only \$1,050**

About the Endorsement

The Dyslexia Endorsement at Metro RESA is a GaPSC approved preparation program that provides approved candidates with the coursework and related field experience required to add the Dyslexia Endorsement to a current standard Georgia Professional Certificate. The Metro RESA Dyslexia Endorsement has expanded and will now provide participants the ability to choose from two online Metro RESA model endorsement options. The current registration for Cohort 18 is offered as the new online version with built-in virtual check-ins with an instructor, and collaborative assignments embedded into the new format. Looking ahead to the fall of 2023, Metro RESA will be adding an additional online version that will be open for registration as an asynchronous/self-paced version of the Dyslexia Endorsement. The online self-paced/asynchronous model will allow candidates to move through each course independently with the freedom to complete assignments and assessments at the participant's own pace. Registration for the online asynchronous/self-paced model will not be available until late July of 2023.

**REGISTER
NOW!**

Course I Begins August 1, 2023
