The faculty, administration, and staff wish all students a successful year at Wadsworth Middle School. The first day of school provides everyone a new beginning. We hope that you will find the school year exciting and memorable.

Wadsworth Middle School encourages academic excellence. Your success depends on regular attendance, good study habits, self-discipline and appropriate school behavior. We also believe your academic success and achievement are enhanced through participation in the arts, athletics, and other extracurricular activities. Participation in school activities also helps generate pride and loyalty.

Our goal is to have a school where all students feel successful. To attain this goal there must be a working relationship among students, staff, parents, and community members. Cooperation among these groups will help promote successful personal growth for all our students.

Sincerely,

Mr. Eric Jackson, Principal
Mr. Joe Shalala, Assistant Principal

ABSENCES – ATTENDANCE POLICY/PROCEDURE

LEGAL RESPONSIBILITIES OF SCHOOL ATTENDANCE

Section 3321.01 Ohio Revised Code states that any child between 6 and 18 years of age, inclusive, is of compulsory school age. The parents, guardian, or any other person having care of a child of compulsory school age shall cause such child to attend school or participate in a special education program, that conforms to the minimum standards by the State board of Education, unless the child is employed on an age and schooling certificate with the permission of the Wadsworth City School Board of Education.

REQUIREMENTS

Regular attendance by all students of the Wadsworth City School District is very important. In many cases, irregular attendance is the major reason for poor school performance. Consequently, all students will be urged to make doctor appointments, do personal errands, etc., outside of school hours.

A student will be considered habitually truant if the student is absent without a legitimate excuse for thirty (30) or more consecutive hours, forty-two (42) or more hours in one (1) school month, or for seventy-two (72) or more hours in one (1) school year. Whenever any student of compulsory school age has sixty (60) consecutive hours in a single month or a total of ninety (90) hours of unexcused absence from school during the school year, s/he will be considered habitually absent.

To be eligible for extracurricular activities, students need to be present for 4 class periods. Basically, this means that students must attend classes until 11:00 a.m. or be in attendance at the middle school by 11:00 a.m. for the rest of the day.

EXCUSED

Absence from school may at times be necessary. Below are acceptable reasons to be excused for missing school as prescribed by statutes of the State of Ohio:

1. Illness of the child (administration may require a physician's written statement if deemed appropriate)
2. Illness in the family necessitating the presence of the child (administration may require a physician's written statement if deemed appropriate)
3. Quarantine of the home
4. Death of a relative
5. Medical or dental appointment
6. Observance of religious holidays
7. College Visitation
8. Absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status
9. Absences due to a student being homeless
10. Emergency or other set of circumstances in which the judgment of the superintendent of schools constitutes a good and sufficient cause for absence from the school.

Both excused and unexcused absences are counted with the attendance requirement. The distinction is made between "excused" and "unexcused" absences for attendance purposes. All absences will be counted in the attendance requirement. Included are excused absences, partial day absences for a doctor or dentist appointment, driver's permit test, approved vacation days, inclement weather with school in session, and unexcused absences. The only exceptions are days when the student is involved in approved school activities. School activities are those activities in which a student participates as a member of an approved team or group representing the school. Such activities include but are not limited to field trips, sporting events and school-sponsored programs.

Whenever a child is going to be absent, the parents should notify the office between 7:00 a.m. and 8:00 a.m. each day of the absence so that the reason for absence will be known. The number is 330-335-1357. The office routinely calls parents/guardians to verify absence. Parents should not be offended by the call. The call is only to ensure the location and safety of the student. Without parent contact, a student will be presumed truant and dealt with accordingly. If it is absolutely impossible for the parent/guardian to call the school, the student will be required to bring a note to school after each absence explaining the reason for the absence or tardiness. Attendance has 24 hour a day voicemail; calls can be made anytime to report an absence.

**Students who are absent from school for reasons not permitted by state law may or may not be permitted to make up work. The absence will be recorded as unexcused or truant.

An unexcused absence occurs when a parent/guardian notifies the school of an absence but it does not fall into one (1) of the categories listed under excused absence above.

A student is marked truant when a parent/guardian does not contact the school and does not respond when a call is placed notifying the parent/guardian that a student is not in school.

A student who misses thirty (30) or more consecutive hours, forty-two (42) or more hours in a month or seventy-two (72) hours in a school year without a legitimate excuse is considered habitually truant and is referred to an Absence Intervention Team. The Absence Intervention Team, which includes the student's parent/guardian(s), creates a plan to assist with the student's attendance issues. Legitimate excuses are those defined under excused absence.

CLASSROOM ATTENDANCE – CLASS CUTTING

Students are expected to attend classes daily. Teacher passes to go to another classroom, library, or study hall are valid for only ONE period. Failure to report to designated area will count as truancy. (No academic grade for classes missed.) Possibly disciplinary actions will be taken.

