Bringing you the middle school scoop...

### Principal's Message

July 13, 2023

Dear Westlake Middle School Families,

Happy Summer! We hope everyone had a great time celebrating Independence Day.

Whatever your plans are this summer, enjoy!

We welcome our incoming 6th Grade families to Westlake Middle School. This **newsletter** and **email/text blasts** serve as the two main ways that we share information. The WMS Pawprint format includes important new information at the top, then highlights from around the school, and dates of future events towards the bottom. It is a live link that gets updated, so...

**KEEP THE PAW PRINT BOOKMARKED!**

**Once you have access to the newsletter it will update automatically, so go back at any time to see the latest version.**

Older versions will be archived on our <https://wms.mtplcsd.org/>

## August 31st - PTA Bagels and Locks

Our PTA is sponsoring a welcome event for our 6th Graders. 6th Graders and their parents are welcome to come in, set up their lockers, and map out their schedule of classes.

If any 7th and 8th Graders wish to earn community service hours by giving tours and advice to 6th Graders, please email Mr. Mungioli [amungioli@mtplcsd.org](mailto:amungioli@mtplcsd.org)

# Principals' Leadership Group - Snapshots of What's Happening at WMS

## Photojournalism - Enrichment and Extensions of Learning

Last year many students from our Principals' Leadership Group took the lead in capturing great images for this newsletter. So many of history's most important moments have been captured by cameras. Behind those cameras are inspiring photojournalists. We encourage students to get involved in these and other activities that may propel them into a fruitful career.
