# METRO RESA

# K-5 MATH ENDORSEMENT

**Course I: Foundations of Teaching Practices with Whole Number Operations**

**Course II: Numerical and Operational Reasoning**

**Course III: Algebraic and Statistical Reasoning**

**Course IV: Measurement, Geometric, and Spatial Reasoning**

## About the Endorsement

The K-5 Mathematics Endorsement courses will strengthen and enhance pedagogical knowledge in mathematics with an emphasis on effective mathematics teaching practices. Upon successful completion of the 4 courses, educators' certificates will be updated to include the K-5 Mathematics endorsement field.

**Total Cost**  
**\$1,720**