EARLY DISMISSAL FROM SCHOOL

Any student who must leave school early (before 2:30) for appointments must bring a written request signed by parent or guardian to the main office prior to the start of school on the day you wish early dismissal. This request should state the reason, time of desired dismissal, tentative time of return, and phone number where the parent may be reached. The student must have a verification form filled out and it should be presented to the main office secretary upon return to school.

LATE ARRIVALS – SIGNING OUT

TARDY 7:35

Students must be in attendance 4 periods to be eligible for extra-curricular activities. When you return to school the day after an absence, follow this procedure: unless previously called off you must have a note within two days of return to school.

MAKE-UP WORK - HOMEWORK POLICY FOR EXCUSED AND UNEXCUSED ABSENCES

1. Excused/unexcused absences- It is the responsibility of each student with an excused absence to immediately, upon return to school, make arrangements with his/her teacher(s) to make up work missed. Classwork for an unexcused absence is able to be made up. A student will be given one day to make up required work for each day missed. Scheduling of make-up work is at the teacher's discretion. If an assignment, such as an in-class activity or group assignment, is not required to be made up for excused or unexcused absences, students may be exempt (as will be indicated on Progress Book) from the assignment and neither zero credit nor other penalties will be assigned. The student's average and grade computed for the nine weeks will only reflect the required work completed.
2. Please contact the teacher directly OR check Google Classroom for work that can be made up during prolonged absences. Questions or concerns can be directed to the teacher.

TARDINESS TO SCHOOL

The main office will keep a record of each student's tardiness to school. The school will take action for all unexcused tardies.

Students who come to school later than their normal starting time will be required to sign in at the main office. You are considered tardy to school if you are not in your assigned seat when the late bell rings. Any student who fails to sign in may be considered truant or unexcused.

VACATION

Students are permitted to go on vacation during the school year without penalty except the week ending each semester and the week of state mandated testing. The purpose of this administrative guideline is to accommodate parents who must take their vacations during the school year and the desire to enjoy that time as a family.

Whenever a proposed absence-for-vacation is requested, parents must discuss it with the principal. The length of absence should be made clear, and those involved should have an opportunity to express their views on the potential effects of the absence.

The district will only approve a student's absence for a vacation when she/he will be in the company of his/her own parent or other family relatives but not other students' parents, unless there are extenuating circumstances deemed appropriate by the principal.

Prior to the vacation you must send a written letter/email to the principal prior to departure of the absence in order for the absence to be reviewed. Student attendance will be reviewed prior to approval granted.

ACADEMICS

***Academic dishonesty demonstrates a lack of character that is inconsistent with the goals of the Wadsworth City School District.**

Definition of Academic Integrity: All work that is prepared for evaluation by teachers (i.e., homework, quizzes, take-home exams, in-class examinations, presentations and papers) falls under academic integrity. Students are required to submit such work for evaluation for various reasons:

- To help the students develop and express concepts, knowledge, and skills
- To inspire creative thinking and work
- To provide the teacher with feedback revealing whether or not students grasp the material presented
- To provide a record of the student's progress
- To promote the learning of new material and to reinforce old material

Wadsworth Middle School students are expected to have high academic standards at all times, with emphasis on the need for attributing credit and for doing independent work when required/expected by the teacher. All work submitted to meet course requirements is expected to be a student's own work.

CHEATING

Cheating is defined as giving or receiving any information on any work meant for individual completion or preparation regardless of the time or place of exchange of information. Violations may result in lowering of one's grades or disciplinary action. Individual teacher's syllabus explains specific classroom action. Violations may result in lowering of one's grades or disciplinary action.

SCHOLASTIC ACHIEVEMENT RECOGNITION

HONOR ROLL - Each grading period, pupils with high achievement will be named to the honor roll at one of three levels: 4.0 Excellence Level, 3.5-3.9 Honor Level, and 3.0-3.5 Merit Level.

MIDDLE SCHOOL GRADING SYSTEM

MIDDLE SCHOOL ACADEMIC ELIGIBILITY

To be academically eligible for participation in co-/extracurricular activities, students must pass four (4) courses the preceding grading period to make them eligible according to the [Ohio High School Athletic Association eligibility requirements](#). In addition, the Wadsworth City School District Board of Education requires students who participate in extracurricular activities to obtain, at minimum, a grade point average that makes them eligible for participation according to the Ohio High School Athletic Association requirements.

PLAGIARISM

Because plagiarism is intellectually dishonest and therefore a form of stealing, it is an extremely serious offense and can result in severe penalties.

ANNOUNCEMENTS AND BULLETINS

All regular announcements will be made each morning over the public address system or Clever Touch Screen. Announcements must be signed by a faculty member or principal and turned in to the main office.

