

Walnut Creek Learning Community,

I hope this email finds you well and enjoying these last few weeks of summer break! We are excited for the month of August and to welcome our students back to Creek soon!

On August 1st I sent a lengthy email with information regarding important back to school information. The highlights from that email are:

Back to School Packet:

Must be completed for ALL students prior to Creek Connection on 8/22/23.

***** Students who opted to retain their Chromebook for the summer are all set.**

***** Students who paid their deposit last year DO NOT need to make that payment again.**

Insurance payments are annual.

August 21st: 6th Grade WEB Day - more detailed information will be sent to 6th grade families.

August 22nd: Creek Connection (registration) - All families attend anytime between 9:00 AM - 3:00 PM as your schedule permits.

School Supply List:

We appreciate our parent support and continued participation in the Summer Academic Engagement Activities.

This will be the last week that iReady will be accessible for all students in WLCSD. **On Thursday, August 10th, iReady is scheduled to begin the roll over process for the 23/24 school year.** During the update, all student iReady information is updated for the 23/24 school year. Students will no longer have access to iReady lessons until the first iReady diagnostic has been completed at the start of the school year.

I encourage all students to utilize iReady this week while it is still available. For this week, I encourage parents to have their student complete an extra iReady lesson. If parents are looking for some extra engagement for their students, I encourage parents to visit the Encore

Department Summer Engagement Activities site which is filled with many engaging and fun activities for students.

Once again, I want to extend my appreciation for your continued efforts in making education a priority. Together, we can create an environment where each student can thrive academically and personally.

Be well,
