young children they didn't come with instruction manuals and as we journey into being grandparents, we find that they still don't. Whether you are on full time duty raising your grandchild or want to have a special time with your young grandchild, this ECFE class is for you. Come and connect with other grandparents and have a chance to play in an environment set up with young children in mind. We will explore the unique joys and challenges of being a grandparent during our separation time.

**Thursdays | 8:45-10:45 AM | Normandy Park**

## Multi-Age Pop In & Play Time!

AGES BIRTH-5 BY SEPT 1, 2023

Parents and children will enjoy a variety of activities and circle time with our Early Childhood teachers. Grandparents and other caregivers are welcome.

**Tuesdays | 11:00 AM-12:00 PM | \$5/session**

**Normandy Park | Non-separating**

## Young Explorers

AGES 2.5-3 BY SEP 1, 2023

Children will learn and discover exciting things in these "child only" drop off classes. These theme based classes offer opportunities to work on age-appropriate developmental skills that will foster curiosity while exploring new learning experiences.

**\$45 | Fridays | Oneka Elementary**

### Session 1: "Look What I Can Do!"

Welcome to our classroom! This month we are exploring the classroom, learning how to use school materials, such as glue, scissors, markers, and crayons, exploring the school building, and learning the routines in a classroom. Get ready to play, learn and have some fun in Young Explorers.

**Sep 15, 22, 29 | 8:45-10:45 AM**

### Session 2: "Fall Harvest"

Autumn leaves are falling down, falling down, falling down. Come join us as we explore and learn about fall harvest, create autumn crafts and make a fall sensory item to take home.

**Oct 6, 13, 27 | 8:45-10:45 AM**

### Session 3: "Forest Animals"

Winter is coming and all the woodland creatures are getting ready for the change in season. Come and learn about animal habitats and which animals hibernate. Together we will make a big bear cave in our classroom.

**Nov 3, 10, 17 | 8:45-10:45 AM**

### Session 4: "Gingerbread Friends & Fun"

"Run, run, run as fast you can! You can't catch me, I'm the Gingerbread Man." This month we'll be exploring (and maybe tasting) all things gingerbread! We'll be reading gingerbread books, playing in our very own gingerbread house, creating gingerbread artwork and building a gingerbread house to take home.

**Dec 1, 8, 15 | 8:45-10:45 AM**

## Parent-Child Gym Time

Families can enjoy activities set up in the gym at Normandy Park Education Center. Parents are responsible for the supervision of their children.

## JOIN OUR PARENT ADVISORY COUNCIL (PAC)!

Every Early Childhood program is required to have an advisory council that assists in the developing, planning and monitoring of the ECFE program. The PAC consists of parents participating in the program, local community professionals, and agency representatives who can offer input and guidance on community needs.

The PAC meets 4 times a year.

- The PAC runs 3 special events per year (fall, winter, spring).
- The PAC helps to approve special grants for the program.
- The PAC supports 2 fundraisers per year.

## CSGA: Elementary Coding & 3D Design: Gr 1-5

Computer programming is an excellent way to learn logical problem solving skills in a fun, engaging way that kids love! Whether we're creating a scratch computer game, programming a robot, or designing a 3D object, this club offers a unique and challenging opportunity for students to expand their 21st century skill set. Challenge your creativity by designing 3D objects using Computer Aided Design software and then printing your design prototypes. Learn about measurement, units, & scale while creating your prototyped designs. Attempt to recreate small, functional, full scale, real life objects in addition to your own designs. We will be using 3D printers and CAD software.

## Driver's Education (Ages 14-18)

### A+ DRIVING SCHOOL

Students may start classroom driving lessons at age 14, take the Knowledge Test and obtain their Instruction Permit at age 15, and take the Road Test and obtain their Provisional License at age 16. To be eligible to take the Road Test, students must have had their Instruction Permit for a minimum of six months.

**Classroom Phase:** This phase includes the required 30 hours of classroom instruction that prepares the student to take the Minnesota permit test and to take on the responsibility of driving.