ASSEMBLIES

Assemblies are presented periodically for the purpose of recognizing special achievements, presenting speakers, and encouraging school spirit. Attendance at all assemblies is required.

Students must exhibit behavior that is appropriate and courteous at all times. Whether guests are present or not, each student is personally responsible for the impression made by the school as a whole. The conduct of the student body at

assemblies conveys an important message to the speaker and to the public. Traditionally, WMS students have displayed good conduct and respect for speakers. Students should report to assemblies promptly and sit where designated. It is recommended that students do not leave valuables in their classroom. Stopping at vending machines, general misconduct, and throwing items of any kind during assemblies is prohibited.

ATHLETIC PARTICIPATION REQUIREMENTS

Athletes may not be eligible to participate until the following items have been completed (forms can be picked up in the athletic office, school office, or online)

1. Physical Examination Form – completed and on file.
2. Emergency Medical Form – completed and on file.
3. Academic Eligibility requirements have been satisfied.
4. Activity Assessment

ATHLETICS RISK OF PARTICIPATION

All athletes and parents must realize the risk of injury that may be a result of athletic participation. We sincerely hope no serious injury will occur. We feel there is a responsibility to athletes and parents to make them aware of the potential risks that may exist. The Wadsworth School District will use the following safeguards to make every effort to eliminate injury:

1. Conduct pre-season meetings to fully explain the athletic policies and to advise, caution, and warn parents/athletes of the potential for injury.
2. Maintain a continuing education program for coaches to learn the most up-to-date techniques and skills, as well as being certified through sports medicine programs and CPR classes.

BULLYING – BE THE SOLUTION

As you know, the issue of bullying is a very serious subject and needs to be addressed by every student in our school. The Wadsworth City Schools will not tolerate any student who behaves in such a manner that makes other students feel uncomfortable. This includes hurting other students either physically or emotionally. In some cases this could include cyber bullying which happens through any form of electronic communication including e-mail, instant message, chat text messages or any other form of electronic communication. It is important that every student do their part to end this negative behavior. If you are a bully, your behavior will not be tolerated and we will discipline you to the fullest extent available which could include suspension, expulsion and a report to the police. If you are being bullied, please seek the help of a principal or any adult in our building in order to put an end to this terrible behavior. Lastly, anyone who witnesses a bully in action should report them to a principal. Together, we can put an end to the bullying and help make our school a safer place for everyone. Every person in our school is challenged to do their part to end bullying. Our challenge to you is: "BE THE SOLUTION!"

BUS TRANSPORTATION - suspension language

Although the Wadsworth City School District furnishes transportation in accordance with state law, it does not relieve the parents of students from the responsibility of supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the school day.

Students who ride the bus to school are expected to ride the assigned bus to and from school. The driver of the bus will be responsible for the orderly conduct of the students. Improper conduct could result in the loss of this service.

Any misbehavior that distracts the driver is a very serious violation and jeopardizes the safety of everyone. While on the bus, students are under the authority of the driver. The driver reports all discipline cases to the transportation supervisor who will consult with an administrator. The rules of conduct are for your own safety as well as that of your fellow students. It is the responsibility of the student to get to school if he/she misses the bus. Students will be expected to enter the building immediately upon arriving at school.

A note needs to be signed and verified in the office if a medical appointment will change bus riding. Only a family emergency will alter the bus assignment. A note must be brought in and approved by a principal in order for this to occur. In cases requiring alternative supervision both students should produce a note explaining the emergency, where the parents can be reached and present it to the building administrators or designee who must sign the note and have an emergency release form attached to the note for presentation to the bus driver.

Violations: Any student persistently violating essential bus rules may be denied the privilege of riding the bus and may be required to furnish their own transportation.

A full list of transportation rules and procedures can be found by visiting the Wadsworth City School District Transportation Department homepage at <http://www.wadsworth.k12.oh.us/administration/12>.

CAFETERIA REGULATIONS/PROCEDURES

Prices are available online at <http://www.wadsworth.k12.oh.us/index.aspx> District Department Food Services

Students may purchase a plate lunch or 'a la carte lunches at the cafeteria. Do not leave purses or other personal items of value unattended. Students are expected to sit down and stay in their seat until they have finished their lunch. All students should clean up their own trash, and all may be asked to help insure a clean environment. Students will be expected to be in designated areas (cafeteria, designated restrooms or blacktop).

CLASS ACTIVITIES AND CLASS FINANCES

Each class will have advisors assigned for each year. One advisor will be appointed head advisor. All class activities must have the approval of the head advisor and the principal, and all social events must be cleared through the administration and must be chaperoned by the advisors and other appropriate school personnel or parents.

