# JagNet Registration Error Troubleshooting Guide

## General Information:

- After an application is submitted to South Texas College through Apply Texas, it takes approximately 3-5 business days for it to reflect on a student's account.
- The system takes approximately 24 hours to create an applicant's account after the admission application has been accepted.
- Have each student activate their account ([www.mypassword.southtexascollege.edu](http://www.mypassword.southtexascollege.edu)) so that they may create a personalized password and set up their security questions so that they can reset the password on their own, as needed.