**Behind-the-Wheel Phase:** After students pass the permit test, they are required to complete six hours of driving lessons. The lessons are provided in three, two-hour lessons. The lessons are one-on-one instruction with instructors licensed through the MN Department of Public Safety.

**Parent Involvement:** A+ Driving School is proud to offer a parent informational meetings in White Bear Lake. Attending this class will meet the requirement to REDUCE the number of hours that students need to drive with a parent from 50 to 40 hours.

Please register on the A+ Driving School website at White Bear Lake Drivers Education. Once you go to the A+ Driving website you will then select in-person classes or distance learning.

## Innovative Education

As we begin a new school year, we're excited to consider the ways our students reach academic excellence utilizing innovative educational opportunities.

Through a lens of student-centered instruction, we recognize all students grow and learn in different ways and at different rates, and that all students can achieve. Our varied programs aim to develop deep relationships to understand each and every student as a whole person with individual strengths, unique academic interests, and personal needs.

We offer a variety of academic opportunities for students to explore their interests, excel and design their future. Whether a student is interested in programming a robot, singing on stage, learning how to build a car engine, or earning free college credits while in high school, the opportunities abound.

We know that learning happens best when students are agents and owners of their own learning in an environment that is safe, supportive and challenging — with high expectations for student success. Behind the scenes, we employ strategies that build intentional relationships and use real-time data and feedback that enable students to achieve academic, social, emotional and personal goals.

Our educators inspire, facilitate, and challenge students, nurturing curiosity and confidence. We provide a window to their future. Our employees understand that they play a role in our students' experiences, that we're all educators regardless of our job title.

## New Hires & Assignments

### Birch Lake Elementary Principal

Julian Stanke is the new principal at Birch Lake Elementary. Stanke comes to the district from South St. Paul Public Schools, where he served as assistant principal at South St. Paul Middle School. Prior to his most current role, he held multiple positions in the SSPPS district, including K-6 Spanish teacher and student support specialist.

### Central Middle School Associate Principal

Lonal Van begins this fall as associate principal at Central Middle School. He formerly served at Sunrise Park Middle School as dean of students and has worked with the WBLAHS credit recovery and district's Freedom Schools programs. Prior to working in White Bear, Van worked for the Minneapolis Public School District for 10 years. He also has experience in the classroom teaching fourth grade.

### Central Middle School Dean of Students

Edward Davis will begin his time with White Bear Lake Area Schools this fall, serving in the role of dean of students at Central Middle School. He comes to the district from Minneapolis Public Schools, where he has served as dean of students at Olson Middle School. Earlier in his career, he taught fourth and fifth grade in the Minneapolis Public Schools system.

### White Bear Lake Area High School - North Campus Principal

Long-time district administrator Carrie Barth, who most recently served as associate principal at WBLAHS - South Campus and served as Sunrise Park Middle School associate principal prior to moving to the high school, will serve a one-year assignment as principal at WBLAHS - North Campus before the unified high school houses all White Bear Lake Area High School students in the fall of 2024.

### Otter Lake Elementary Principal

District administrator Ang Nelson, who has most recently served in the principal role at White Bear Lake Area High School - North Campus, is the new principal at Otter Lake Elementary. Prior to her time as principal, Nelson served as associate principal at North Campus. She came to White Bear from the Forest Lake Area School District.

### Principal on Special Assignment

Cynthia Mueller, former Otter Lake Elementary principal, will serve as a Principal on Special Assignment as a member of the district-wide Teaching and Learning team for the 2023-24 school year. Mueller will provide instructional leadership through collaboration with principals and instructional coaches to support student literacy outcomes and the implementation of the district's strategic plan.

### White Bear Lake Area High School - South Campus Associate Principal

Chandra Hanke will serve as the interim associate principal at White Bear Lake Area High School - South Campus for the 2023-24 school year. Hanke comes to the district after serving in a student management specialist position at Maple Grove Senior High School, and with prior experience in the roles of online academy lead, dean of students, and instructional leader at Fridley Online Academy.

