

# CHADWICK SCHOOL BUS TRANSPORTATION

All Chadwick students must either ride the bus or carpool to campus. Carpools must have at least 2 students (or 3 if the driver is a student) in both the morning and in the afternoon. About a third of our students choose to take a bus to and/or from campus each day and have the chance to build community with a “Bus Buddy” or other students.

Each year we work with families interested in taking advantage of the bus to make sure that routes and stops are located in a place that is both safe for students and convenient for families. We take pride in having a bus program that is responsive to the needs of our community, that fosters friendship amongst the riders and drivers, and that reduces Chadwick’s overall carbon footprint so that we can continue to offer this educational opportunity to your family and others for many years to come!

## Some Additional Information

- Wednesdays are a late start day, so each of the bus pick up times are adjusted by about 45 minutes later on those days.
- There is a shuttle that goes from campus to a local meeting area throughout the week in the afternoon (leaving campus roughly every 20 minutes) so families can pick their students up without having to come up the hill.
- Fridays are an early-dismissal day, so the drop off times should be adjusted by about 45 minutes earlier on those days.
- There is a "late bus" to allow for students to stay on campus for afternoon clubs, activities, and athletics throughout the year. These buses typically leave campus at 5:45pm.