Class funds are subject to the regulations concerning school accounts, and prior authorization must be obtained to spend class funds.

CLOSING SCHOOL

In the event of school closing or two-hour delay, accurate information will be made available to parents and staff members through the following stations: WEWS TV 5, FOX TV 8, WKYC TV 3, WOIO/WUAB TV 19, ohio.com and WAKR/WQX. The AlertNow@ Phone Calling System will also be utilized. The Wadsworth City School system is NOT part of the Medina County School system. RANDOM ALCOHOL, DRUG AND NICOTINE TESTING OF STUDENTS

Wadsworth City School District Board of Education Policy 5512.01, Random Alcohol, Drug and Nicotine Testing of Wadsworth City School District Students, will be followed.

If a student participating in athletics or extracurricular activities not tied to an academic grade is found to have used alcohol, drugs or nicotine outside of the of the random testing process described above, he/she will be subject to the same positive result choices/consequences found in Wadsworth City School District Board of Education Policy 5512.01. This provision is in effect 24 hours per day, 7 days per week, every day of the year.

TEAM RULES AND REGULATIONS

All team rules and regulations determined by the coach/advisor will be enforced and are supported by the athletic department and the building administration.

CO-CURRICULAR AND EXTRA-CURRICULAR CODE

"The student has received notification of this policy through the student handbook which the student acknowledges through their signature upon receiving the student handbook."

This policy is applicable to students in non-credit, co-curricular, and extra-curricular activities in grades 7 through 12 in which students participate as players, members, performers, officers and/or chairpersons, including instrumental music during the marching and competition seasons. **(Does not pertain to activities related to the curriculum.)**

A student participating in co-/extra-curricular activities represents not only himself/herself, but also the Wadsworth City Schools and community. The Wadsworth City School district believes that student participation in extra-curricular and co-curricular activities is a privilege. The district also believes that participation in such activities demands that students maintain sound physical and/or mental condition.

Coaches/advisors are responsible for managing student behavior and handling discipline problems that occur within their range of responsibility. Coaches/advisors may call on other school personnel to help in discharging their responsibilities. They may refer students to the athletic director and/or building administrator whom is then responsible for determining further disciplinary action.

DRESS CODE/STUDENT APPEARANCE

5511 - DRESS AND GROOMING

The Board of Education recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools. The Board authorizes the Superintendent to establish a reasonable dress code in order to promote a safe and healthy school setting and enhance the educational environment. The dress code shall be incorporated into the Student Code of Conduct or Discipline Code.

Accordingly, the Superintendent shall establish such grooming guidelines as are necessary to promote discipline, maintain order, secure the safety of students, and provide a healthy environment conducive to academic purposes. Such guidelines shall prohibit student dress or grooming practices which:

- A. present a hazard to the health or safety of the student himself/herself or to others in the school;
- B. materially interfere with school work, create disorder, or disrupt the educational program;
- C. cause excessive wear or damage to school property;
- D. prevent the student from achieving his/her own educational objectives because of blocked vision or restricted movement.

Such guidelines shall establish the dress requirements for members of the athletic teams, bands, and other school groups when representing the District at a public event.

In regards to dress code, the following apply:

- A. the principal is designated as the arbiter of student dress and grooming in his/her building;
- B. the participation of staff, parents, and students in the preparation of a dress code which may specify prescribed dress and grooming practices, but may not amplify the rationale for prohibition established by Board policy is desired;
- C. staff members are instructed to demonstrate by example and precept wholesome attitudes toward neatness, cleanliness, propriety, modesty, and good sense in attire and appearance;
- D. all rules implementing this policy shall impose only minimum and necessary restrictions on the exercise of the student's taste and individuality.

Students who violate the foregoing rules may not be admitted to class and may be suspended from school.

FEES—FINES

Any monies owed to the school will be recorded as soon as students incur the debt. All fine/fee monies and other financial obligations are to be paid in full in the main office. We do not allow students to charge items for other purchases.

GUIDANCE DEPARTMENT

COUNSELOR ASSIGNMENTS

7th Graders.....Mrs. Albanese
8th Graders..... Mrs. Manos

Students are assigned to counselors for routine matters such as schedules and test results. We encourage students to talk to any counselor about personal concerns, emergencies, and crises.

Counselors assist students through crisis intervention, problem solving, individual counseling, group counseling, classroom guidance, parent/family involvement, and consultation/collaboration with school staff, parents, mental health professionals, and community.

In addition to the preceding services, guidance services include:

1. Organization and administration of student-to-student tutoring and standardized testing.
2. Holding parent, teacher, and administrator conferences.
3. Assisting student in transition from Central Intermediate to the middle school and from middle school to the high school.
4. Assisting students in selecting high school courses.
5. Planning for the future.