### Sunrise Park Middle School Dean of Students

Brian White, who formerly served as coordinator of the district's Multi-Tiered System of Supports (MTSS), is the new dean of students at Sunrise Park Middle School. Prior to working in White Bear, White served in the roles of dean of students for KIPP Academy Charter Schools and special projects manager in the Equity Office of Saint Paul Public Schools.

### Unified White Bear Lake Area High School Principal

Russell Reetz is the new principal for the unified White Bear Lake Area High School. He will facilitate work being done this year as the two campuses prepare to come together into one unified building in Fall 2024. Reetz comes to us from Eden Prairie High School, where he was an associate principal. He has also served in director of activities roles, formerly served on the Minnesota State High School League Board of Directors and is an active mentor to athletic directors throughout the country with the InsideOut Initiative. He began his career teaching physical education, health and DAPE, and he has coached football and track and field.

## Construction Updates

Since 2019, when the community supported a bond referendum, the list of completed facilities projects has grown to include new Transportation and North Star Elementary buildings, South Campus gym and classroom additions, ALC renovations, and elementary additions at Birch Lake, Lakeaires, Lincoln, Matoska, Otter Lake, Vadnais Heights and Willow Lane.

This fall, the Oneka Elementary addition and updates will be completed. Progress will be made throughout the school year on the Unified WBLAHS so that it can open to grades 9-12 in Fall 2024, when the current WBLAHS - South Campus will open as Mariner Middle School. Work will also continue for the phased projects at Central Middle School and for the current Sunrise Park Middle School, which will be ready in Fall 2025 as a multi-use facility to include District Offices, Early Childhood, Transition Education Center (TEC) and the Senior Program.

Recently, a popular topic of conversation has been the expanded indoor and outdoor spaces for student and community activities. The WBLAHS Field House has seen its share of action, with the indoor walking track being opened to community members last spring, the Boys' and Girls' Track Teams hosting season-opening indoor track and field meets, and a variety of camps and activities taking place at the five-court indoor space. The stadium and turf fields surrounding the current North Campus have seen practices and contests, along with community use when the spaces are not reserved for activities. The new courts on Bald Eagle Avenue, which are painted and lined for both tennis and pickleball, are scheduled to be completed in mid-August to be used for the fall sports season and available for community use.

The district's building projects are made possible by the community's support of the 2019 Building Our Future bond referendum.

Complete information about the district's facilities projects, including construction details about individual projects, videos and presentations that have been shared at School Board meetings, can be found at [isd624.org/BuildingOurFuture](https://isd624.org/BuildingOurFuture).

We encourage students to dream about their aspirations, explore opportunities, design their future and create their success.

We are transforming learning. Our flexible learning spaces and learning studios ignite opportunities for communication, collaboration, creativity and critical thinking. The community's support of the 2019 bond referendum resulted in visible structural changes, but the invisible changes that have occurred are even more important. The students' connection to their learning has been strengthened by their changed environments.

We have a lot to look forward to this school year, and we're excited to begin!

Superintendent

## Planning for Student Success

As we begin the 2023-24 school year, our district's updated Strategic Plan strategies provide us with a focus moving forward:

- We will create and sustain a safe, equitable and nurturing environment.
- We will promote, encourage and support students' personal learning experiences and aspirations.
- We will ensure our organization continuously transforms to fulfill our mission.
- We will establish healthy and vital engagement with our entire community.

Last spring, the School Board approved a fifth strategy that was developed throughout the year by an Action Team made up of community members and district staff members. The Foundation of Success will be used to help us achieve systemic alignment to ensure that we provide educational experiences that are designed to develop skills and competencies vital to students' eventual postsecondary success and engagement: fundamental learning, flexible and critical thinking, community engagement, character, communication, and teamwork.

The strategic work continues into this coming school year. Teams from schools and programs came together this summer to review their site's current reality, consider alignment with the district's new Strategic Plan strategies, and work on building a school- or program-level Action Plan.
