

NOTICE TO STUDENTS AND PARENTS

By its very nature, competitive athletics/cheer may put students in situations where serious and/or permanent injuries may occur. Some forms of athletic/cheer competition may include physical contact among participants, the use of equipment that may be hazardous, strenuous physical exertion, or other exposures to risk of serious and/or permanent injury. By granting permission for your son or daughter to participate in inter-scholastic athletic/cheer competition, you and your student acknowledge that such risks exist. Student participants will be instructed in proper techniques to be used in practice and competition, and in proper use of equipment. Students must adhere to those instructions in order to reduce risk of injury. No amount of instruction, precaution, and supervision will totally eliminate all risk of injury.

NOTE: Parents or guardians are requested to exercise due care in filing out this card. It is recommended that you inquire of your insurance agent whether your child is covered for medical, hospital expense and accidental death in the minimum amounts. If you have any questions about coverage, please notify the school immediately.