HALL PASS

All students in the halls during class periods must have their planner as a hall pass. There should be no exceptions to this rule. All students must sign out of class electronically before leaving.

HEALTH SERVICES (school)

CLINIC

The clinic is located in the main office. When a student is too ill to attend class or becomes injured, the student should get a pass from his/her teacher and report to the main office. Permission to release students from school will be allowed by office personnel after parents or their designee has granted authorization. Illness will not be accepted as a reason to loiter in a restroom or around other parts of the building. The school is not allowed to administer medicine unless the proper paperwork is on file in the clinic; first aid will be given as needed. Students are not permitted to give any non-prescription medication to another student.

HEALTH AIDES

All schools will have a school health aide in the clinic for several hours a day. The school health aide has been trained in basic first aid, will administer medications, and do vision and hearing screenings. The school nurse will supervise the school health aides.

Please contact the school nurse by calling 330.335.1410 if you have questions or concerns about your child's medical condition.

SCREENING

Vision screening will be done in grade 7. This is a state mandated screening for all students in this grade. Vision or hearing screenings may also be done as a result of a school staff or parent referral in any grade. For more information on school screenings, call the WMS main office.

SCREENING EXEMPTION

Any child may be exempted from the school hearing screening by providing proof to the school by September 15th that he/she has been examined by a physician within the past 12 months with a note stating your request. A child may be exempted from the school vision screening by providing proof to the school by September 15th that he/she has been examined by a physician or optometrist within the past 12 months with a note stating your request.

INTERROGATIONS AND SEARCHES

In accordance with Policy 5771, school officials may search a student or a student's property when there are reasonable grounds to suspect the presence of contraband that violates the law or school rules. Dogs trained in the detection of illegal drugs and/or weapons may patrol school facilities and premises. A dog alerting to an object is considered reasonable grounds for a search. Vehicles on school property are also subject to search. Student lockers are the property of the Board and are subject to search based on reasonable suspicion of the violation of the law or school rules and to random searches without regard to reasonable suspicion.

LIBRARY—MEDIA CENTER

Rules and regulations regarding conduct are posted in library.

LOCKERS—SEARCHES—INVESTIGATIONS

Lockers are the property of the school and therefore may be entered by the administration at any time. The right of inspection of students' school lockers or articles carried upon their person and interrogation of individual students is inherent in the authority granted school boards and administrators. Thus, it should be conducted to assure parents that the school, in exercising its "in loco parentis" relationship with their children, would employ every safeguard to protect the well-being of those children. This authority is to be reasonably likely to produce anticipated tangible results to aid in the educational process, preserve discipline and good order, or promote the safety and security of persons and their property within the area of educational responsibility. Any illegal materials found will be confiscated, and if necessary, law enforcement agencies will be notified.

All students/athletes should keep their valuables in a locked locker. Students should assess what items of value they bring to school. Students who are staying after school for practices, to assist teachers, etc., are to take all coats and books with them since sections of the building may be closed. Keep lockers locked at all times and do not disclose your combination to anyone. Sharing of a locker is strongly discouraged. The Board of Education does not provide insurance or assume responsibility for items missing or stolen. Locks for physical education classes are NOT provided by the teachers. Students participating in any extracurricular activity are responsible for the safety and security of their own personal belongings in our facility and in facilities at away events.

Theft may occur at school. Please consider not bringing large sums of money or other valuable items that are not necessary for use at school. Recovery of stolen items is very difficult.

LOST AND FOUND

All articles found should be turned in to the Main Office. Students losing articles should check the main office to see if their articles were turned in for the owner to claim.

RESTROOM POLICIES

Loitering in the restrooms is not permitted. **If ill, report to the clinic; do not stay in the restroom.** Disciplinary action will be taken with students who insist upon loitering in the restrooms.

SCHEDULE CHANGES

Students should work with the guidance counselors and their parents to develop schedules. No schedule changes will be enacted without a student/counselor conference.

Many administrative decisions are based on course registration numbers. For this reason, we strive to minimize schedule changes. However, it is understood that some changes are inevitable. Although we strive to give individual students the best schedule possible, class sizes and class atmosphere must be considered when creating schedules.

STUDENT ACTIVITY PROGRAMS

ACADEMIC ELIGIBILITY

To be academically eligible for competition or public performance in co-/extracurricular activities, a student must receive a passing grade in 5 classes from this year during the preceding grading period. If a student does not pass all classes with a 6 class schedule, a minimum GPA of 1.7 is needed in the preceding grading period to be eligible.

ACTIVITIES

The following activities are available to Wadsworth Middle School students. Academic eligibility is required to participate. We strongly encourage students to become involved in the extracurricular activities such as:

Student Council	Dances	Fishing Club	Announcement Crew

	Drama	Robotics	

DANCES

Periodically WMS offers dances to the student body to encourage appropriate socialization. Cost for the dances will be determined by the administration. Financial assistance is available upon request.

