SUMMER BULLETIN—NUMBER 4

CAREER CENTER Let's talk about your future! Students often say that they have "no idea" what they want to do when they leave high school. Now is your time to figure some things out.

The Career Center is right next to the DECA Student Store in the commons. Mrs. Nass and Mrs. Millet are there to help you with everything from... finding a part-time job or volunteer opportunities, joining the PSNS work study program, filling out your college financial aid (FAFSA), helping you connect with recruiters, finding scholarship opportunities to help pay for your post high school plans, helping you fill out job applications and writing a resume. If you have a question, they will find you answers and connect you with the right people.

SHOULD I GO INTO THE TRADES, MEDICAL FIELD, TECHNOLOGY, MARKETING, TEACHING...??

When planning your future, one of the most helpful and powerful tools available to you is Xello. Use this resource wisely and it will help guide you in your choice of classes and career pathway. It is also a WA State mandated graduation requirement, so don't delay and get the most from Xello.... before you are a senior!
