GOAL: By the time students leave the EBL building they will have committed 35 important verses to memory that will be useful throughout a lifetime of serving God.

Elementary teachers have the freedom to add or subtract from these verses depending on the week's schedule and their students' abilities. A bracket [] will be on the memory verse card of long verses. The words between the brackets will be all that is required for students through the 2nd grade. **8/7/23**
