Writes a clear and organized opinion piece with an introduction, body paragraphs (reasons and evidence), and conclusion.				
Write complete sentences using the correct verb tenses. Explain conjunctions, prepositions and interjections.				
Use knowledge of language and its conventions when writing, speaking, reading, and listening.				
Use context clues to determine meaning of words.				

MATHEMATICS				
	Term			
	Q1	Q2	Q3	Q4
NUMBER AND OPERATIONS IN BASE TEN				
Multiply up to a four-digit by a two-digit number.				
Divide up to a four-digit number by a two-digit number.				
Add decimals to the hundredths place.				
Subtract decimals to the hundredths place.				
Multiply decimals to the hundredths place.				
Divide decimals to the hundredths place.				
NUMBER AND OPERATIONS - FRACTIONS				
Add fractions with unlike denominators including mixed numbers.				
Subtract fractions with unlike denominators including mixed numbers.				
Multiply a fraction by a whole number or a fraction.				
MEASUREMENT AND DATA				
Count cubes to find the volume of a figure.				
Find the volume of a rectangular prism.				
GEOMETRY				
Use coordinates on a coordinate grid to answer questions.				

SOCIAL STUDIES				
	Term			
	Q1	Q2	Q3	Q4
CIVICS				
Demonstrates abilities to analyze the development establishment of the U.S. federal government.				
Demonstrates the ability to decide whether rules and laws help the general well being of citizens using historical and modern day examples.				
HISTORY