Dances are a privilege and not a right. The administration reserves the right to exclude a student for disciplinary reasons. Only WMS students may attend our dances. STUDENT CONDUCT

Good conduct is based on the respect and consideration of the rights of others. Students will be expected to conduct themselves in such a way that the rights of others are not violated. Students of the Wadsworth City School District will conform to school regulations and accept directions from authorized school personnel. A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and/or at school-related events will be dealt with according to approved student discipline regulations.

Every student who gives evidence of a sincere desire to remain in school and to be diligent in his or her studies will be given every reasonable opportunity to profit by the educational experiences provided and will be assisted in every way possible to achieve scholastic success.

1. Students shall respect constituted authority. This shall include conformity to school rules and regulations and those provisions of law, which apply to the conduct of students. Constituted authority includes any adult connected with the school; whether it is an administrator, teacher, monitor, custodian, secretary, cook, or bus driver.
2. Student conduct shall reflect consideration for the rights and privileges of others.

3. High personal standards of courtesy, dress, decency, morality, clean language, honesty, integrity, and appropriate relationship with others shall be maintained. Respect for real and personal property, pride in one's work and achievement within one's ability shall be expected of all students.
4. Wadsworth Middle School is your school; therefore, you should have a certain pride of ownership. The students who follow you in the future will appreciate your care and courtesy. Waste paper and other trash belong in the wastebaskets—not in your desk, locker or on the floor. A special effort must be made to keep all woodwork, walls, lockers and desks free from unsightly marks. Persons who cause damage to school property will be required to pay for the damage.
5. Public display of affection is not allowable. Students using poor judgment in this matter may face disciplinary consequences and may be referred to the office. Parents may be notified.

DISCIPLINE

It is the policy of the Wadsworth City School District Board of Education to act accordingly against violent, disruptive, or inappropriate behavior, including excessive truancy. The Board believes that discipline in the school provides each student with the most favorable atmosphere for learning. It recognizes that the incorporation of limits and controls by individual students is an important part of the learning process. It believes that limits on the individual are necessary for the orderly function of any society. Rules and regulations are necessary for the orderly function of an orderly and safe school environment that is conducive to teaching and learning.

It is considered a fundamental understanding by each student and his/her parents that any teacher or school official has not only the right, but the duty, to insist on good behavior. The right of discipline extends to all areas of the school program. (Ultimately, however, the conduct of a student is the legal responsibility of his/her parents or guardians. One of the most important lessons education should teach is discipline. While it does not appear as a subject, it underlies the entire education structure. It is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people.)

TEACHER DETENTION

Students may be assigned detention by a teacher. The length, time and place of the detention will be at the discretion of the teacher. Twenty-four (24) hour notice will be given. Students are responsible to arrange their own way home. Teachers are encouraged to call parents when a detention is assigned. Teachers can also have students serve a ½ hour detention at lunch. Student may bring their lunch to the assigned room.

AFTER SCHOOL DETENTION

Students may be assigned a detention for misbehavior in study halls, being tardy to school, or for other minor disciplinary infractions. This detention is served afternoons from 2:35-3:05 p.m. or longer in an assigned room. Students are responsible to arrange their own way home. A detention missed due to absence will be rescheduled. A pattern of repeated skipping of detention will result in additional detention time.

DETENTIONS

EXTENDED DETENTION is a more severe form of discipline than the after school detention. Also, detentions enable students who may otherwise be suspended to remain at school and at the same time, provide them with an opportunity to improve their academic standing. Hopefully, detentions will be a learning experience and one in which a change in behavior may occur. Students are required to bring school related materials and assignments.

If a student is assigned multiple detentions for the same offense, another method of discipline will then become necessary. Extended detentions will be up to two hours. It will run from 2:30-4:30 p.m. and will be held every day if necessary. Students will be notified of the dates at the time discipline is administered. If a student misses the detention without prior administrative approval, the student may be subject to additional discipline.

IN-SCHOOL DETENTION

In-School Detention is defined as a removal of the student from his/her regularly scheduled classes. Before a student is placed in in-school detention, the student shall be given written notice of the intention to impose in-school detention and the reasons for the intended in-school detention. Rules for in-school will be clearly outlined by administration previous to serving.

SATURDAY DETENTION

WMS maintains a Saturday School program and it consists of two levels that are listed below. Saturday School meets at 8:00 am and on any given Saturday would be no less than 1 hour in length and no longer than 4 hours. Students will be required to bring school work and will be expected to stay on task for the duration of the Saturday School. Before a student is placed in Saturday Detention, the student will be given written notice of the intention to impose Saturday Detention. Failure to serve an assigned Saturday Detention may result in additional detention.

SATURDAY ALTERNATIVE TO OUT OF SCHOOL SUSPENSION (SAS)

SAS will meet promptly at 8:00am and can be assigned for 1-4 hours. SAS may be used as an Alternative to Out of School Suspension at the discretion of administration, if deemed appropriate. Before a student is placed in SAS, the student will be given written notice of the intention to impose SAS. Failure to serve an assigned SAS will result in the assignment of an Out of School Suspension the next day that school is in session.

EMERGENCY REMOVAL

"Emergency removal" shall be the exclusion of a student who poses a continuing danger to District property or persons in the District or whose behavior presents an ongoing threat of disrupting the educational process provided by the District. (See Policy 5610.03 "Emergency Removal")

SUSPENSION

"Suspension" shall be the temporary exclusion of a student by the Superintendent, principal, assistant principal, or any other administrator from the District's instructional program for a period not to exceed ten (10) school days. Suspension shall not extend beyond the current school year, if at the time a suspension is imposed, fewer than ten (10) days remain in the school year.

The Superintendent may instead require a student to participate in a community service program or another alternative consequence for a number of hours equal to the remaining part of the period of the suspension. The student shall be required to begin such community service program or alternative consequence during the first full week day of summer break. The Superintendent may develop a list of appropriate alternative consequences, and set forth such list in the applicable guidelines.

In the event, the student fails to complete the required community service or the assigned alternative consequence, the Superintendent may determine the next course of action. Such course of action, however, shall not include requiring the student to serve the remaining time of the suspension at the beginning of the following year. The procedures for suspension are set forth in the Student Code of Conduct/Student Discipline Code and Policy 5611 - Due Process Rights.

Students are permitted to make up all work missed during a suspension for full credit.

EXPULSION

Expulsion shall be the exclusion of a student from the schools of this District for a period not to exceed the greater of eighty (80) school days or the number of school days remaining in a semester or term in which the incident that gives rise to the expulsion takes place or for one (1) year as specifically provided in this policy and the Student Code of Conduct/Student Discipline Code. Only the Superintendent may expel a student. The procedures for expulsion are set forth in the Student Code of Conduct/Student Discipline Code and Board Policy 5611 "Due Process Rights".

If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.

If the Superintendent determines that a student's behavior on a school vehicle violates school rules, s/he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior. Any such suspension must comply with due process and the Student Code of Conduct/Student Discipline Code.

The Board authorizes the Superintendent to provide for options to suspension/expulsion of a student from school which may include alternative educational options.

The Superintendent shall initiate expulsion proceedings against a student who has committed an act that warrants expulsion under Board policy even if the student withdraws from school prior to the hearing or decision to impose the expulsion. The expulsion must be imposed for the same duration it would have been had the student remained enrolled.

The Board may temporarily deny admittance to any student who has been expelled from the schools of another Ohio district or an out-of-state district, if the student's expulsion period set by the other district has not expired. The expelled student shall first be offered an opportunity for a hearing. This provision also applies to a student who is the subject of a power of attorney designating the child's grandparent as the attorney-in-fact or caretaker authorization affidavit executed by the child's grandparent and is seeking admittance into the schools of this District in accordance with Policy 5111.

The Board may temporarily deny admittance to any student who has been suspended from the schools of another Ohio district, if the student's suspension period set by the other district has not expired. The suspended student shall first be offered an opportunity for a hearing before the Board.

When a student is expelled from this District, the Superintendent shall send written notice to any college in which the expelled student is enrolled under Postsecondary Enrollment Options at the time the expulsion is imposed. The written notice shall indicate the date the expulsion is scheduled to expire.

If the expulsion is extended, the Superintendent shall notify the college of the extension.

The Superintendent may require a student to perform community service in conjunction with or in place of a suspension or expulsion. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the expulsion into the following school year.

APPEALS TO THE BOARD OF EDUCATION

Pursuant to the above discipline, a student or his/her parent, guardian or custodian may appeal his/her suspension, expulsion, or removal to the Board or its designee. Notice of such appeal shall be filed, in writing, with the Treasurer of the Board within five (5) days of the suspension or fourteen (14) days of the expulsion. The student or his/her parent, guardian or custodian may be represented in the appeal proceeding and shall be granted a hearing before the Board or its designee to be heard against the suspension or expulsion.

- If an appeal is taken before the Board or its designee, such appeal may, upon request of the student, his/her parent, guardian or custodian or attorney, be heard in executive session.
- The Board, by a majority vote of its full membership, or by the action of its designee, may affirm the suspension or expulsion or may reinstate the affected student or may otherwise reverse, vacate or modify the order of suspension or expulsion.
 - A. The Assistant Superintendent is hereby appointed as designee to hear all suspension appeals. As designee, the Assistant Superintendent's decision shall be considered automatically adopted by the Board of Education, without the necessity for any further Board action.
 - B. The Board shall hear its own expulsion appeals, unless it appoints a designee, on a case-by-case basis. In the case of expulsions, all expulsions may be heard in executive session at the election of the party appealing.
 - C. The Board shall take action on the expulsion appeal in public session.
 - D. A verbatim record shall be kept of all hearings under this paragraph.
 - E. Decisions of the Board or its designee may be appealed under Chapter 2506 of the revised code.

- A. inspect and review the student's education records within forty-five (45) days after the School receives a request for access or within such shorter period as may be applicable to students with disabilities. The School has a form that can be used to submit such a request. The Custodian of Records ("COR") (building principal) will notify the parent or adult student of the time and place where the records can be inspected. Parents and adult students are not permitted to inspect and review the education records of other students. If there is a valid reason why a parent or adult student cannot personally inspect and review a student's education records, or if the parent or adult student specifically requests copies of education records, the COR may arrange for copies of the requested records to be delivered to the parent or adult student directly. The Board may charge a reasonable fee for the copying of records, which may be waived under circumstances of unusual hardship.
- B. request the amendment of the student's education records if the parent or adult student believes the record is inaccurate, misleading, or otherwise in violation of the student's privacy rights. Parents or adult students who believe that a change is necessary should ask the COR to correct the record. Such a request should be made in writing and should identify the part of the record they want changed, and specify why it should be changed. If the record is not changed to the parent's or adult student's satisfaction or if the COR informs the parent or adult student that the record does not appear to be misleading, inaccurate, or in violation of any privacy right, the parent or adult student will be informed of his/her right to request a hearing. The parent or adult student may submit a written request for a hearing. The hearing will be conducted by a hearing officer who will submit his/her findings to the Superintendent. The Superintendent will make the final decision concerning whether to change the record. A parent or student who remains dissatisfied with the final decision of the Superintendent may request that an explanatory statement be placed in the student's file explaining the basis for the disagreement. The school has a form that may be used to identify which information in the record the parent or adult student believes is inaccurate, misleading, or a violation of the student's privacy rights, and to specify why it is inappropriate.

Revised 11/19/18

5516 - STUDENT HAZING

Hazing activities of any type are inconsistent with and disruptive to the educational process, and prohibited at any time in school facilities, on school property, and/or off school property if the misconduct is connected to or associated with Board-sponsored activities (e.g., extracurricular teams, clubs, or groups) or incidents that have occurred on school property. No administrator, employee, faculty member, teacher, consultant, alumnus, or volunteer of the District shall encourage, permit, authorize, condone, or tolerate any hazing activities. The preceding prohibition includes recklessly permitting the hazing of any person associated with the District. Additionally, no student shall plan, encourage, or engage in any hazing.

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any class, team, or organization or any act to continue or reinstate membership in or affiliation with any class, team, or organization that causes or creates a substantial risk of causing mental or physical harm to any person, including coercing another to consume alcohol or a drug of abuse. No person shall recklessly participate in the hazing of another. Permission, consent, or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions contained in this policy.

Administrators, employees, faculty members, teachers, and other people contracted directly or indirectly (through a third-party provider) with the board of education or volunteers of the District shall be alerted to possible situations, circumstances, or events that might include hazing. If hazing or planned hazing is discovered, the students involved shall be informed by the discoverer of the prohibitions contained in this policy and shall be ordered to end all hazing activities or planned activities immediately. All hazing incidents shall be reported immediately to the Superintendent. Additionally, no administrator, employee, faculty member, teacher, consultant, alumnus, or volunteer of the District who is acting in an official and professional capacity shall recklessly fail to immediately report the knowledge of hazing to a law enforcement agency in the county in which the victim of hazing resides or in which the hazing is occurring or has occurred. Students, administrators, employees, faculty members, and teachers who fail to abide by this policy may be subject to disciplinary action and may be held personally liable for civil and criminal penalties in accordance with law. Likewise, other people contracted directly or indirectly (through a third-party provider) with the board of education, and volunteers associated with the District who fail to abide by this policy may be prohibited from continuing their involvement and/or participation in activities associated with the District and may be held personally liable for civil and criminal penalties in accordance with law.

The Superintendent shall distribute this policy to all students, Board employees, consultants, and volunteers, and shall incorporate it into building, staff, and student handbooks. It shall also be posted on the District's website. This policy shall be the subject of discussion at employee staff meetings or in-service programs.

Board employees, other people contracted directly or indirectly (through a third-party provider) with the board of education, and volunteers shall not intentionally remain ignorant of hazing or potential hazing activities.
